

94TH GENERAL ASSEMBLY

State of Illinois

2005 and 2006

SB0163

Introduced 2/2/2005, by Sen. Kimberly A. Lightford

SYNOPSIS AS INTRODUCED:

105 ILCS 5/2-3.25g
105 ILCS 5/27-6

from Ch. 122, par. 2-3.25g
from Ch. 122, par. 27-6

Amends the School Code. In provisions concerning the waiver or modification of mandates within the School Code and rules, provides that the Spring mandate waiver report that the State Board of Education files with the General Assembly shall be filed before each March 1 (instead of May 1) and gives the General Assembly 60 days (instead of 30 days) to disapprove the report in whole or in part. Provides that requests for waivers from or modifications to physical education mandates must be contained in a separate report of the State Board. Instead of allowing the General Assembly to disapprove a waiver from or modification to a physical education mandate, provides that the General Assembly must approve the report containing waivers from and modifications to physical education mandates in whole or in part within 60 calendar days after each house of the General Assembly next convenes after the report is filed by adoption of a resolution by a record vote of the majority of members elected in each house, otherwise the waiver shall be deemed disapproved. Makes an exception to the daily physical education requirement for pupils in schools engaged in block scheduling. Effective July 1, 2006.

4 Section 5. The School Code is amended by changing Sections
5 2-3.25g and 27-6 as follows:

6 (105 ILCS 5/2-3.25g) (from Ch. 122, par. 2-3.25g)

7 Sec. 2-3.25g. Waiver or modification of mandates within the
8 School Code and administrative rules and regulations.

9 (a) In this Section:

10 "Board" means a school board or the governing board or
11 administrative district, as the case may be, for a joint
12 agreement.

13 "Eligible applicant" means a school district, joint
14 agreement made up of school districts, or regional
15 superintendent of schools on behalf of schools and programs
16 operated by the regional office of education.

17 "State Board" means the State Board of Education.

18 (b) Notwithstanding any other provisions of this School
19 Code or any other law of this State to the contrary, eligible
20 applicants may petition the State Board of Education for the
21 waiver or modification of the mandates of this School Code or
22 of the administrative rules and regulations promulgated by the
23 State Board of Education. Waivers or modifications of
24 administrative rules and regulations and modifications of
25 mandates of this School Code may be requested when an eligible
26 applicant demonstrates that it can address the intent of the
27 rule or mandate in a more effective, efficient, or economical
28 manner or when necessary to stimulate innovation or improve
29 student performance. Waivers of mandates of the School Code may
30 be requested when the waivers are necessary to stimulate
31 innovation or improve student performance. Waivers may not be
32 requested from laws, rules, and regulations pertaining to

1 special education, teacher certification, or teacher tenure
2 and seniority or from compliance with the No Child Left Behind
3 Act of 2001 (Public Law 107-110).

4 (c) Eligible applicants, as a matter of inherent managerial
5 policy, and any Independent Authority established under
6 Section 2-3.25f may submit an application for a waiver or
7 modification authorized under this Section. Each application
8 must include a written request by the eligible applicant or
9 Independent Authority and must demonstrate that the intent of
10 the mandate can be addressed in a more effective, efficient, or
11 economical manner or be based upon a specific plan for improved
12 student performance and school improvement. Any eligible
13 applicant requesting a waiver or modification for the reason
14 that intent of the mandate can be addressed in a more
15 economical manner shall include in the application a fiscal
16 analysis showing current expenditures on the mandate and
17 projected savings resulting from the waiver or modification.
18 Applications and plans developed by eligible applicants must be
19 approved by the board or regional superintendent of schools
20 applying on behalf of schools or programs operated by the
21 regional office of education following a public hearing on the
22 application and plan and the opportunity for the board or
23 regional superintendent to hear testimony from educators
24 directly involved in its implementation, parents, and
25 students. If the applicant is a school district or joint
26 agreement, the public hearing shall be held on a day other than
27 the day on which a regular meeting of the board is held. If the
28 applicant is a school district, the public hearing must be
29 preceded by at least one published notice occurring at least 7
30 days prior to the hearing in a newspaper of general circulation
31 within the school district that sets forth the time, date,
32 place, and general subject matter of the hearing. If the
33 applicant is a joint agreement or regional superintendent, the
34 public hearing must be preceded by at least one published
35 notice (setting forth the time, date, place, and general
36 subject matter of the hearing) occurring at least 7 days prior

1 to the hearing in a newspaper of general circulation in each
2 school district that is a member of the joint agreement or that
3 is served by the educational service region, provided that a
4 notice appearing in a newspaper generally circulated in more
5 than one school district shall be deemed to fulfill this
6 requirement with respect to all of the affected districts. The
7 eligible applicant must notify in writing the affected
8 exclusive collective bargaining agent and those State
9 legislators representing the eligible applicant's territory of
10 its intent to seek approval of a waiver or modification and of
11 the hearing to be held to take testimony from educators. The
12 affected exclusive collective bargaining agents shall be
13 notified of such public hearing at least 7 days prior to the
14 date of the hearing and shall be allowed to attend such public
15 hearing. The eligible applicant shall attest to compliance with
16 all of the notification and procedural requirements set forth
17 in this Section.

18 (d) A request for a waiver or modification of
19 administrative rules and regulations or for a modification of
20 mandates contained in this School Code shall be submitted to
21 the State Board of Education within 15 days after approval by
22 the board or regional superintendent of schools. The
23 application as submitted to the State Board of Education shall
24 include a description of the public hearing. Following receipt
25 of the request, the State Board shall have 45 days to review
26 the application and request. If the State Board fails to
27 disapprove the application within that 45 day period, the
28 waiver or modification shall be deemed granted. The State Board
29 may disapprove any request if it is not based upon sound
30 educational practices, endangers the health or safety of
31 students or staff, compromises equal opportunities for
32 learning, or fails to demonstrate that the intent of the rule
33 or mandate can be addressed in a more effective, efficient, or
34 economical manner or have improved student performance as a
35 primary goal. Any request disapproved by the State Board may be
36 appealed to the General Assembly by the eligible applicant as

1 outlined in this Section.

2 A request for a waiver from mandates contained in this
3 School Code shall be submitted to the State Board within 15
4 days after approval by the board or regional superintendent of
5 schools. The application as submitted to the State Board of
6 Education shall include a description of the public hearing.
7 The description shall include, but need not be limited to, the
8 means of notice, the number of people in attendance, the number
9 of people who spoke as proponents or opponents of the waiver, a
10 brief description of their comments, and whether there were any
11 written statements submitted. The State Board shall review the
12 applications and requests for completeness and shall compile
13 the requests in reports to be filed with the General Assembly.
14 Requests for waivers from or modifications to physical
15 education mandates must be contained in a separate report. The
16 State Board shall file reports outlining the waivers requested
17 by eligible applicants and appeals by eligible applicants of
18 requests disapproved by the State Board with the Senate and the
19 House of Representatives before each ~~March~~ ~~May~~ 1 and October 1.
20 The General Assembly may disapprove a ~~the~~ report of the State
21 Board, other than a report containing waivers from and
22 modifications to physical education mandates, in whole or in
23 part within 60 ~~30~~ calendar days after each house of the General
24 Assembly next convenes after the report is filed by adoption of
25 a resolution by a record vote of the majority of members
26 elected in each house. Except for waivers from or modifications
27 to physical education mandates, if ~~if~~ the General Assembly
28 fails to disapprove any waiver request or appealed request
29 within such 60-day period ~~30-day~~ period, the waiver or
30 modification shall be deemed granted. Any resolution, other
31 than a resolution concerning waivers from and modifications to
32 physical education mandates, adopted by the General Assembly
33 disapproving a report of the State Board in whole or in part
34 shall be binding on the State Board. For a report of the State
35 Board containing waivers from and modifications to physical
36 education mandates, the General Assembly must approve the

1 report in whole or in part within 60 calendar days after each
2 house of the General Assembly next convenes after the report is
3 filed by adoption of a resolution by a record vote of the
4 majority of members elected in each house. With respect to
5 waivers from or modifications to physical education mandates,
6 if the General Assembly fails to approve a request or appealed
7 request within the 60-day period, the waiver or modification
8 shall be deemed disapproved, which shall be binding on the
9 State Board.

10 (e) An approved waiver or modification may remain in effect
11 for a period not to exceed 5 school years and may be renewed
12 upon application by the eligible applicant. However, such
13 waiver or modification may be changed within that 5-year period
14 by a board or regional superintendent of schools applying on
15 behalf of schools or programs operated by the regional office
16 of education following the procedure as set forth in this
17 Section for the initial waiver or modification request. Except
18 for waivers from or modifications to physical education
19 mandates, if ~~if~~ neither the State Board of Education nor the
20 General Assembly disapproves, the change is deemed granted.

21 (f) On or before February 1, 1998, and each year
22 thereafter, the State Board of Education shall submit a
23 cumulative report summarizing all types of waivers of mandates
24 and modifications of mandates granted by the State Board or the
25 General Assembly. The report shall identify the topic of the
26 waiver along with the number and percentage of eligible
27 applicants for which the waiver has been granted. The report
28 shall also include any recommendations from the State Board
29 regarding the repeal or modification of waived mandates.

29 required for admission to an institution of higher learning,
30 provided that failure to take such classes will result in the
31 pupil being denied admission to the institution of his or her
32 choice; or (3) to enroll in academic classes which are required
33 for graduation from high school, provided that failure to take
34 such classes will result in the pupil being unable to graduate.

36 enrolled in a marching band program for credit from engaging in

1 physical education courses if those pupils request to be
2 excused for ongoing participation in such marching band

4 through 12 enrolled in a Reserve Officer's Training Corps
5 (ROTC) program sponsored by the school district from engaging
6 in physical education courses. School boards which choose to
7 exercise this authority shall establish a policy to excuse
