

1 AN ACT regarding schools.

2 Be it enacted by the People of the State of Illinois,
3 represented in the General Assembly:

4 Section 5. The School Code is amended by changing
5 Section 10-20.12a as follows:

6 (105 ILCS 5/10-20.12a) (from Ch. 122, par. 10-20.12a)

7 Sec. 10-20.12a. Tuition for non-resident pupils. To
8 charge non-resident pupils who attend the schools of the
9 district tuition in an amount not exceeding 110% of the per
10 capita cost of maintaining the schools of the district for
11 the preceding school year.

12 Such per capita cost shall be computed by dividing the
13 total cost of conducting and maintaining the schools of the
14 district by the average daily attendance, including tuition
15 pupils. Depreciation on the buildings and equipment of the
16 schools of the district, and the amount of annual
17 depreciation on such buildings and equipment shall be
18 dependent upon the useful life of such property.

19 The tuition charged shall in no case exceed 110% of the
20 per capita cost of conducting and maintaining the schools of
21 the district attended, as determined with reference to the
22 most recent audit prepared under Section 3-7 which is
23 available at the commencement of the current school year.
24 Non-resident pupils attending the schools of the district for
25 less than the school term shall have their tuition
26 apportioned; however, pupils who become non-resident during
27 a school term shall not be charged tuition for the remainder
28 of the school term in which they became non-resident pupils,
29 unless they were residents of the school district for fewer
30 than 60 days before the start of the school term.

31 Unless otherwise agreed to by the parties involved and

1 where the educational services are not otherwise provided
2 for, educational services for an Illinois student under the
3 age of 21 in a residential program designed to correct
4 alcohol or other drug dependencies shall be provided by the
5 district in which the facility is located and financed as
6 follows. The cost of educational services shall be paid by
7 the district in which the student resides in an amount equal
8 to the cost of providing educational services in a treatment
9 facility. Payments shall be made by the district of the
10 student's residence and shall be made to the district wherein
11 the facility is located no less than once per month unless
12 otherwise agreed to by the parties.
