#### SB2099

AN ACT concerning a statewide advisory referendum on the
 State budget and school-funding crisis.

# Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 1. Short title. This Act may be cited as the State
Budget and School-Funding Crisis Referendum Act.

Section 5. Purpose. Illinois, as almost all other states, 7 is currently experiencing a State budget crisis as well as a 8 school-funding crisis. At the same time, however, Illinois 9 enjoys relatively modest rates of State income tax: 3% on 10 individuals, estates, and trusts and 4.8% on corporations. But 11 there is a high burden on property owners because school 12 funding relies heavily on local property taxes. Article 10 of 13 14 the Illinois Constitution provides that the State shall fund 15 education by making public schools free through the secondary level. The purpose of this Act is to seek the advice of the 16 17 voters as to whether a temporary increase in the State income 18 tax is warranted to help solve this school-funding crisis.

Section 10. State budget and school-funding crises advisory questions. The following advisory questions shall be submitted to the voters of the entire State at the 2006 general primary election:

(1) Should the General Assembly temporarily increase
the Illinois income tax from January 1, 2007 through
December 31, 2008 to help solve the current State budget
crisis and avoid drastic cuts in State support for public
education?

(2) Should this temporary increase be limited to
increasing the rate of tax for individuals, trusts, and
estates by no more than one percentage point and the rate
for corporations by no more than one and six-tenths of a

1 percentage point?

All of these 2 questions shall be placed on a single, separate ballot. The votes on each question shall be recorded as "Yes" or "No".

5 Section 15. Certification. The State Board of Elections 6 shall immediately certify the questions to be submitted to the 7 voters of the entire State under Section 10 to the respective 8 county clerks and to the board of election commissioners, if 9 any, in their respective counties.

Section 20. Conflicts. If any provision of this Act conflicts with any other law, this Act controls.

Section 90. Repeal. This Act is repealed on December 31, 2008.

Section 99. Effective date. This Act takes effect upon becoming law.
