4 Section 5. The Illinois Pension Code is amended by changing
5 Section 5-167.5 as follows:

6 (40 ILCS 5/5-167.5) (from Ch. 108 1/2, par. 5-167.5)

7 Sec. 5-167.5. Payments to city for annuitant health care;
8 equality of coverage.

9 (a) For the purposes of this Section, "city annuitant"
10 means a person receiving an age and service annuity, a widow's
11 annuity, a child's annuity, or a minimum annuity under this
12 Article as a direct result of previous employment by the City
13 of Chicago ("the city").

14 (b) The board shall pay to the city, on behalf of the
15 board's city annuitants who participate in any of the city's
16 health care plans, the following amounts:

17 (1) From July 1, 2003 through June 30, 2008, \$85 per
18 month for each such annuitant who is not eligible to
19 receive Medicare benefits and \$55 per month for each such
20 annuitant who is eligible to receive Medicare benefits.

21 (2) From July 1, 2008 through June 30, 2013, \$95 per
22 month for each such annuitant who is not eligible to
23 receive Medicare benefits and \$65 per month for each such
24 annuitant who is eligible to receive Medicare benefits.

25 The payments described in this subsection shall be paid
26 from the tax levy authorized under Section 5-168; such amounts
27 shall be credited to the reserve for group hospital care and
28 group medical and surgical plan benefits, and all payments to
29 the city required under this subsection shall be charged
30 against it.

31 (c) The city health care plans referred to in this Section
32 and the board's payments to the city under this Section are not

1 and shall not be construed to be pension or retirement benefits
2 for the purposes of Section 5 of Article XIII of the Illinois
3 Constitution of 1970.

4 (d) Beginning January 1, 2006, retirees under this Article
5 who participate in the city health care plans shall pay no
6 higher premium or other cost, and shall receive no lower level
7 of benefits, than the corresponding active employee
8 participants in those plans with the same Medicare status. The
9 city, a home rule unit, may not create or maintain any
10 inequality in benefits or costs for retired and active
11 participants in the city health care plans in a manner
12 inconsistent with this subsection. This subsection is a
13 limitation on the concurrent exercise of home rule power under
14 subsection (i) of Section 6 of Article VII of the Illinois
15 Constitution.
