

1 AN ACT concerning higher education.

2 Be it enacted by the People of the State of Illinois,  
3 represented in the General Assembly:

4 Section 5. The State Comptroller Act is amended by  
5 changing Section 10.05 as follows:

6 (15 ILCS 405/10.05) (from Ch. 15, par. 210.05)

7 Sec. 10.05. Deductions from warrants; statement of  
8 reason for deduction. Whenever any person shall be entitled  
9 to a warrant or other payment from the treasury or other  
10 funds held by the State Treasurer, on any account, against  
11 whom there shall be any account or claim in favor of the  
12 State, then due and payable, the Comptroller, upon  
13 notification thereof, shall ascertain the amount due and  
14 payable to the State, as aforesaid, and draw a warrant on the  
15 treasury or on other funds held by the State Treasurer,  
16 stating the amount for which the party was entitled to a  
17 warrant or other payment, the amount deducted therefrom, and  
18 on what account, and directing the payment of the balance;  
19 which warrant or payment as so drawn shall be entered on the  
20 books of the Treasurer, and such balance only shall be paid.  
21 The Comptroller may deduct the entire amount due and payable  
22 to the State or may deduct a portion of the amount due and  
23 payable to the State in accordance with the request of the  
24 notifying agency. No request from a notifying agency for an  
25 amount to be deducted under this Section from a wage or  
26 salary payment, or from a contractual payment to an  
27 individual for personal services, shall exceed 25% of the net  
28 amount of such payment. "Net amount" means that part of the  
29 earnings of an individual remaining after deduction of any  
30 amounts required by law to be withheld. For purposes of this  
31 provision, wage, salary or other payments for personal

1 services shall not include final compensation payments for  
2 the value of accrued vacation, overtime or sick leave.  
3 Whenever the Comptroller draws a warrant or makes a payment  
4 involving a deduction ordered under this Section, the  
5 Comptroller shall notify the payee and the State agency that  
6 submitted the voucher of the reason for the deduction and he  
7 or she shall retain a record of such statement in his or her  
8 records. As used in this Section, an "account or claim in  
9 favor of the State" includes all amounts owing to "State  
10 agencies" as defined in Section 7 of this Act. However, the  
11 Comptroller shall not be required to accept accounts or  
12 claims owing to funds not held by the State Treasurer, where  
13 such accounts or claims do not exceed \$50, nor shall the  
14 Comptroller deduct from funds held by the State Treasurer  
15 under the Senior Citizens and Disabled Persons Property Tax  
16 Relief and Pharmaceutical Assistance Act or for payments to  
17 institutions from the Illinois Prepaid Tuition Trust Fund.  
18 The Comptroller and the Department of the Lottery shall enter  
19 into an interagency agreement to establish responsibility,  
20 duties, and procedures relating to deductions from lottery  
21 prizes awarded under Section 20.1 of the Illinois Lottery  
22 Law.

27 Sec. 35. Illinois Prepaid Tuition Trust Fund.

28 (a) The Illinois Prepaid Tuition Trust Fund is created  
29 as the repository of all moneys received by the Commission in  
30 conjunction with the Illinois prepaid tuition program. The  
31 Illinois Prepaid Tuition Trust Fund also shall be the  
32 official repository of all contributions, appropriations,  
33 interest and dividend payments, gifts, or other financial

1 assets received by the Commission in connection with  
2 operation of the Illinois prepaid tuition program. All such  
3 moneys shall be deposited in the Illinois Prepaid Tuition  
4 Trust Fund and held by the State Treasurer as ex-officio  
5 custodian thereof, outside of the State Treasury, separate  
6 and apart from all public moneys or funds of this State.

7 All interest or other earnings accruing or received on  
8 amounts in the Illinois Prepaid Tuition Trust Fund shall be  
9 credited to and retained by the Fund. Moneys, interest, or  
10 other earnings paid into the Fund shall not be transferred or  
11 allocated by the Commission, the State Treasurer, or the  
12 State Comptroller to any other fund, nor shall the Governor  
13 authorize any such transfer or allocation, while any  
14 contracts are outstanding. The State Comptroller shall not  
15 offset moneys paid to institutions from the Illinois Prepaid  
16 Tuition Trust Fund. In addition, no moneys, interest, or  
17 other earnings paid into the Fund shall be used, temporarily  
18 or otherwise, for interfund borrowing or be otherwise used or  
19 appropriated except as expressly authorized in this Act.

20 The Illinois Prepaid Tuition Trust Fund and each  
21 individual participant account that may be created in that  
22 Fund in conjunction with the Illinois prepaid tuition program  
23 shall be subject to audit in the same manner as funds and  
24 accounts belonging to the State of Illinois and shall be  
25 protected by the official bond given by the State Treasurer.

26 (b) The Commission from time to time shall direct the  
27 State Treasurer to invest moneys in the Illinois Prepaid  
28 Tuition Trust Fund that are not needed for immediate  
29 disbursement, in accordance with provisions of the investment  
30 plan approved by the Commission.

31 (c) The Executive Director of the Commission shall, at  
32 such times and in such amounts as shall be necessary, prepare  
33 and send to the State Comptroller vouchers requesting payment  
34 from the Illinois Prepaid Tuition Trust Fund for: (i) tuition

1 and fee payments to MAP-eligible institutions on behalf of  
2 qualified beneficiaries of Illinois prepaid tuition  
3 contracts, and (ii) payments associated with administration  
4 of the Illinois prepaid tuition program.

5 (d) The Governor shall indicate in a separate document  
6 submitted concurrent with each annual State budget the  
7 estimated amount of moneys in the Illinois Prepaid Tuition  
8 Trust Fund which shall be necessary and sufficient, during  
9 that State fiscal year, to discharge all obligations  
10 anticipated under Illinois prepaid tuition contracts. The  
11 Governor also shall indicate in a separate document submitted  
12 concurrent with each annual State budget the amount of moneys  
13 from the Illinois Prepaid Tuition Trust Fund necessary to  
14 cover anticipated expenses associated with administration of  
15 the program. The Commission shall obtain concurrence from a  
16 nationally recognized actuary as to all amounts necessary for  
17 the program to meet its obligations. These amounts shall be  
18 certified annually to the Governor by the Commission no later  
19 than January 30.

20 During the first 18 months of operation of the Illinois  
21 prepaid tuition program, the Governor shall request an  
22 appropriation to the Commission from general funds sufficient  
23 to pay for start-up costs associated with establishment of  
24 the program. This appropriation constitutes a loan that shall  
25 be repaid to the General Revenue Fund within 5 years by the  
26 Commission from prepaid tuition program contributions.  
27 Subsequent program administrative costs shall be provided  
28 from reasonable fees and charges equitably assessed to  
29 purchasers of prepaid tuition contracts.

30 (e) If the Commission determines that there are  
31 insufficient moneys in the Illinois Prepaid Tuition Trust  
32 Fund to pay contractual obligations in the next succeeding  
33 fiscal year, the Commission shall certify the amount  
34 necessary to meet these obligations to the Board of Higher

1 Education, the Governor, the President of the Senate, and the  
2 Speaker of the House of Representatives. The Governor shall  
3 submit the amount so certified to the General Assembly as  
4 soon as practicable, but no later than the end of the current  
5 State fiscal year.

6 (f) In the event the Commission, with the concurrence of  
7 the Governor, determines the program to be financially  
8 infeasible, the Commission may discontinue, prospectively,  
9 the operation of the program. Any qualified beneficiary who  
10 has been accepted by and is enrolled or will within 5 years  
11 enroll at a MAP-eligible institution shall be entitled to  
12 exercise the complete benefits specified in the Illinois  
13 prepaid tuition contract. All other contract holders shall  
14 receive an appropriate refund of all contributions and  
15 accrued interest up to the time that the program is  
16 discontinued.

18 (110 ILCS 979/45)

19 Sec. 45. Illinois prepaid tuition contracts.

20 (a) The Commission may enter into an Illinois prepaid  
21 tuition contract with a purchaser under which the Commission  
22 contracts on behalf of the State to pay full tuition and  
23 mandatory fees at an Illinois public university or Illinois  
24 community college for a qualified beneficiary to attend the  
25 MAP-eligible institution to which the qualified beneficiary  
26 is admitted. Each contract shall contain terms, conditions,  
27 and provisions that the Commission determines to be necessary  
28 for ensuring the educational objectives and sustainable  
29 financial viability of the Illinois prepaid tuition program.

30 (b) Each contract shall have one designated purchaser  
31 and one designated qualified beneficiary. Unless otherwise  
32 specified in the contract, the purchaser owns the contract  
33 and retains any tax liability for its assets only until the

1 first distribution of benefits. Once a partial benefit of the  
2 contract has been disbursed, any tax liability attributable  
3 to the contract and its assets becomes a tax liability of the  
4 qualified beneficiary, unless otherwise specified in the  
5 contract. Contracts shall be purchased in units of 15 credit  
6 hours at any MAP-eligible institution.

7 (c) Without exception, benefits may be received by a  
8 qualified beneficiary of an Illinois prepaid tuition contract  
9 no earlier than 3 years from the date the contract is  
10 purchased.

11 (d) A prepaid tuition contract shall contain, but is not  
12 limited to, provisions for (i) refunds or withdrawals in  
13 certain circumstances, with or without interest or penalties;  
14 (ii) conversion of the contract at the time of distribution  
15 from accrued prepayment value at one type of MAP-eligible  
16 institution to the accrued prepayment value at a different  
17 type of MAP-eligible institution; (iii) portability of the  
18 accrued value of the prepayment value for use at an  
19 out-of-state higher education institution; (iv)  
20 transferability of the contract benefits within the qualified  
21 beneficiary's immediate family; and (v) a specified benefit  
22 period during which the contract may be redeemed.

23 (e) Each Illinois prepaid tuition contract also shall  
24 contain, at minimum, all of the following:

25 (1) The amount of payment or payments and the  
26 number of payments required from a purchaser on behalf of  
27 a qualified beneficiary.

28 (2) The terms and conditions under which purchasers  
29 shall remit payments, including, but not limited to, the  
30 date or dates upon which each payment shall be due.

31 (3) Provisions for late payment charges and for  
32 default.

33 (4) Provisions for penalty fees payable incident to  
34 an authorized withdrawal.

1           (5) The name, date of birth, and social security  
 2 number of the qualified beneficiary on whose behalf the  
 3 contract is drawn and the terms and conditions under  
 4 which the contract may be transferred to another  
 5 qualified beneficiary.

6           (6) The name and social security number of any  
 7 person who may terminate the contract, together with  
 8 terms that specify whether the contract may be terminated  
 9 by the purchaser, the qualified beneficiary, a specific  
 10 designated person, or any combination of these persons.

11           (7) The terms and conditions under which a contract  
 12 may be terminated, the name and social security number of  
 13 the person entitled to any refund due as a result of the  
 14 termination of the contract pursuant to those terms and  
 15 conditions, and the method for determining the amount of  
 16 a refund.

17           (8) The time limitations, if any, within which the  
 18 qualified beneficiary must claim his or her benefits  
 19 through the program.

20           (9) Other terms and conditions determined by the  
 21 Commission to be appropriate.

22           (f) In addition to the contract provisions set forth in  
 23 subsection (e), each Illinois prepaid tuition contract shall  
 24 include:

25           (1) The number of credit hours contracted by the  
 26 purchaser.

27           (2) The type of MAP-eligible institution and the  
 28 prepaid tuition plan toward which the credit hours shall  
 29 be applied.

30           (3) The explicit contractual obligation of the  
 31 Commission to the qualified beneficiary to provide a  
 32 specific number of credit hours of undergraduate  
 33 instruction at a MAP-eligible institution, not to exceed  
 34 the maximum median number of credit hours required for

1 the conference of a degree that corresponds to the plan  
2 purchased on behalf of the qualified beneficiary.

3 (g) The Commission shall indicate by rule the conditions  
4 under which refunds are payable to a contract purchaser.  
5 Generally, no refund shall exceed the amount paid into the  
6 Illinois Prepaid Tuition Trust Fund by the purchaser. In the  
7 event that a contract is converted from a Public University  
8 Plan described in subsection (j) of this Section to a  
9 Community College Plan described in subsection (k) of this  
10 Section, the refund amount shall be reduced by the amount  
11 transferred to the Illinois community college on behalf of  
12 the qualified beneficiary. Except where the Commission may  
13 otherwise rule, refunds may exceed the amount paid into the  
14 Illinois Prepaid Tuition Trust Fund only under the following  
15 circumstances:

16 (1) If the qualified beneficiary is awarded a grant  
17 or scholarship at a public institution of higher  
18 education, the terms of which duplicate the benefits  
19 included in the Illinois prepaid tuition contract, then  
20 moneys paid for the purchase of the contract shall be  
21 returned to the purchaser, upon request, in semester  
22 installments that coincide with the matriculation by the  
23 qualified beneficiary, in an amount equal to the current  
24 cost of tuition and mandatory fees at the MAP-eligible  
25 institution where the qualified beneficiary is enrolled.

26 (1.5) If the qualified beneficiary is awarded a  
27 grant or scholarship while enrolled at either a  
28 MAP-eligible nonpublic institution of higher education or  
29 an eligible public or private out-of-state higher  
30 education institution, the terms of which duplicate the  
31 benefits included in the Illinois prepaid tuition  
32 contract, then money paid for the purchase of the  
33 contract shall be returned to the purchaser, upon  
34 request, in semester installments that coincide with the

1 matriculation by the qualified beneficiary. The amount  
2 paid shall not exceed the current average mean-weighted  
3 credit hour value of the registration fees purchased  
4 under the contract.

5 (2) In the event of the death or total disability  
6 of the qualified beneficiary, moneys paid for the  
7 purchase of the Illinois prepaid tuition contract shall  
8 be returned to the purchaser together with all accrued  
9 earnings.

10 (3) If an Illinois prepaid tuition contract is  
11 converted from a Public University Plan to a Community  
12 College Plan, then the amount refunded shall be the value  
13 of the original Illinois prepaid tuition contract minus  
14 the value of the contract after conversion.

15 No refund shall be authorized under an Illinois prepaid  
16 tuition contract for any semester partially attended but not  
17 completed.

18 The Commission, by rule, shall set forth specific  
19 procedures for making contract payments in conjunction with  
20 grants and scholarships awarded to contract beneficiaries.

21 Moneys paid into or out of the Illinois Prepaid Tuition  
22 Trust Fund by or on behalf of the purchaser or the qualified  
23 beneficiary of an Illinois prepaid tuition contract are  
24 exempt from all claims of creditors of the purchaser or  
25 beneficiary, so long as the contract has not been terminated.

26 The State or any State agency, county, municipality, or  
27 other political subdivision, by contract or collective  
28 bargaining agreement, may agree with any employee to remit  
29 payments toward the purchase of Illinois prepaid tuition  
30 contracts through payroll deductions made by the appropriate  
31 officer or officers of the entity making the payments. Such  
32 payments shall be held and administered in accordance with  
33 this Act.

34 (h) Nothing in this Act shall be construed as a promise

1 or guarantee that a qualified beneficiary will be admitted to  
2 a MAP-eligible institution or to a particular MAP-eligible  
3 institution, will be allowed to continue enrollment at a  
4 MAP-eligible institution after admission, or will be  
5 graduated from a MAP-eligible institution.

6 (i) The Commission shall develop and make prepaid  
7 tuition contracts available under a minimum of at least 2  
8 independent plans to be known as the Public University Plan  
9 and the Community College Plan.

10 Contracts shall be purchased in units of 15 credit hours  
11 at either an Illinois public university or an Illinois  
12 community college. The minimum purchase amount per qualified  
13 beneficiary shall be one unit or 15 credit hours. The  
14 maximum purchase amount shall be 9 units (or 135 credit  
15 hours) for the Public University Plan and 4 units (or 60  
16 credit hours) for the Community College Plan.

17 (j) Public University Plan. Through the Public  
18 University Plan, the Illinois prepaid tuition contract shall  
19 provide prepaid registration fees, which include full tuition  
20 costs as well as mandatory fees, for a specified number of  
21 undergraduate credit hours, not to exceed the maximum number  
22 of credit hours required for the conference of a  
23 baccalaureate degree. In determining the cost of  
24 participation in the Public University Plan, the Commission  
25 shall reference the combined mean-weighted current  
26 registration fees from all Illinois public universities.

27 In the event that a qualified beneficiary for whatever  
28 reason chooses to attend an Illinois community college, the  
29 qualified beneficiary may convert the average number of  
30 credit hours required for the conference of an associate  
31 degree from the Public University Plan to the Community  
32 College Plan and may retain the remaining Public University  
33 Plan credit hours or may request a refund for prepaid credit  
34 hours in excess of those required for conference of an

1 associate degree. In determining the amount of any refund,  
2 the Commission also shall recognize the current relative  
3 credit hour cost of the 2 plans when making any conversion.

4 Qualified beneficiaries shall bear the cost of any  
5 laboratory or other non-mandatory fees associated with  
6 enrollment in specific courses. Qualified beneficiaries who  
7 are not Illinois residents shall bear the difference in cost  
8 between in-state registration fees guaranteed by the prepaid  
9 tuition contract and tuition and other charges assessed upon  
10 out-of-state students by the MAP-eligible institution.

11 (k) Community College Plan. Through the Community  
12 College Plan, the Illinois prepaid tuition contract shall  
13 provide prepaid registration fees, which include full tuition  
14 costs as well as mandatory fees, for a specified number of  
15 undergraduate credit hours, not to exceed the maximum number  
16 of credit hours required for the conference of an associate  
17 degree. In determining the cost of participation in the  
18 Community College Plan, the Commission shall reference the  
19 combined mean-weighted current registration fees from all  
20 Illinois community colleges.

21 In the event that a qualified beneficiary for whatever  
22 reason chooses to attend an Illinois public university, the  
23 qualified beneficiary's prepaid tuition contract shall be  
24 converted for use at that Illinois public university by  
25 referencing the current average mean-weighted credit hour  
26 value of registration fees at Illinois community colleges  
27 relative to the corresponding value of registration fees at  
28 Illinois public universities.

29 Qualified beneficiaries shall bear the cost of any  
30 laboratory or other non-mandatory fees associated with  
31 enrollment in specific courses. Qualified beneficiaries who  
32 are not Illinois residents shall bear the difference in cost  
33 between in-state registration fees guaranteed by the prepaid  
34 tuition contract and tuition and other charges assessed upon

1 out-of-state students by the MAP-eligible institution.

2 (l) A qualified beneficiary may apply the benefits of  
3 any Illinois prepaid tuition contract toward a nonpublic  
4 institution of higher education. In the event that a  
5 qualified beneficiary for whatever reason chooses to attend a  
6 nonpublic institution of higher education, the qualified  
7 beneficiary's prepaid tuition contract shall be converted for  
8 use at that nonpublic institution of higher education by  
9 referencing the current average mean-weighted credit hour  
10 value of registration fees purchased under the contract. The  
11 Commission shall transfer, or cause to have transferred, this  
12 amount, less a transfer fee, to the nonpublic institution on  
13 behalf of the beneficiary. In the event that the cost of  
14 registration charged to the beneficiary at the nonpublic  
15 institution of higher education is less than the aggregate  
16 value of the Illinois prepaid tuition contract, any remaining  
17 amount shall be transferred in subsequent semesters until the  
18 transfer value is fully depleted.

19 (m) A qualified beneficiary may apply the benefits of  
20 any Illinois prepaid tuition contract toward an eligible  
21 out-of-state college or university. Institutional eligibility  
22 for out-of-state colleges and universities shall be  
23 determined by the Commission, but in making those  
24 determinations the Commission shall recognize that the  
25 benefits of an Illinois prepaid tuition contract may not be  
26 used at any postsecondary educational institution that is  
27 both operated for-profit and located outside of Illinois. In  
28 the event that a qualified beneficiary for whatever reason  
29 chooses to attend an eligible out-of-state college or  
30 university, the qualified beneficiary's prepaid tuition  
31 contract shall be converted for use at that college or  
32 university by referencing the current average mean-weighted  
33 credit hour value of registration fees purchased under the  
34 contract. The Commission shall transfer, or cause to have

1 transferred, this amount, less a transfer fee, to the college  
 2 or university on behalf of the beneficiary. In the event  
 3 that the cost of registration charged to the beneficiary at  
 4 the eligible out-of-state college or university is less than  
 5 the aggregate value of the Illinois prepaid tuition contract,  
 6 any remaining amount shall be transferred in subsequent  
 7 semesters until the transfer value is fully depleted.

8 (n) Illinois prepaid tuition contracts may be purchased  
 9 either by lump sum or by installments. ~~All--installment~~  
 10 ~~contracts--shall--be--for-5-years,-except-that-contracts-that~~  
 11 ~~purchase-at--least--120--credit--hours--may--be--payable,-by~~  
 12 ~~installments,-over--a--10-year--period.~~ No penalty shall be  
 13 assessed for early payment of installment contracts.

14 (o) The Commission shall annually adjust the price of  
 15 new contracts, in accordance with the annual changes in  
 16 registration fees at Illinois public universities and  
 17 community colleges.
