7 Sec. 20. Determination of exempt local governments.

8 (a) Beginning October 1, 2004, the ~~the~~ Illinois Housing
9 Development Authority shall determine which local governments
10 are exempt and not exempt from the operation of this Act based
11 on an identification of the total number of year-round housing
12 units in the most recent decennial census for each local
13 government within the State and by an inventory of for-sale and
14 rental affordable housing units, as defined in this Act, for
15 each local government from the decennial census and other
16 relevant sources.

17 (b) The Illinois Housing Development Authority shall make
18 this determination by:

19 (i) totaling the number of for-sale housing units in
20 each local government that are affordable to households
21 with a gross household income that is less than 80% of the
22 median household income within the county or primary
23 metropolitan statistical area;

24 (ii) totaling the number of rental units in each local
25 government that are affordable to households with a gross
26 household income that is less than 60% of the median
27 household income within the county or primary metropolitan
28 statistical area;

29 (iii) adding the number of for-sale and rental units
30 for each local government from items (i) and (ii); and

31 (iv) dividing the sum of (iii) above by the total
32 number of year-round housing units in the local government

1 as contained in the latest decennial census and multiplying
2 the result by 100 to determine the percentage of affordable
3 housing units within the jurisdiction of the local
4 government.

5 (c) Beginning October 1, 2004, the Illinois Housing
6 Development Authority shall publish on an annual basis a list
7 of exempt and non-exempt local governments and the data that it
8 used to calculate its determination. The data shall be shown
9 for each local government in the State and for the State as a
10 whole. Upon publishing a list of exempt and non-exempt local
11 governments, the Illinois Housing Development Authority shall
12 notify a local government that it is not exempt from the
13 operation of this Act and provide to it the data used to
14 calculate its determination.

15 (d) A local government or developer of affordable housing
16 may appeal the determination of the Illinois Housing
17 Development Authority as to whether the local government is
18 exempt or non-exempt under this Act in connection with an
