**A BILL FOR**

1 AN ACT concerning education.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Illinois Educational Labor Relations Act is  
5 amended by changing Section 1 as follows:

6 (115 ILCS 5/1) (from Ch. 48, par. 1701)

7 Sec. 1. Policy. It is the ~~the~~ public policy of this State  
8 and the purpose of this Act to promote orderly and constructive  
9 relationships between all educational employees and their  
10 employers. Unresolved disputes between the educational  
11 employees and their employers are injurious to the public, and  
12 the General Assembly is therefore aware that adequate means  
13 must be established for minimizing them and providing for their  
14 resolution. It is the purpose of this Act to regulate labor  
15 relations between educational employers and educational  
16 employees, including the designation of educational employee  
17 representatives, negotiation of wages, hours and other  
18 conditions of employment and resolution of disputes arising  
19 under collective bargaining agreements. The General Assembly  
20 recognizes that substantial differences exist between  
21 educational employees and other public employees as a result of  
22 the uniqueness of the educational work calendar and educational  
23 work duties and the traditional and historical patterns of  
24 collective bargaining between educational employers and  
25 educational employees and that such differences demand  
26 statutory regulation of collective bargaining between  
27 educational employers and educational employees in a manner  
28 that recognizes these differences. Recognizing that harmonious  
29 relationships are required between educational employees and  
30 their employers, the General Assembly has determined that the  
31 overall policy may best be accomplished by (a) granting to  
32 educational employees the right to organize and choose freely

1 their representatives; (b) requiring educational employers to  
2 negotiate and bargain with employee organizations representing  
3 educational employees and to enter into written agreements  
4 evidencing the result of such bargaining; and (c) establishing  
5 procedures to provide for the protection of the rights of the  
6 educational employee, the educational employer and the public.
