A BILL FOR

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Public Community College Act is amended by
5 changing Section 3-7 as follows:

6 (110 ILCS 805/3-7) (from Ch. 122, par. 103-7)

7 Sec. 3-7. (a) The ~~The~~ election of the members of the board
8 of trustees shall be nonpartisan and shall be held at the time
9 and in the manner provided in the general election law.

10 (b) Unless otherwise provided in this Act, members shall be
11 elected to serve 6 year terms. The term of members elected in
12 1985 and thereafter shall be from the date the member is
13 officially determined to be elected to the board by a canvass
14 conducted pursuant to the Election Code, to the date that the
15 winner of the seat is officially determined by the canvass
16 conducted pursuant to the Election Code the next time the seat
17 on the board is to be filled by election.

18 (c) A board of trustees of a community college district
19 which is contiguous or has been contiguous to an experimental
20 community college district as authorized and defined by Article
21 IV of this Act may, on its own motion, or shall, upon the
22 petition of the lesser of 1/10 or 2,000 of the voters
23 registered in the district, order submitted to the voters of
24 the district at the next general election the proposition for
25 the election of board members by trustee district rather than
26 at large, and such proposition shall thereupon be certified by
27 the secretary of the board to the proper election authority in
28 accordance with the general election law for submission.

29 If the proposition is approved by a majority of those
30 voting on the proposition, the State Board of Elections, in
31 1991, shall reapportion the trustee districts to reflect the
32 results of the last decennial census, and shall divide the

1 community college district into 7 trustee districts, each of
2 which shall be compact, contiguous and substantially equal in
3 population to each other district. In 2001, and in the year
4 following each decennial census thereafter, the board of
5 trustees of community college District #522 shall reapportion
6 the trustee districts to reflect the results of the census, and
7 shall divide the community college district into 7 trustee
8 districts, each of which shall be compact, contiguous, and
9 substantially equal in population to each other district. The
10 division of the community college district into trustee
11 districts shall be completed and formally approved by a
12 majority of the members of the board of trustees of community
13 college District #522 in 2001 and in the year following each
14 decennial census. At the same meeting of the board of trustees,
15 the board shall, publicly by lot, divide the trustee districts
16 as equally as possible into 2 groups. Beginning in 2003 and
17 every 10 years thereafter, trustees or their successors from
18 one group shall be elected for successive terms of 4 years and
19 6 years; and members or their successors from the second group
20 shall be elected for successive terms of 6 years and 4 years.
21 One member shall be elected from each such trustee district.
22 Each member elected in 2001 shall be elected at the 2001
23 consolidated election from the trustee districts established
24 in 1991. The term of each member elected in 2001 shall end on
25 the date that the trustees elected in 2003 are officially
26 determined by a canvass conducted pursuant to the Election
27 Code.

28 (d) In Community College District No. 526, the election of
29 board members shall be by trustee district rather than at large
30 beginning with the consolidated election in 2005.

31 For the 2005, 2007, and 2009 consolidated elections, the
32 community college district is divided into 7 trustee districts
33 as follows:

32 All counties, townships, census tracts, block groups, and
33 blocks are those that appear on maps published by the United
34 States Bureau of the Census for the 2000 census. The term
35 "tract" means census tract. Trustee districts created by this

1 subsection (d) for the purpose of electing board members shall
2 not be altered by operation of any other statute, ordinance, or
3 resolution. Any part of the community college district that has
4 not been described as included in one of the trustee districts
5 described in this subsection (d) is included within the trustee
6 district that (i) is contiguous to the part and (ii) contains
7 the least population of all trustee districts contiguous to the
8 part according to the 2000 decennial census of Illinois. If any
9 part of the community college district is described in this
10 subsection (d) as being in more than one trustee district, the
11 part is included within the trustee district that (i) is one of
12 the trustee districts in which that part is listed in this
13 subsection (d), (ii) is contiguous to that part, and (iii)
14 contains the least population according to the 2000 decennial
15 census of Illinois. If any part of the community college
16 district (i) is described in this subsection (d) as being in
17 one trustee district and (ii) is entirely surrounded by another
18 trustee district, then the part shall be incorporated into the
19 trustee district that surrounds the part. If any part of the
20 community college district (i) is described in this subsection
21 (d) as being in one trustee district and (ii) is not contiguous
22 to another part of that trustee district, then the part is
23 included within the contiguous trustee district that contains
24 the least population according to the 2000 decennial census of
25 Illinois. The Speaker of the House, the Minority Leader of the
26 House, the President of the Senate, and the Minority Leader of
27 the Senate shall by joint letter of transmittal present to the
28 Secretary of State for deposit into the State Archives an
29 official set of United States Bureau of the Census maps and
30 descriptions used for conducting the 2000 census, and those
31 maps shall serve as the official record of all counties,
32 townships, census tracts, block groups, and blocks referred to
33 in this subsection (d). The State Board of Elections shall
34 prepare and make available to the public a metes and bounds
35 description of the trustee districts created under this
36 subsection (d).

1 For each at-large seat on the board that is to be filled by
2 election in 2005 or 2007, the seat shall be filled by a trustee
3 elected from a trustee district. The State Board shall
4 determine which trustee district seat is to replace which
5 at-large seat by lot. The term of each trustee elected at the
6 2005 or 2007 consolidated election shall end on the date that
7 the trustees elected in 2009 are officially determined by a
8 canvass conducted pursuant to the Election Code. For the 2009
9 consolidated election, one trustee shall be elected from each
10 trustee district to serve a 4-year term.

11 At least one year prior to the 2013 consolidated election,
12 the board shall meet to, publicly by lot, divide the trustee
13 districts as equally as possible into 3 groups. Beginning with
14 the 2013 consolidated election and the consolidated election
15 every 10 years thereafter, trustees or their successors from
16 the first group shall be elected for successive terms of 2
17 years, 4 years, and 4 years; trustees or their successors from
18 the second group shall be elected for successive terms of 4
19 years, 2 years, and 4 years; and trustees or their successors
20 from the third group shall be elected for successive terms of 4
21 years, 4 years, and 2 years.

22 (e) Each member must on the date of his election be a
23 citizen of the United States, of the age of 18 years or over,
24 and a resident of the State and the territory which on the date
25 of the election is included in the community college district
26 for at least one year immediately preceding his election. In
27 Community College District No. 526, each member elected at the
28 consolidated election in 2005 or thereafter must also be a
29 resident of the trustee district he or she represents for at
30 least one year immediately preceding his or her election,
31 except that in the first consolidated election for each trustee
32 district following reapportionment by the General Assembly, a
33 candidate for the board may be elected from any trustee
34 district that contains a part of the trustee district in which
35 he or she resided at the time of the reapportionment and may be
36 reelected if a resident of the new trustee district he or she

1 represents for one year prior to reelection. In the event a
2 person who is a member of a common school board is elected or
3 appointed to a board of trustees of a community college
4 district, that person shall be permitted to serve the remainder
5 of his or her term of office as a member of the common school
6 board. Upon the expiration of the common school board term,
7 that person shall not be eligible for election or appointment
8 to a common school board during the term of office with the
9 community college district board of trustees.

10 (f) Whenever a vacancy occurs, the remaining members shall
11 fill the vacancy, and the person so appointed shall serve until
12 a successor is elected at the next regular election for board
13 members and is certified in accordance with Sections 22-17 and
14 22-18 of the Election Code. If the remaining members fail so to
15 act within 60 days after the vacancy occurs, the chairman of
16 the State Board shall fill that vacancy, and the person so
17 appointed shall serve until a successor is elected at the next
18 regular election for board members and is certified in
19 accordance with Sections 22-17 and 22-18 of the Election Code.
20 The person appointed to fill the vacancy shall have the same
21 residential qualifications as his predecessor in office was
22 required to have. In either instance, if the vacancy occurs
23 with less than 4 months remaining before the next scheduled
24 consolidated election, and the term of office of the board
25 member vacating the position is not scheduled to expire at that
26 election, then the term of the person so appointed shall extend
27 through that election and until the succeeding consolidated
28 election. If the term of office of the board member vacating
29 the position is scheduled to expire at the upcoming
30 consolidated election, the appointed member shall serve only
31 until a successor is elected and qualified at that election.

32 (g) Members of the board shall serve without compensation
33 but shall be reimbursed for their reasonable expenses incurred
34 in connection with their service as members. Compensation, for
35 purposes of this Section, means any salary or other benefits
36 not expressly authorized by this Act to be provided or paid to,

1 for or on behalf of members of the board. The board of each
2 community college district may adopt a policy providing for the
3 issuance of bank credit cards, for use by any board member who
4 requests the same in writing and agrees to use the card only
5 for the reasonable expenses which he or she incurs in
6 connection with his or her service as a board member. Expenses
7 charged to such credit cards shall be accounted for separately
8 and shall be submitted to the chief financial officer of the
9 district for review prior to being reported to the board at its
10 next regular meeting.

11 (h) Except in an election of the initial board for a new
12 community college district created pursuant to Section 6-6.1,
13 the ballot for the election of members of the board for a
14 community college district shall indicate the length of term
15 for each office to be filled. In the election of a board for
16 any community college district, the ballot shall not contain
17 any political party designation.
