4 Section 5. The Illinois Pension Code is amended by changing
5 Section 17-131 as follows:

6 (40 ILCS 5/17-131) (from Ch. 108 1/2, par. 17-131)

7 Sec. 17-131. Administration of payroll deductions. During
8 any period on or after July 1, 1999 in which salaries are paid,
9 payroll ~~such~~ deductions by an Employer or the Board shall be
10 made for all salary paid ~~on the basis of the full salary rates,~~
11 ~~exclusive of salaries for overtime, special services or any~~
12 ~~employment on an optional basis, such as in summer school.~~ If
13 salaries represent adjustments on account of error, deductions
14 by the Employer or the Board shall be at the rates in force
15 during the applicable payroll period. If teachers receive
16 salaries for the school year, as established by an Employer, or
17 if they receive salaries for more than 10 calendar months, the
18 amount required for each year of service shall be deducted by
19 such Employer in installments. On or after July 1, 1999, the
20 total amounts for each semimonthly payroll period, or bi-weekly
21 payroll period, as the case may be, shall be deducted for all
22 salary paid ~~only when salary payments represent 5 days' pay or~~
23 ~~more.~~ If, on or after July 1, 1999, an Employer or the Board
24 pays salaries to members of the teaching force for vacation
25 periods, the salary shall be considered part of the teacher's
26 annual salary, shall be subject to the standard deductions for
27 pension contributions, and shall be considered to represent
28 additional service credit for each day paid ~~pay for 5 or more~~
29 ~~days' employment in a bi-weekly or semi-monthly payroll period~~
30 ~~for purposes set forth in this Section.~~ If deductions from
31 salaries result in amounts of less than one cent, the
32 fractional sums shall be increased to the next higher cent. Any

1 excess of these fractional increases over the prescribed annual
2 contributions shall be credited to the teachers' accounts.

3 Any person who retires on or after July 1, 1999 and before
4 the effective date of this Act shall be paid a lump sum equal
5 to the amount of pension that he or she would have received for
6 that period if salary received for overtime, summer school, and
7 other optional service had been included in the calculation of
8 salary for pension purposes minus the amount of pension he or
9 she actually received for that period.

10 In the event that, pursuant to Section 17-130.1, employee
11 contributions are picked up or made by the Board of Education
12 on behalf of its employees from the proceeds of the tax levied
13 under Section 34-60 of the School Code, then the amount of the
14 employee contributions which are picked up or made in that
15 manner shall not be deducted from the salaries of such
16 employees.
