4 Section 5. The Agricultural Fair Act is amended by changing
5 Sections 9, 12, 13, 14, 16, 17, 18, and 20 as follows:

6 (30 ILCS 120/9) (from Ch. 85, par. 659)

7 Sec. 9. Premiums. The formulas for distributing monies from
8 the Agricultural Premium Fund to eligible county fairs shall be
9 contingent upon the following provisions:

10 (a) Of the total amount of premiums which are to be paid to
11 persons for exhibitions at its annual fair for the current year
12 for exhibits of any events related to agriculture including
13 horticulture, flora culture, poultry, livestock, light horses,
14 harness-racing and running horse races, rodeos, and domestic
15 and mechanical arts, no one department or class shall be paid
16 premiums awarded in excess of 30% of the total premiums awarded

3 Sec. 12. On or before ~~Before~~ October 15 of each year, the
4 president and secretary of each county fair claiming state aid
5 shall have postmarked to or shall file with the Department a
6 fiscal accounting of the expenditure of the grant monies
7 received under Section 10 and a sworn statement of the actual
8 amount of cash premiums paid at the fair that year. The sworn
9 statement shall state the following:

10 a) That all gambling and gambling devices which are
11 declared unlawful by laws of Illinois and the sale of alcoholic
12 liquors other than beer have been prohibited and excluded from
13 the grounds of the fair and from adjacent grounds under the
14 fair's authority, during the fair and at all other times when
15 the fair grounds or adjacent grounds are in the possession of
16 and under the immediate control and supervision of the fair
17 officials.

18 b) That all receipts from any source other than admissions
19 to the grandstand and entry fees for races, not necessary for
20 the payment of labor and advertising, have been prorated among
21 all other claims and expenses or that all other claims and
22 expenses have been paid in full.

23 The statement shall correspond with the published offer of
24 premiums, and shall be accompanied by an itemized list of all
25 premiums paid upon the basis of the premiums provided, a copy
26 of the published premium list of the fair, and a full statement
27 of receipts and expenditures for the current year that has been
28 duly verified by the president and secretary of the fair.

29 The Department may within the period not to exceed 30 days
30 after a fair has filed its claim pay 75% of the fair's
31 authorized base amount if the claim for premiums filed is equal
32 to or exceeds such fair's authorized base for that year. If the
33 claim filed is less than the fair's authorized base, the
34 Department shall only pay 75% of the amount of the claim filed.
35 Should the amount paid a fair exceed the amount authorized

1 after the final audit of such claim, then the fair shall within
2 30 days after notice by the Department pay to the Department
3 the difference between the amount received and the amount as
4 approved for such fair in the final audit as long as funds are
5 available.

7 (30 ILCS 120/13) (from Ch. 85, par. 663)

8 Sec. 13. Rehabilitation ~~State reimbursement~~. Except as
9 otherwise allowed by the Director, to qualify for disbursements
10 made by the Department from an appropriation made under the
11 provisions of this Section, the land on which the fair is held
12 must be owned by the county fair board participating in this
13 disbursement or by a State, city, village, or county government
14 body, or be held under a lease that is at least 20 years in
15 duration, the terms of which require the lessee to have
16 continuous possession of the land during every day of the lease
17 period. No county fair shall qualify for disbursements made by
18 the Department from an appropriation made under the provisions
19 of this Section unless it shall have notified the Department in
20 writing of its intent to participate prior to obligating any
21 funds for which reimbursement will be requested. Each county
22 fair shall be reimbursed annually for that part of the amount
23 expended by the fair during the year for liability and casualty
24 insurance, as provided in this Section, and the rehabilitation
25 of its grounds, including major construction projects and minor
26 maintenance and repair projects; as follows:

27 100% of the first \$5,000 or any part thereof;

28 75% of the next \$20,000 or any part thereof;

29 50% of the next \$20,000 or any part thereof.

30 The lesser of either \$20,000 ~~\$10,000~~ or 50% of the amount
31 received by a county fair pursuant to this Section may be
32 expended for liability and casualty insurance.

33 If a county fair expends more than is needed in any year
34 for approved projects to maximize State reimbursement under
35 this Section and provides itemized receipts and other evidence

1 of expenditures for that year, any excess may be carried over
2 to the succeeding year. The amount carried over shall
3 constitute a claim for reimbursement for a subsequent period
4 not to exceed 7 years as long as funds are available.

5 Before June 30 of each year, the president and secretary of
6 each county fair which has participated in this program shall
7 file with the Department a sworn statement of the amount
8 expended during the period July 1 to June 30 of the State's
9 fiscal year, accompanied by itemized receipted bills and other
10 evidence of expenditures. If the Department approves the claim,
11 the State Comptroller is authorized and directed to draw a
12 warrant payable from the Agricultural Premium Fund on the State
13 Treasurer for the amount of the rehabilitation claims.

14 If after all claims are paid, there remains any amount of
15 the appropriation for rehabilitation, the remaining amount
16 shall be distributed as a grant to the participating fairs
17 qualifying for the maximum reimbursement and shall be
18 distributed to the eligible fairs on an equal basis not to
19 exceed each eligible fair's pro rata share granted in this
20 paragraph. A sworn statement of the amount expended accompanied
21 by the itemized receipted bills as evidence of expenditure must
22 be filed with the Department by June 30 of each year.

29 the State 4-H Office of the members and that pay premium moneys
30 paying promptly in cash or an award of comparable monetary
31 value, including \$800 maximum in judges' fees, shall be
32 eligible to participate in an appropriation made for this
33 purpose by the General Assembly. As directed by the University,
34 each county's extension leader shall report to the State 4-H
35 Office the eligible number of members participating in the 4-H

1 year. The University shall then file with the Bureau of County
2 Fairs and Horse Racing an Accountability for Agricultural
3 Premiums report certifying the number of eligible 4-H members.
4 All appropriated moneys are to be fully expended as specified
5 (see Part 260 Fairs Operating Under the Agricultural Fair Act
6 Sec. 260.305). If moneys are not fully expended, they shall be
7 returned to the Illinois Department of Agriculture, Bureau of
8 County Fairs and Horse Racing. The provisions of this Section
9 shall not apply to more than one show or exhibition per

24 organization making the payments and the number of eligible
25 ~~members enrolled~~ for the current year. This certification shall
26 be accompanied by itemized receipts as evidence of the
27 certified amounts, and it must be filed with the Department
28 before December 31 of each year. Upon receipt of the
29 certification the Department shall reimburse the officer or
30 organization making the payments in accordance with the
31 provisions of this Section.

32 ~~If the amount appropriated by the General Assembly for the~~
33 ~~payments of the premiums is insufficient to pay in full the~~
34 ~~amount which the Extension "4-H" Groups are entitled, the sum~~
35 ~~shall be prorated among all those entitled to it.~~

36 ~~If after all approved claims are paid and there remains any~~

1 ~~amount of the appropriation, the remaining portion shall be~~
2 ~~distributed as a grant to the participating Cooperative~~
3 ~~Extension "4-H" Groups. These monies shall be granted on a~~
4 ~~prorated basis of membership. A fiscal accounting of the~~

24 are to be paid as premiums awarded to agricultural education
25 ~~vocational agricultural~~ students exhibiting livestock or
26 agricultural products at the fair or fairs in the section in
27 which the student resides. No premium shall be duplicated for
28 any particular exhibition of livestock or agricultural

12 for the purposes set forth in this Section. A fiscal accounting
13 of the expenditure of funds distributed under this paragraph
14 shall be filed with the Department by each participating fair
15 not later than one year after the date of its receipt of such
16 funds.

24 appropriation from the Fair and Exposition Fund. The Department
25 must be notified of such election by January 1 of the year of

11 eligible to participate in appropriations made from the
12 Agricultural Premium Fund but which elect instead to
13 participate in appropriations made from the Fair and Exposition

15 in the appropriation in 1999. If a county has more than one
16 county fair, such fairs shall jointly elect to participate
17 either in appropriations made from the Agricultural Premium
