31 (20 ILCS 3305/10) (from Ch. 127, par. 1060)

34 within the jurisdiction of and served by the Illinois Emergency

2 agency responsible for emergency management programs. A
3 township, if the township is in a county having a population of
4 more than 2,000,000, must have approval of the county
5 coordinator before establishment of a township emergency
6 services and disaster agency.

8 agency consolidation is authorized by the Illinois Emergency
9 Management Agency with the consent of the respective counties,
10 each county shall maintain an emergency services and disaster
11 agency that has jurisdiction over and serves the entire county,
12 except as otherwise provided under this Act and except that in

14 municipality with a population of over 500,000 the jurisdiction
15 of the county agency shall not extend to the municipality when
16 the municipality has established its own agency.

27 The Governor shall make these determinations on the basis of
28 the municipality's disaster vulnerability and capability of
29 response related to population size and concentration. The
30 emergency services and disaster agency of a county or township,
31 shall not have a jurisdiction within a political subdivision
32 having its own emergency services and disaster agency, but

34 of a city, village or incorporated town within their borders.
35 The Illinois Emergency Management Agency shall publish and
36 furnish a current list to the municipalities required to have

1 an emergency services and disaster agency under this
2 subsection.

29 form a clear and complete statement of the emergency
30 responsibilities of all local departments and officials and of
31 the disaster chain of command.

32 (i) Each emergency services and disaster agency shall have
33 a Coordinator who shall be appointed by the principal executive
34 officer of the political subdivision in the same manner as are
35 the heads of regular governmental departments. If the political
36 subdivision is a county and the principal executive officer

1 appoints the sheriff as the Coordinator, the sheriff may, in
2 addition to his or her regular compensation, receive
3 compensation at the same level as provided in Section 3 of "An
4 Act in relation to the regulation of motor vehicle traffic and

7 direct responsibility for the organization, administration,
8 training, and operation of the emergency services and disaster
9 agency, subject to the direction and control of that principal
10 executive officer. Each emergency services and disaster agency
11 shall coordinate and may perform emergency management
12 functions within the territorial limits of the political
13 subdivision within which it is organized as are prescribed in

18 territorial limits as may be required under mutual aid
19 agreements and compacts as are entered into under subparagraph
20 (5) of paragraph (c) of Section 6.

21 (j) In carrying out the provisions of this Act, each
22 political subdivision may enter into contracts and incur
23 obligations necessary to place it in a position effectively to
24 combat the disasters as are described in Section 4, to protect
25 the health and safety of persons, to protect property, and to
26 provide emergency assistance to victims of those disasters. If
27 a disaster occurs, each political subdivision may exercise the
28 powers vested under this Section in the light of the exigencies
29 of the disaster and, excepting mandatory constitutional
30 requirements, without regard to the procedures and formalities
31 normally prescribed by law pertaining to the performance of

19 local response capabilities and was specifically and expressly
20 approved by the Illinois Emergency Management Agency prior to
21 the search-and-rescue team response. The computation of
22 benefits payable under either of those Acts shall be based on
23 the income commensurate with comparable State employees doing
24 the same type work or income from the person's regular
25 employment, whichever is greater.

26 Volunteers who are working under the direction of an
27 emergency services and disaster agency accredited by the
28 Illinois Emergency Management Agency, pursuant to a plan
