

1 AN ACT concerning environmental safety.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Alternate Fuels Act is amended by adding
5 Section 22 as follows:

6 (415 ILCS 120/22 new)

7 Sec. 22. Flexible fuel vehicle database. The Secretary of
8 State shall, to the extent that the necessary information is
9 obtainable from automobile manufacturers, compile a database
10 of the flexible fuel vehicles in the State by zip code area.
11 The database shall be created based upon the make, model, and
12 vehicle identification number of registered vehicles. The
13 database shall include only the number of vehicles by zip code
14 and shall be completed and made available to the public in both
15 print and electronic format by January 1, 2005. For the
16 purposes of this Section, "flexible fuel vehicle" means a
17 vehicle that is capable of running on E85 blend fuel.

18 Section 99. Effective date. This Act takes effect upon
19 becoming law.
