

1 AN ACT concerning insurance.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

4 Section 5. The Illinois Insurance Code is amended by
5 changing Section 370c as follows:

6 (215 ILCS 5/370c) (from Ch. 73, par. 982c)

7 Sec. 370c. Mental and emotional disorders.

8 (a) (1) On and after the effective date of this Section,
9 every insurer which delivers, issues for delivery or renews
10 or modifies group or individual accident and health A&H
11 policies providing coverage for hospital or medical treatment
12 or services for illness on an expense-incurred basis or
13 through a health maintenance organization, as defined in
14 Section 1-2 of the Health Maintenance Organization Act shall
15 offer to the applicant or group policyholder subject to the
16 insurers standards of insurability, coverage for reasonable
17 and necessary treatment and services for mental, emotional or
18 nervous disorders or conditions, other than serious mental
19 illnesses as defined in item (2) of subsection (b), up to the
20 limits provided in the policy for other disorders or
21 conditions, except (i) the insured may be required to pay up
22 to 50% of expenses incurred as a result of the treatment or
23 services, and (ii) the annual benefit limit may be limited to
24 the lesser of \$10,000 or 25% of the lifetime policy limit.

25 (2) Each insured that is covered for mental, emotional
26 or nervous disorders or conditions shall be free to select
27 the physician licensed to practice medicine in all its
28 branches, licensed clinical psychologist, licensed clinical
29 social worker, or licensed clinical professional counselor of
30 his or her choice to treat such disorders, and the insurer
31 shall pay the covered charges of such physician licensed to

1 practice medicine in all its branches, licensed clinical
2 psychologist, licensed clinical social worker, or licensed
3 clinical professional counselor up to the limits of coverage,
4 provided (i) the disorder or condition treated is covered by
5 the policy, and (ii) the physician, licensed psychologist,
6 licensed clinical social worker, or licensed clinical
7 professional counselor is authorized to provide said services
8 under the statutes of this State and in accordance with
9 accepted principles of his or her profession.

10 (3) Insofar as this Section applies solely to licensed
11 clinical social workers and licensed clinical professional
12 counselors, those persons who may provide services to
13 individuals shall do so after the licensed clinical social
14 worker or licensed clinical professional counselor has
15 informed the patient of the desirability of the patient
16 conferring with the patient's primary care physician and the
17 licensed clinical social worker or licensed clinical
18 professional counselor has provided written notification to
19 the patient's primary care physician, if any, that services
20 are being provided to the patient. That notification may,
21 however, be waived by the patient on a written form. Those
22 forms shall be retained by the licensed clinical social
23 worker or licensed clinical professional counselor for a
24 period of not less than 5 years.

25 (b) (1) An insurer that provides coverage for hospital
26 or medical expenses under a group or individual policy of
27 accident and health insurance, through a health maintenance
28 organization, as defined in Section 1-2 of the Health
29 Maintenance Organization Act, or health care plan amended,
30 delivered, issued, or renewed after the effective date of
31 this amendatory Act of the 93rd 92nd General Assembly shall
32 provide coverage under the policy for treatment of serious
33 mental illness under the same terms and conditions as
34 coverage for hospital or medical expenses related to other

1 illnesses and diseases. The coverage required under this
 2 Section must provide for same durational limits, amount
 3 limits, deductibles, and co-insurance requirements for
 4 serious mental illness as are provided for other illnesses
 5 and diseases. This subsection does not apply to coverage
 6 provided to employees by employers who have 50 or fewer
 7 employees.

8 (2) "Serious mental illness" means the following
 9 psychiatric illnesses as defined in the most current edition
 10 of the Diagnostic and Statistical Manual (DSM) published by
 11 the American Psychiatric Association:

- 12 (A) schizophrenia;
- 13 (B) paranoid and other psychotic disorders;
- 14 (C) bipolar disorders (hypomanic, manic,
 15 depressive, and mixed);
- 16 (D) major depressive disorders (single episode or
 17 recurrent);
- 18 (E) schizoaffective disorders (bipolar or
 19 depressive);
- 20 (F) pervasive developmental disorders;
- 21 (G) obsessive-compulsive disorders;
- 22 (H) depression in childhood and adolescence; and
- 23 (I) panic disorder;
- 24 (J) anorexia nervosa (restricting or binge-eating
 25 and purging);
- 26 (K) bulimia nervosa (purging or nonpurging); and
- 27 (L) post-traumatic stress disorder (acute, chronic,
 28 or with delayed onset).

29 (3) Upon request of the reimbursing insurer, a provider
 30 of treatment of serious mental illness shall furnish medical
 31 records or other necessary data that substantiate that
 32 initial or continued treatment is at all times medically
 33 necessary. An insurer shall provide a mechanism for the
 34 timely review by a provider holding the same license and

1 practicing in the same specialty as the patient's provider,
2 who is unaffiliated with the insurer, jointly selected by the
3 patient (or the patient's next of kin or legal representative
4 if the patient is unable to act for himself or herself), the
5 patient's provider, and the insurer in the event of a dispute
6 between the insurer and patient's provider regarding the
7 medical necessity of a treatment proposed by a patient's
8 provider. If the reviewing provider determines the treatment
9 to be medically necessary, the insurer shall provide
10 reimbursement for the treatment. Future contractual or
11 employment actions by the insurer regarding the patient's
12 provider may not be based on the provider's participation in
13 this procedure. Nothing prevents the insured from agreeing in
14 writing to continue treatment at his or her expense. When
15 making a determination of the medical necessity for a
16 treatment modality for serious mental illness, an insurer must
17 make the determination in a manner that is consistent with
18 the manner used to make that determination with respect to
19 other diseases or illnesses covered under the policy,
20 including an appeals process.

- 21 (4) A group health benefit plan:
- 22 (A) shall provide coverage based upon medical
23 necessity for the following treatment of mental illness
24 in each calendar year;
- 25 (i) 45 days of inpatient treatment; and
26 (ii) 60 35 visits for outpatient treatment
27 including group and individual outpatient treatment;
- 28 (B) may not include a lifetime limit on the number
29 of days of inpatient treatment or the number of
30 outpatient visits covered under the plan; and
- 31 (C) shall include the same amount limits,
32 deductibles, copayments, and coinsurance factors for
33 serious mental illness as for physical illness.
- 34 (5) An issuer of a group health benefit plan may not

1 count toward the number of outpatient visits required to be
 2 covered under this Section an outpatient visit for the
 3 purpose of medication management and shall cover the
 4 outpatient visits under the same terms and conditions as it
 5 covers outpatient visits for the treatment of physical
 6 illness.

7 (6) An issuer of a group health benefit plan may provide
 8 or offer coverage required under this Section through a
 9 managed care plan.

10 (7) This Section shall not be interpreted to require a
 11 group health benefit plan to provide coverage for treatment
 12 of:

13 (A) an addiction to a controlled substance or
 14 cannabis that is used in violation of law; or

15 (B) mental illness resulting from the use of a
 16 controlled substance or cannabis in violation of law.

17 ~~(8) This subsection (b) is inoperative after December~~
 18 ~~31, 2005.~~

17 (c) In considering the merger, consolidation, or other
18 acquisition of control of a Health Maintenance Organization
19 pursuant to Article VIII 1/2 of the Illinois Insurance Code,

20 (1) the Director shall give primary consideration

24 (e) In considering any management contract or service
25 agreement subject to Section 141.1 of the Illinois Insurance
26 Code, the Director (i) shall, in addition to the criteria
27 specified in Section 141.2 of the Illinois Insurance Code,
28 take into account the effect of the management contract or
