A BILL FOR

1 AN ACT concerning transportation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Aeronautics Act is amended by  
5 changing Section 25 as follows:

6 (620 ILCS 5/25) (from Ch. 15 1/2, par. 22.25)

7 Sec. 25. Declarations. It is hereby declared that the ~~the~~  
8 purpose of this Act is to further the public interest and  
9 aeronautical progress by providing for the protection and  
10 promotion of safety in aeronautics; by cooperating in effecting  
11 a uniformity of the laws relating to the development and  
12 regulation of aeronautics in the several states; by revising  
13 existing statutes relative to the development and regulation of  
14 aeronautics so as to grant to a state agency such powers and  
15 impose upon it such duties that the state may properly perform  
16 its functions relative to aeronautics and effectively exercise  
17 its jurisdiction over persons and property within such  
18 jurisdiction, may assist in the promotion of a State-wide  
19 system of airports, may cooperate with and assist the political  
20 subdivisions of this State and others engaged in aeronautics,  
21 and may encourage and develop aeronautics; by establishing  
22 uniform rules and regulations, consistent, so far as  
23 practicable, with Federal rules and regulations, in order that  
24 those engaged in aeronautics of every character may so engage  
25 with the least possible restriction, consistent with their  
26 safety and with the safety and the rights of others; and by  
27 providing for cooperation with the Federal authorities in the  
28 development of a national system of civil aviation and for  
29 coordination of the aeronautical activities of those  
30 authorities and the authorities of this State by assisting in  
31 accomplishing the purposes of federal legislation and  
32 eliminating costly and unnecessary duplication of functions

1 properly in the province of federal agencies.
