2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Pension Code is amended by changing
5 Section 16-150.1 as follows:

6 (40 ILCS 5/16-150.1)

7 Sec. 16-150.1. Return to teaching in subject shortage area.

8 (a) As used in this Section, "eligible employment" means
9 employment beginning on or after July 1, 2003 and ending no
10 later than June 30, 2008, in a subject shortage area at a
11 qualified school, in a position requiring certification under
12 the law governing the certification of teachers.

13 As used in this Section, "qualified school" means a public
14 elementary or secondary school that meets all of the following
15 requirements:

16 (1) At the time of hiring a retired teacher under this
17 Section, the school is experiencing a shortage of teachers
18 in the subject shortage area for which the teacher is
19 hired.

20 (2) The school district to which the school belongs has
21 complied with the requirements of subsection (e), and the
22 regional superintendent has certified that compliance to
23 the System.

24 (3) If the school district to which the school belongs
25 provides group health benefits for its teachers generally,
26 substantially similar health benefits are made available
27 for teachers participating in the program under this
28 Section, without any limitations based on pre-existing
29 conditions.

30 (b) An annuitant receiving a retirement annuity under this
31 Article (other than a disability retirement annuity) may engage
32 in eligible employment at a qualified school without impairing

1 his or her retirement status or retirement annuity, subject to
2 the following conditions:

3 (1) the eligible employment does not begin within the
4 school year during which service was terminated;

5 (2) the annuitant has not received any early retirement
6 incentive under Section 16-133.3, 16-133.4, or 16-133.5;

7 (3) if the annuitant retired before age 60 and with
8 less than 34 years of service, the eligible employment does
9 not begin within the year following the effective date of
10 the retirement annuity;

11 (4) if the annuitant retired at age 60 or above or with
12 34 or more years of service, the eligible employment does
13 not begin within the 90 days following the effective date
14 of the retirement annuity; and

15 (5) before the eligible employment begins, the
16 employer notifies the System in writing of the annuitant's
17 desire to participate in the program established under this
18 Section.

19 (c) An annuitant engaged in eligible employment in
20 accordance with subsection (b) shall be deemed a participant in
21 the program established under this Section for so long as he or
22 she remains employed in eligible employment.

23 (d) A participant in the program established under this
24 Section continues to be a retirement annuitant, rather than an
25 active teacher, for all of the purposes of this Code, but shall
26 be deemed an active teacher for other purposes, such as
27 inclusion in a collective bargaining unit, eligibility for
28 group health benefits, and compliance with the laws governing
29 the employment, regulation, certification, treatment, and
30 conduct of teachers.

31 With respect to an annuitant's eligible employment under
32 this Section, neither employee nor employer contributions
33 shall be made to the System and no additional service credit
34 shall be earned. Eligible employment does not affect the
35 annuitant's final average salary or the amount of the
36 retirement annuity.

1 (e) Before hiring a teacher under this Section, the school
2 district to which the school belongs must do the following:

3 (1) If the school district to which the school belongs
4 has honorably dismissed, within the calendar year
5 preceding the beginning of the school term for which it
6 seeks to employ a retired teacher under the program
7 established in this Section, any teachers who are legally
8 qualified to hold positions in the subject shortage area
9 and have not yet begun to receive their retirement
10 annuities under this Article, the vacant positions must
11 first be tendered to those teachers.

12 (2) For a period of at least 90 days during the 6
13 months preceding the beginning of either the fall or spring
14 term ~~the school term~~ for which it seeks to employ a retired
15 teacher under the program established in this Section, the
16 school district must, on an ongoing basis, both (i)
17 advertise its vacancies in the subject shortage area in a
18 newspaper of general circulation in the area in which the
19 school is located and in employment bulletins published by
20 college and university placement offices located near the
21 school; and (ii) search for teachers legally qualified to
22 fill those vacancies through the Illinois Education Job
23 Bank.

24 The school district must submit documentation of its
25 compliance with this subsection to the regional
26 superintendent. Upon receiving satisfactory documentation from
27 the school district, the regional superintendent shall certify
28 the district's compliance with this subsection to the System.

29 (f) This Section applies without regard to whether the
30 annuitant was in service on or after the effective date of this
31 amendatory Act of the 93rd General Assembly.
