

93RD GENERAL ASSEMBLY
State of Illinois
2003 and 2004

Introduced 02/09/04, by Robert S. Molaro

SYNOPSIS AS INTRODUCED:

510 ILCS 65/4

from Ch. 8, par. 954

Amends the Illinois Equine Infectious Anemia Control Act. Eliminates the testing exemption for horses transported into the State for the sole purpose of slaughter. Provides that all horses more than 12 months of age entering the State for any reason shall be accompanied by a Certificate of Veterinary Inspection. Effective immediately.

LRB093 16099 RAS 41727 b

1 AN ACT concerning horses.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Equine Infectious Anemia Control
5 Act is amended by changing Section 4 as follows:

6 (510 ILCS 65/4) (from Ch. 8, par. 954)

7 Sec. 4. Tests of equidae entering the State. All equidae
8 more than 12 months of age entering the State for any reason
9 ~~other than for immediate slaughter~~ shall be accompanied by a
10 Certificate of Veterinary Inspection issued by an accredited
11 veterinarian of the state of origin within 30 days prior to
12 entry and shall be negative to an official test for EIA within
13 one year prior to entry. ~~Equidae entering the State for~~
14 ~~immediate slaughter shall be accompanied by a consignment~~
15 ~~direct to slaughter at an approved equine slaughtering~~
16 ~~establishment.~~
