(a) An applicant for a wholesale distributor license or an applicant for the renewal of an existing wholesale distributor license must submit a surety bond of $100,000 or evidence of other equivalent means of security acceptable to the Department, such as insurance, an irrevocable letter of credit, or funds deposited in a trust account or financial institution. A separate surety bond or other equivalent means of security is not required for each company's separate locations or for affiliated companies or groups when these separate locations or

affiliated companies or groups are required to apply for or renew their wholesale distributor license with the Department.

(b) The purpose of the bond or other equivalent means of security is to secure payment of any administrative penalties imposed by the Department and any fees or costs incurred by the Department regarding that license, when those penalties, fees, or costs are authorized under State law and the licensee fails to pay within 30 days after the penalty, fee, or cost becomes final.

(c) The Department may make a claim against the surety bond or other equivalent means of security until one year after the wholesale distributor's license ceases to be valid or until 60 days after any administrative or legal proceeding as authorized by law that involves the licensee is concluded, including any appeal, whichever occurs later. The surety bond or other equivalent means of security must remain in place or in effect for at least one year after the wholesale distributor's license ceases to be valid or 60 days after any administrative or legal proceeding authorized in this Act against the licensee is concluded, including any appeal, whichever occurs later.

(d) The surety bond requirement may be waived, at the discretion of the Department, if the wholesale distributor previously has obtained a comparable surety bond or other equivalent means of security for the purpose of licensure in another state where the wholesale distributor possesses a valid license in good standing.

(e) The Department may accept a surety bond of $25,000 if the annual gross receipts of the previous tax year for the wholesale distributor is $10,000,000 or less.
