1 AMENDMENT TO SENATE BILL 118

2 AMENDMENT NO. _____. Amend Senate Bill 118 on page 3, by
3 replacing lines 4 through 15 with the following:

4 "For State fiscal year 2007 and thereafter, the item
5 "personal services", and any related or similar item, when used
6 in an appropriation Act with respect to persons who begin State
7 employment on or after July 1, 2006, includes only personal
8 services rendered by a resident of Illinois. This residency
9 requirements does not apply to back wage claims, retirement or
10 disability payments, or any payments for personal services
11 other than work performed by active employees. This requirement
12 may be waived, in writing, by the Director of Central
13 Management Services only if out-of-state residence is required
14 to perform the personal services or in the case of extreme
15 undue hardship. The Comptroller must adopt rules to implement
16 and administer this residency requirement. This residency
17 requirement shall be liberally construed to ensure that on and
18 after July 1, 2006 only persons who are Illinois residents may
19 thereafter become employees for compensation by the State
20 unless a waiver has been granted."
