

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The Comprehensive Health Insurance Plan Act is  
5 amended by changing Sections 7 and 8 as follows:

6 (215 ILCS 105/7) (from Ch. 73, par. 1307)

7 Sec. 7. Eligibility.

8 a. Except as provided in subsection (e) of this Section or  
9 in Section 15 of this Act, any person who is either a citizen  
10 of the United States or an alien lawfully admitted for  
11 permanent residence and who has been for a period of at least  
12 180 days and continues to be a resident of this State shall be  
13 eligible for Plan coverage under this Section if evidence is  
14 provided of:

15 (1) A notice of rejection or refusal to issue  
16 substantially similar individual health insurance coverage  
17 for health reasons by a health insurance issuer; or

18 (2) A refusal by a health insurance issuer to issue  
19 individual health insurance coverage except at a rate  
20 exceeding the applicable Plan rate for which the person is  
21 responsible.

22 A rejection or refusal by a group health plan or health  
23 insurance issuer offering only stop-loss or excess of loss  
24 insurance or contracts, agreements, or other arrangements for  
25 reinsurance coverage with respect to the applicant shall not be  
26 sufficient evidence under this subsection.

27 b. The board shall promulgate a list of medical or health  
28 conditions for which a person who is either a citizen of the  
29 United States or an alien lawfully admitted for permanent  
30 residence and a resident of this State would be eligible for  
31 Plan coverage without applying for health insurance coverage  
32 pursuant to subsection a. of this Section. Persons who can

1 demonstrate the existence or history of any medical or health  
2 conditions on the list promulgated by the board shall not be  
3 required to provide the evidence specified in subsection a. of  
4 this Section. The list shall be effective on the first day of  
5 the operation of the Plan and may be amended from time to time  
6 as appropriate.

7 c. Family members of the same household who each are  
8 covered persons are eligible for optional family coverage under  
9 the Plan.

10 d. For persons qualifying for coverage in accordance with  
11 Section 7 of this Act, the board shall, if it determines that  
12 such appropriations as are made pursuant to Section 12 of this  
13 Act are insufficient to allow the board to accept all of the  
14 eligible persons which it projects will apply for enrollment  
15 under the Plan, limit or close enrollment to ensure that the  
16 Plan is not over-subscribed and that it has sufficient  
17 resources to meet its obligations to existing enrollees. The  
18 board shall not limit or close enrollment for federally  
19 eligible individuals.

20 e. A person shall not be eligible for coverage under the  
21 Plan if:

22 (1) He or she has or obtains other coverage under a  
23 group health plan or health insurance coverage  
24 substantially similar to or better than a Plan policy as an  
25 insured or covered dependent or would be eligible to have  
26 that coverage if he or she elected to obtain it. Persons  
27 otherwise eligible for Plan coverage may, however, solely  
28 for the purpose of having coverage for a pre-existing  
29 condition, maintain other coverage only while satisfying  
30 any pre-existing condition waiting period under a Plan  
31 policy or a subsequent replacement policy of a Plan policy.

32 (1.1) His or her prior coverage under a group health  
33 plan or health insurance coverage, provided or arranged by  
34 an employer of more than 10 employees was discontinued for  
35 any reason without the entire group or plan being  
36 discontinued and not replaced, provided he or she remains

1 an employee, or dependent thereof, of the same employer.

2 (2) He or she is a recipient of or is approved to  
3 receive medical assistance, except that a person may  
4 continue to receive medical assistance through the medical  
5 assistance no grant program, but only while satisfying the  
6 requirements for a preexisting condition under Section 8,  
7 subsection f. of this Act. Payment of premiums pursuant to  
8 this Act shall be allocable to the person's spenddown for  
9 purposes of the medical assistance no grant program, but  
10 that person shall not be eligible for any Plan benefits  
11 while that person remains eligible for medical assistance.  
12 If the person continues to receive or be approved to  
13 receive medical assistance through the medical assistance  
14 no grant program at or after the time that requirements for  
15 a preexisting condition are satisfied, the person shall not  
16 be eligible for coverage under the Plan. In that  
17 circumstance, coverage under the plan shall terminate as of  
18 the expiration of the preexisting condition limitation  
19 period. Under all other circumstances, coverage under the  
20 Plan shall automatically terminate as of the effective date  
21 of any medical assistance.

22 (3) Except as provided in Section 15, the person has  
23 previously participated in the Plan and voluntarily  
24 terminated Plan coverage, unless 12 months have elapsed  
25 since the person's latest voluntary termination of  
26 coverage.

27 (4) The person fails to pay the required premium under  
28 the covered person's terms of enrollment and  
29 participation, in which event the liability of the Plan  
30 shall be limited to benefits incurred under the Plan for  
31 the time period for which premiums had been paid and the  
32 covered person remained eligible for Plan coverage.

33 (5) The Plan has paid a total of \$1,500,000 ~~\$1,000,000~~  
34 in benefits on behalf of the covered person.

35 (6) The person is a resident of a public institution.

36 (7) The person's premium is paid for or reimbursed

1 under any government sponsored program or by any government  
2 agency or health care provider, except as an otherwise  
3 qualifying full-time employee, or dependent of such  
4 employee, of a government agency or health care provider  
5 or, except when a person's premium is paid by the U.S.  
6 Treasury Department pursuant to the federal Trade Act of  
7 2002.

8 (8) The person has or later receives other benefits or  
9 funds from any settlement, judgement, or award resulting  
10 from any accident or injury, regardless of the date of the  
11 accident or injury, or any other circumstances creating a  
12 legal liability for damages due that person by a third  
13 party, whether the settlement, judgment, or award is in the  
14 form of a contract, agreement, or trust on behalf of a  
15 minor or otherwise and whether the settlement, judgment, or  
16 award is payable to the person, his or her dependent,  
17 estate, personal representative, or guardian in a lump sum  
18 or over time, so long as there continues to be benefits or  
19 assets remaining from those sources in an amount in excess  
20 of \$300,000.

21 (9) Within the 5 years prior to the date a person's  
22 Plan application is received by the Board, the person's  
23 coverage under any health care benefit program as defined  
24 in 18 U.S.C. 24, including any public or private plan or  
25 contract under which any medical benefit, item, or service  
26 is provided, was terminated as a result of any act or  
27 practice that constitutes fraud under State or federal law  
28 or as a result of an intentional misrepresentation of  
29 material fact; or if that person knowingly and willfully  
30 obtained or attempted to obtain, or fraudulently aided or  
31 attempted to aid any other person in obtaining, any  
32 coverage or benefits under the Plan to which that person  
33 was not entitled.

34 f. The board or the administrator shall require  
35 verification of residency and may require any additional  
36 information or documentation, or statements under oath, when

1 necessary to determine residency upon initial application and  
2 for the entire term of the policy.

3 g. Coverage shall cease (i) on the date a person is no  
4 longer a resident of Illinois, (ii) on the date a person  
5 requests coverage to end, (iii) upon the death of the covered  
6 person, (iv) on the date State law requires cancellation of the  
7 policy, or (v) at the Plan's option, 30 days after the Plan  
8 makes any inquiry concerning a person's eligibility or place of  
9 residence to which the person does not reply.

10 h. Except under the conditions set forth in subsection g of  
11 this Section, the coverage of any person who ceases to meet the  
12 eligibility requirements of this Section shall be terminated at  
13 the end of the current policy period for which the necessary  
14 premiums have been paid.

20 renewable policy major medical expense coverage to every  
21 eligible person who is not eligible for Medicare. Major medical  
22 expense coverage offered by the Plan shall pay an eligible  
23 person's covered expenses, subject to limit on the deductible  
24 and coinsurance payments authorized under paragraph (4) of  
25 subsection d of this Section, up to a lifetime benefit limit of  
26 \$1,500,000 ~~\$1,000,000~~ per covered individual. The maximum  
27 limit under this subsection shall not be altered by the Board,  
28 and no actuarial equivalent benefit may be substituted by the  
29 Board. Any person who otherwise would qualify for coverage  
30 under the Plan, but is excluded because he or she is eligible  
31 for Medicare, shall be eligible for any separate Medicare  
32 supplement policy or policies which the Board may offer.

33 b. Outline of benefits. Covered expenses shall be limited  
34 to the usual and customary charge, including negotiated fees,  
35 in the locality for the following services and articles when

10 covered expenses incurred during any calendar year ending  
11 on or after December 31, 1999, inpatient hospitalization of

21 This includes reconstruction of the breast on which a  
22 mastectomy was performed; surgery and reconstruction of

2 appropriate national medical speciality college for  
3 general use within the medical community.

4 d. Deductibles and coinsurance.

5 The Plan coverage defined in Section 6 shall provide for a  
6 choice of deductibles per individual as authorized by the  
7 Board. If 2 individual members of the same family household,  
8 who are both covered persons under the Plan, satisfy the same  
9 applicable deductibles, no other member of that family who is  
10 also a covered person under the Plan shall be required to meet  
11 any deductibles for the balance of that calendar year. The  
12 deductibles must be applied first to the authorized amount of  
13 covered expenses incurred by the covered person. A mandatory  
14 coinsurance requirement shall be imposed at the rate authorized  
15 by the Board in excess of the mandatory deductible, the  
16 coinsurance in the aggregate not to exceed such amounts as are  
17 authorized by the Board per annum. At its discretion the Board  
18 may, however, offer catastrophic coverages or other policies  
19 that provide for larger deductibles with or without coinsurance  
20 requirements. The deductibles and coinsurance factors may be  
21 adjusted annually according to the Medical Component of the  
22 Consumer Price Index.

23 e. Scope of coverage.

24 (1) In approving any of the benefit plans to be offered  
25 by the Plan, the Board shall establish such benefit levels,  
26 deductibles, coinsurance factors, exclusions, and  
27 limitations as it may deem appropriate and that it believes  
28 to be generally reflective of and commensurate with health  
29 insurance coverage that is provided in the individual  
30 market in this State.

31 (2) The benefit plans approved by the Board may also  
32 provide for and employ various cost containment measures  
33 and other requirements including, but not limited to,  
34 preadmission certification, prior approval, second  
35 surgical opinions, concurrent utilization review programs,  
36 individual case management, preferred provider

1 organizations, health maintenance organizations, and other  
2 cost effective arrangements for paying for covered  
3 expenses.

4 f. Preexisting conditions.

5 (1) Except for federally eligible individuals  
6 qualifying for Plan coverage under Section 15 of this Act  
7 or eligible persons who qualify for the waiver authorized  
8 in paragraph (3) of this subsection, plan coverage shall  
9 exclude charges or expenses incurred during the first 6  
10 months following the effective date of coverage as to any  
11 condition for which medical advice, care or treatment was  
12 recommended or received during the 6 month period  
13 immediately preceding the effective date of coverage.

14 (2) (Blank).

15 (3) Waiver: The preexisting condition exclusions as  
16 set forth in paragraph (1) of this subsection shall be  
17 waived to the extent to which the eligible person (a) has  
18 satisfied similar exclusions under any prior individual  
19 health insurance policy that was involuntarily terminated  
20 because of the insolvency of the issuer of the policy and  
21 (b) has applied for Plan coverage within 90 days following  
22 the involuntary termination of that individual health  
23 insurance coverage.

24 g. Other sources primary; nonduplication of benefits.

25 (1) The Plan shall be the last payor of benefits  
26 whenever any other benefit or source of third party payment  
27 is available. Subject to the provisions of subsection e of  
28 Section 7, benefits otherwise payable under Plan coverage  
29 shall be reduced by all amounts paid or payable by Medicare  
30 or any other government program or through any health  
31 insurance coverage or group health plan, whether by  
32 insurance, reimbursement, or otherwise, or through any  
33 third party liability, settlement, judgment, or award,  
34 regardless of the date of the settlement, judgment, or  
35 award, whether the settlement, judgment, or award is in the  
36 form of a contract, agreement, or trust on behalf of a

1 minor or otherwise and whether the settlement, judgment, or  
2 award is payable to the covered person, his or her  
3 dependent, estate, personal representative, or guardian in  
4 a lump sum or over time, and by all hospital or medical  
5 expense benefits paid or payable under any worker's  
6 compensation coverage, automobile medical payment, or  
7 liability insurance, whether provided on the basis of fault  
8 or nonfault, and by any hospital or medical benefits paid  
9 or payable under or provided pursuant to any State or  
10 federal law or program.

11 (2) The Plan shall have a cause of action against any  
12 covered person or any other person or entity for the  
13 recovery of any amount paid to the extent the amount was  
14 for treatment, services, or supplies not covered in this  
15 Section or in excess of benefits as set forth in this  
16 Section.

17 (3) Whenever benefits are due from the Plan because of  
18 sickness or an injury to a covered person resulting from a  
19 third party's wrongful act or negligence and the covered  
20 person has recovered or may recover damages from a third  
21 party or its insurer, the Plan shall have the right to  
22 reduce benefits or to refuse to pay benefits that otherwise  
23 may be payable by the amount of damages that the covered  
24 person has recovered or may recover regardless of the date  
25 of the sickness or injury or the date of any settlement,  
26 judgment, or award resulting from that sickness or injury.

27 During the pendency of any action or claim that is  
28 brought by or on behalf of a covered person against a third  
29 party or its insurer, any benefits that would otherwise be  
30 payable except for the provisions of this paragraph (3)  
31 shall be paid if payment by or for the third party has not  
32 yet been made and the covered person or, if incapable, that  
33 person's legal representative agrees in writing to pay back  
34 promptly the benefits paid as a result of the sickness or  
35 injury to the extent of any future payments made by or for  
36 the third party for the sickness or injury. This agreement

1 is to apply whether or not liability for the payments is  
2 established or admitted by the third party or whether those  
3 payments are itemized.

4 Any amounts due the plan to repay benefits may be  
5 deducted from other benefits payable by the Plan after  
6 payments by or for the third party are made.

7 (4) Benefits due from the Plan may be reduced or  
8 refused as an offset against any amount otherwise  
9 recoverable under this Section.

10 h. Right of subrogation; recoveries.

11 (1) Whenever the Plan has paid benefits because of  
12 sickness or an injury to any covered person resulting from  
13 a third party's wrongful act or negligence, or for which an  
14 insurer is liable in accordance with the provisions of any  
15 policy of insurance, and the covered person has recovered  
16 or may recover damages from a third party that is liable  
17 for the damages, the Plan shall have the right to recover  
18 the benefits it paid from any amounts that the covered  
19 person has received or may receive regardless of the date  
20 of the sickness or injury or the date of any settlement,  
21 judgment, or award resulting from that sickness or injury.  
22 The Plan shall be subrogated to any right of recovery the  
23 covered person may have under the terms of any private or  
24 public health care coverage or liability coverage,  
25 including coverage under the Workers' Compensation Act or  
26 the Workers' Occupational Diseases Act, without the  
27 necessity of assignment of claim or other authorization to  
28 secure the right of recovery. To enforce its subrogation  
29 right, the Plan may (i) intervene or join in an action or  
30 proceeding brought by the covered person or his personal  
31 representative, including his guardian, conservator,  
32 estate, dependents, or survivors, against any third party  
33 or the third party's insurer that may be liable or (ii)  
34 institute and prosecute legal proceedings against any  
35 third party or the third party's insurer that may be liable  
36 for the sickness or injury in an appropriate court either

1 in the name of the Plan or in the name of the covered  
2 person or his personal representative, including his  
3 guardian, conservator, estate, dependents, or survivors.

4 (2) If any action or claim is brought by or on behalf  
5 of a covered person against a third party or the third  
6 party's insurer, the covered person or his personal  
7 representative, including his guardian, conservator,  
8 estate, dependents, or survivors, shall notify the Plan by  
9 personal service or registered mail of the action or claim  
10 and of the name of the court in which the action or claim  
11 is brought, filing proof thereof in the action or claim.  
12 The Plan may, at any time thereafter, join in the action or  
13 claim upon its motion so that all orders of court after  
14 hearing and judgment shall be made for its protection. No  
15 release or settlement of a claim for damages and no  
16 satisfaction of judgment in the action shall be valid  
17 without the written consent of the Plan to the extent of  
18 its interest in the settlement or judgment and of the  
19 covered person or his personal representative.

20 (3) In the event that the covered person or his  
21 personal representative fails to institute a proceeding  
22 against any appropriate third party before the fifth month  
23 before the action would be barred, the Plan may, in its own  
24 name or in the name of the covered person or personal  
25 representative, commence a proceeding against any  
26 appropriate third party for the recovery of damages on  
27 account of any sickness, injury, or death to the covered  
28 person. The covered person shall cooperate in doing what is  
29 reasonably necessary to assist the Plan in any recovery and  
30 shall not take any action that would prejudice the Plan's  
31 right to recovery. The Plan shall pay to the covered person  
32 or his personal representative all sums collected from any  
33 third party by judgment or otherwise in excess of amounts  
34 paid in benefits under the Plan and amounts paid or to be  
35 paid as costs, attorneys fees, and reasonable expenses  
36 incurred by the Plan in making the collection or enforcing

1 the judgment.

2 (4) In the event that a covered person or his personal  
3 representative, including his guardian, conservator,  
4 estate, dependents, or survivors, recovers damages from a  
5 third party for sickness or injury caused to the covered  
6 person, the covered person or the personal representative  
7 shall pay to the Plan from the damages recovered the amount  
8 of benefits paid or to be paid on behalf of the covered  
9 person.

10 (5) When the action or claim is brought by the covered  
11 person alone and the covered person incurs a personal  
12 liability to pay attorney's fees and costs of litigation,  
13 the Plan's claim for reimbursement of the benefits provided  
14 to the covered person shall be the full amount of benefits  
15 paid to or on behalf of the covered person under this Act  
16 less a pro rata share that represents the Plan's reasonable  
17 share of attorney's fees paid by the covered person and  
18 that portion of the cost of litigation expenses determined  
19 by multiplying by the ratio of the full amount of the  
20 expenditures to the full amount of the judgement, award, or  
21 settlement.

22 (6) In the event of judgment or award in a suit or  
23 claim against a third party or insurer, the court shall  
24 first order paid from any judgement or award the reasonable  
25 litigation expenses incurred in preparation and  
26 prosecution of the action or claim, together with  
27 reasonable attorney's fees. After payment of those  
28 expenses and attorney's fees, the court shall apply out of  
29 the balance of the judgment or award an amount sufficient  
30 to reimburse the Plan the full amount of benefits paid on  
31 behalf of the covered person under this Act, provided the  
32 court may reduce and apportion the Plan's portion of the  
33 judgement proportionate to the recovery of the covered  
34 person. The burden of producing evidence sufficient to  
35 support the exercise by the court of its discretion to  
36 reduce the amount of a proven charge sought to be enforced

1 against the recovery shall rest with the party seeking the  
2 reduction. The court may consider the nature and extent of  
3 the injury, economic and non-economic loss, settlement  
4 offers, comparative negligence as it applies to the case at  
5 hand, hospital costs, physician costs, and all other  
6 appropriate costs. The Plan shall pay its pro rata share of  
7 the attorney fees based on the Plan's recovery as it  
8 compares to the total judgment. Any reimbursement rights of  
9 the Plan shall take priority over all other liens and  
10 charges existing under the laws of this State with the  
11 exception of any attorney liens filed under the Attorneys  
12 Lien Act.

13 (7) The Plan may compromise or settle and release any  
14 claim for benefits provided under this Act or waive any  
15 claims for benefits, in whole or in part, for the  
16 convenience of the Plan or if the Plan determines that  
17 collection would result in undue hardship upon the covered  
18 person.
