

1 AMENDMENT TO SENATE BILL 306

2 AMENDMENT NO. _____. Amend Senate Bill 306 on page 1,
3 line 12, after the period, by inserting the following:

4 "These services may include comprehensive risk assessments
5 for pregnant women and infants, lactation counseling,
6 nutrition counseling, childbirth support, psychosocial
7 counseling, treatment and prevention of periodontal disease,
8 and other support services that have been proven to improve
9 birth outcomes."; and

10 on page 1, line 20, after the period, by inserting the
11 following:

12 "Each such report shall include an evaluation of how the
13 ratio of expenditures for treating low-birthweight infants
14 compared with the investment in promoting healthy births and
15 infants in local community areas throughout Illinois relates
16 to healthy infant development in those areas.".
