4 Section 5. The Illinois Public Aid Code is amended by
5 changing Section 3-1 as follows:

6 (305 ILCS 5/3-1) (from Ch. 23, par. 3-1)

7 Sec. 3-1. Eligibility Requirements. Financial aid in
8 meeting basic maintenance requirements for a livelihood
9 compatible with health and well-being shall be given under this
10 Article to or in behalf of aged, blind, or disabled persons who
11 meet the eligibility conditions of Sections 3-1.1 through
12 3-1.7. Financial aid under this Article shall be available only
13 for persons who are receiving Supplemental Security Income
14 (SSI) or who have been found ineligible for SSI ~~(i)~~ on the
15 basis of income or ~~(ii)~~ due to expiration of the period of
16 eligibility for refugees and asylees pursuant to 8 U.S.C.
17 1612(a)(2). ~~Financial aid based on item (ii) of this paragraph~~
18 ~~shall be available until July 1, 2006.~~

19 "Aged person" means a person who has attained age 65, as
20 demonstrated by such evidence of age as the Illinois Department
21 may by rule prescribe.

22 "Blind person" means a person who has no vision or whose
23 vision with corrective glasses is so defective as to prevent
24 the performance of ordinary duties or tasks for which eyesight
25 is essential. The Illinois Department shall define blindness in
26 terms of ophthalmic measurements or ocular conditions. For
27 purposes of this Act, an Illinois Disabled Person
28 Identification Card issued pursuant to The Illinois
29 Identification Card Act, indicating that the person thereon
30 named has a Type 3 disability shall be evidence that such
31 person is a blind person within the meaning of this Section;
32 however, such a card shall not qualify such person for aid as a

1 blind person under this Act, and eligibility for aid as a blind
2 person shall be determined as provided in this Act.

3 "Disabled person" means a person age 18 or over who has a
4 physical or mental impairment, disease, or loss which is of a
5 permanent nature and which substantially impairs his ability to
6 perform labor or services or to engage in useful occupations
7 for which he is qualified, as determined by rule and regulation
8 of the Illinois Department. For purposes of this Act, an
9 Illinois Disabled Person Identification Card issued pursuant
10 to The Illinois Identification Card Act, indicating that the
11 person thereon named has a Type 1 or 2, Class 2 disability
12 shall be evidence that such person is a disabled person under
13 this Section; however, such a card shall not qualify such
14 person for aid as a disabled person under this Act, and
15 eligibility for aid as a disabled person shall be determined as
16 provided in this Act. If federal law or regulation permit or
17 require the inclusion of blind or disabled persons whose
18 blindness or disability is not of the degree specified in the
19 foregoing definitions, or permit or require the inclusion of
20 disabled persons under age 18 or aged persons under age 65, the
21 Illinois Department, upon written approval of the Governor, may
22 provide by rule that all aged, blind or disabled persons toward
23 whose aid federal funds are available be eligible for
24 assistance under this Article as is given to those who meet the
25 foregoing definitions of blind person and disabled person or
26 aged person.

27 In enacting this amendatory Act of the 94th General
28 Assembly, the General Assembly specifically intends that
29 financial aid under this Article for persons who have been
30 found ineligible for SSI due to expiration of the period of
31 eligibility for refugees and asylees pursuant to 8 U.S.C.
32 1612(a)(2) shall not be available only until July 1, 2006 but
33 shall remain available on and after July 1, 2006 until the
34 General Assembly expressly provides otherwise.
