2 AMENDMENT NO. _____. Amend Senate Bill 293 on page 1,
3 line 6, by replacing "Section 3.15" with "Sections 3.15 and
4 4"; and

5 on page 1, after line 31, by inserting the following:

6 "(320 ILCS 25/4) (from Ch. 67 1/2, par. 404)

7 Sec. 4. Amount of Grant.

8 (a) In general. Any individual 65 years or older or any
9 individual who will become 65 years old during the calendar
10 year in which a claim is filed, and any surviving spouse of
11 such a claimant, who at the time of death received or was
12 entitled to receive a grant pursuant to this Section, which
13 surviving spouse will become 65 years of age within the 24
14 months immediately following the death of such claimant and
15 which surviving spouse but for his or her age is otherwise
16 qualified to receive a grant pursuant to this Section, and
17 any disabled person whose annual household income is less
18 than \$14,000 for grant years before the 1998 grant year, less
19 than \$16,000 for the 1998 and 1999 grant years, and less than
20 (i) \$21,218 for a household containing one person, (ii)
21 \$28,480 for a household containing 2 persons, or (iii)
22 \$35,740 for a household containing 3 or more persons for the

1 2000 grant year and thereafter and whose household is liable
2 for payment of property taxes accrued or has paid rent
3 constituting property taxes accrued and is domiciled in this
4 State at the time he or she files his or her claim is
5 entitled to claim a grant under this Act. With respect to
6 claims filed by individuals who will become 65 years old
7 during the calendar year in which a claim is filed, the
8 amount of any grant to which that household is entitled shall
9 be an amount equal to 1/12 of the amount to which the
10 claimant would otherwise be entitled as provided in this
11 Section, multiplied by the number of months in which the
12 claimant was 65 in the calendar year in which the claim is
13 filed.

14 (b) Limitation. Except as otherwise provided in
15 subsections (a) and (f) of this Section, the maximum amount
16 of grant which a claimant is entitled to claim is the amount
17 by which the property taxes accrued which were paid or
18 payable during the last preceding tax year or rent
19 constituting property taxes accrued upon the claimant's
20 residence for the last preceding taxable year exceeds 3 1/2%
21 of the claimant's household income for that year but in no
22 event is the grant to exceed (i) \$700 less 4.5% of household
23 income for that year for those with a household income of
24 \$14,000 or less or (ii) \$70 if household income for that year
25 is more than \$14,000.

26 (c) Public aid recipients. If household income in one
27 or more months during a year includes cash assistance in
28 excess of \$55 per month from the Department of Public Aid or
29 the Department of Human Services (acting as successor to the
30 Department of Public Aid under the Department of Human
31 Services Act) which was determined under regulations of that
32 Department on a measure of need that included an allowance
33 for actual rent or property taxes paid by the recipient of
34 that assistance, the amount of grant to which that household

1 is entitled, except as otherwise provided in subsection (a),
2 shall be the product of (1) the maximum amount computed as
3 specified in subsection (b) of this Section and (2) the ratio
4 of the number of months in which household income did not
5 include such cash assistance over \$55 to the number twelve.
6 If household income did not include such cash assistance over
7 \$55 for any months during the year, the amount of the grant
8 to which the household is entitled shall be the maximum
9 amount computed as specified in subsection (b) of this
10 Section. For purposes of this paragraph (c), "cash
11 assistance" does not include any amount received under the
12 federal Supplemental Security Income (SSI) program.

13 (d) Joint ownership. If title to the residence is held
14 jointly by the claimant with a person who is not a member of
15 his or her household, the amount of property taxes accrued
16 used in computing the amount of grant to which he or she is
17 entitled shall be the same percentage of property taxes
18 accrued as is the percentage of ownership held by the
19 claimant in the residence.

20 (e) More than one residence. If a claimant has occupied
21 more than one residence in the taxable year, he or she may
22 claim only one residence for any part of a month. In the
23 case of property taxes accrued, he or she shall prorate 1/12
24 of the total property taxes accrued on his or her residence
25 to each month that he or she owned and occupied that
26 residence; and, in the case of rent constituting property
27 taxes accrued, shall prorate each month's rent payments to
28 the residence actually occupied during that month.

29 (f) There is hereby established a program of
30 pharmaceutical assistance to the aged and disabled which
31 shall be administered by the Department in accordance with
32 this Act, to consist of payments to authorized pharmacies, on
33 behalf of beneficiaries of the program, for the reasonable
34 costs of covered prescription drugs. Each beneficiary who

1 pays \$5 for an identification card shall pay no additional
2 prescription costs. Each beneficiary who pays \$25 for an
3 identification card shall pay \$3 per prescription. In
4 addition, after a beneficiary receives \$2,000 in benefits
5 during a State fiscal year, that beneficiary shall also be
6 charged 20% of the cost of each prescription for which
7 payments are made by the program during the remainder of the
8 fiscal year. To become a beneficiary under this program a
9 person must: (1) be (i) 65 years of age or older, or (ii) the
10 surviving spouse of such a claimant, who at the time of death
11 received or was entitled to receive benefits pursuant to this
12 subsection, which surviving spouse will become 65 years of
13 age within the 24 months immediately following the death of
14 such claimant and which surviving spouse but for his or her
15 age is otherwise qualified to receive benefits pursuant to
16 this subsection, or (iii) disabled, and (2) be domiciled in
17 this State at the time he or she files his or her claim, and
18 (3) have a maximum household income of less than \$14,000 for
19 grant years before the 1998 grant year, less than \$16,000 for
20 the 1998 and 1999 grant years, and less than (i) \$21,218 for
21 a household containing one person, (ii) \$28,480 for a
22 household containing 2 persons, or (iii) \$35,740 for a
23 household containing 3 more persons for the 2000 grant year
24 and thereafter. In addition, each eligible person must (1)
25 obtain an identification card from the Department, (2) at the
26 time the card is obtained, sign a statement assigning to the
27 State of Illinois benefits which may be otherwise claimed
28 under any private insurance plans, and (3) present the
29 identification card to the dispensing pharmacist.

30 The Department shall adopt rules specifying all
31 eligibility and participation requirements for the
32 pharmaceutical assistance program, including copayment
33 amounts, identification card fees, expenditure limits, and
34 the benefit threshold after which a 20% charge is imposed on

1 the cost of each prescription, to be in effect on and after
2 July 1, 2004. To the extent practicable, those requirements
3 shall be commensurate with the requirements provided in rules
4 adopted by the Department of Public Aid to implement the
5 pharmacy assistance program under Section 5-5.12a of the
6 Illinois Public Aid Code.

7 Whenever a generic equivalent for a covered prescription
8 drug is available, the Department shall reimburse only for
9 the reasonable costs of the generic equivalent, less the
10 co-pay established in this Section, unless (i) the covered
11 prescription drug contains one or more ingredients defined as
12 a narrow therapeutic index drug at 21 CFR 320.33, (ii) the
13 prescriber indicates on the face of the prescription "brand
14 medically necessary", and (iii) the prescriber specifies that
15 a substitution is not permitted. When issuing an oral
16 prescription for covered prescription medication described in
17 item (i) of this paragraph, the prescriber shall stipulate
18 "brand medically necessary" and that a substitution is not
19 permitted. If the covered prescription drug and its
20 authorizing prescription do not meet the criteria listed
21 above, the beneficiary may purchase the non-generic
22 equivalent of the covered prescription drug by paying the
23 difference between the generic cost and the non-generic cost
24 plus the beneficiary co-pay.

25 Any person otherwise eligible for pharmaceutical
26 assistance under this Act whose covered drugs are covered by
27 any public program for assistance in purchasing any covered
28 prescription drugs shall be ineligible for assistance under
29 this Act to the extent such costs are covered by such other
30 plan.

31 The fee to be charged by the Department for the
32 identification card shall be equal to \$5 per coverage year
33 for persons below the official poverty line as defined by the
34 United States Department of Health and Human Services and \$25

1 per coverage year for all other persons.

2 In the event that 2 or more persons are eligible for any
3 benefit under this Act, and are members of the same
4 household, (1) each such person shall be entitled to
5 participate in the pharmaceutical assistance program,
6 provided that he or she meets all other requirements imposed
7 by this subsection and (2) each participating household
8 member contributes the fee required for that person by the
9 preceding paragraph for the purpose of obtaining an
10 identification card.
