4 (30 ILCS 775/36 new)

5 Sec. 36. Alzheimer's Disease Center Program. There is
6 created an Alzheimer's Disease Center Program to provide
7 financial incentives to the Regional Alzheimer's Disease
8 Assistance Centers established under the Alzheimer's Disease
9 Assistance Act. In each state fiscal year, beginning July 1,
10 2004, each center shall receive funding under the program from
11 the funds appropriated for that purpose for that fiscal year.
12 The methodology to be used by the Illinois Department of Public
13 Aid shall be reviewed by the Advisory Committee established
14 under the Alzheimer's Disease Assistance Act and prescribed by
15 rule.

16 Section 20. The Alzheimer's Disease Assistance Act is
17 amended by changing Sections 2, 6, and 7 as follows:

18 (410 ILCS 405/2) (from Ch. 111 1/2, par. 6952)

19 Sec. 2. Policy declaration. The General Assembly finds that
20 Alzheimer's disease and related disorders are devastating
21 health conditions which destroy certain vital cells of the
22 brain and which affect an estimated 4,500,000 ~~1,500,000~~
23 Americans. This means that approximately 200,000 ~~111,000~~
24 Illinois citizens are victims. The General Assembly also finds
25 that 50% of all nursing home admissions in the State may be
26 attributable to the Alzheimer's disease and related disorders
27 and that these conditions are the fourth leading cause of death
28 among the elderly. It is the opinion of the General Assembly
29 that Alzheimer's disease and related disorders cause serious
30 financial, social and emotional hardships on the victims and
31 their families of such a major consequence that it is essential

1 for the State to develop and implement policies, plans,
2 programs and services to alleviate such hardships.

3 The General Assembly recognizes that there is no known
4 cause or cure of Alzheimer's disease at this time, and that it
5 can progress over an extended period of time and to such a
6 degree that the victim's deteriorated condition makes him or
7 her susceptible to other medical disorders that generally prove
8 fatal. It is the intent of the General Assembly, through
9 implementation of this Act, to establish a program for the
10 conduct of research regarding the cause, cure and treatment of
11 Alzheimer's disease and related disorders; and, through the
12 establishment of Regional Alzheimer's Disease Assistance
13 Centers and a comprehensive, Statewide system of regional and
14 community-based services, to provide for the identification,
15 evaluation, diagnosis, referral and treatment of victims of
16 such health problems.

20 Alzheimer's Disease Advisory Committee consisting of 21 voting
21 members appointed by the Director of the Department, as well as
22 5 nonvoting members as hereinafter provided in this Section.
23 The Director or his designee shall serve as one of the 21

4 Illinois Insurance Code for the purpose of providing health
5 insurance, 5 family members or representatives of victims of
6 Alzheimer's disease and related disorders, and 4 members of the
7 general public. Among the physician appointments shall be
8 persons with specialties in the fields of neurology, family
9 medicine, psychiatry and pharmacology. Among the general
10 public members, at least 2 appointments shall include persons
11 65 years of age or older.

12 In addition to the 21 voting members, the Secretary of
13 Human Services (or his or her designee) and one additional
14 representative of the Department of Human Services designated
15 by the Secretary plus the Directors of the following State
16 agencies or their designees shall serve as nonvoting members:
17 Department on Aging, Department of Public Aid, and Guardianship
18 and Advocacy Commission.

19 Each voting member appointed by the Director of Public
20 Health shall serve for a term of 2 years, and until his
21 successor is appointed and qualified. Members of the Committee
22 shall not be compensated but shall be reimbursed for expenses
23 actually incurred in the performance of their duties. No more
24 than 11 voting members may be of the same political party.
25 Vacancies shall be filled in the same manner as original
26 appointments.

27 The Committee shall review and evaluate State programs and
28 services provided by State agencies that are directed toward
29 persons with Alzheimer's disease and related dementias, and
30 recommend changes to improve the State's response to this
31 serious health problem.

33 (410 ILCS 405/7) (from Ch. 111 1/2, par. 6957)

1 Sec. 7. Regional ADA center funding. Pursuant to
2 appropriations enacted by the General Assembly, the Department
3 shall provide funds to hospitals affiliated with each Regional
4 ADA Center for necessary research and for the development and
5 maintenance of services for victims of Alzheimer's disease and
6 related disorders and their families. For the fiscal year
7 beginning July 1, 2003, and each year thereafter, the
8 Department shall effect payments under this Section to
9 hospitals affiliated with each Regional ADA Center through the
10 Illinois Department of Public Aid under the Excellence in
11 Academic Medicine Act. The Department of Public Aid shall
12 consult with the Advisory Committee established under this Act
13 prior to implementing the payment methodology, and each year
14 thereafter to ensure that the purpose of this Act and the goals
15 and objectives of the State are being realized. The Department
16 shall include the annual expenditures for this purpose in the
17 plan required by Section 5 of this Act.
