In counties with a population over 300,000, instead of forwarding reports to the Supreme Court, reports of conviction under this Code and sentencing hearings under the Juvenile Court Act of 1987 in an electronic format or a

computer processible medium may be forwarded to the Secretary of State by the Circuit Court Clerk in a form and format required by the Secretary of State and established by written agreement between the Circuit Court Clerk and the Secretary of State. Failure to forward the reports of conviction or sentencing hearing under the Juvenile Court Act of 1987 as required by this Section shall be deemed an omission of duty and it shall be the duty of the several State's Attorneys to enforce the requirements of this Section.

- (b) Whenever a restricted driving permit is forwarded to a court, as a result of confiscation by a police officer pursuant to the authority in Section 6-113(f), it shall be the duty of the clerk, or judge, if the court has no clerk, to forward such restricted driving permit and a facsimile of the officer's citation to the Secretary of State as expeditiously as practicable.
- (c) For the purposes of this Code, a forfeiture of bail or collateral deposited to secure a defendant's appearance in court when forfeiture has not been vacated, or the failure of a defendant to appear for trial after depositing his driver's license in lieu of other bail, shall be equivalent to a conviction.
- (d) For the purpose of providing the Secretary of State with records necessary to properly monitor and assess driver performance and assist the courts in the proper disposition of

repeat traffic law offenders, the clerk of the court shall 1 2 forward to the Secretary of State, on a form prescribed by the Secretary, records of a driver's participation in a driver 3 remedial or rehabilitative program which was required, through 5 a court order or court supervision, in relation to the driver's arrest for a violation of Section 11-501 of this Code or a 6 7 similar provision of a local ordinance. The clerk of the court 8 shall also forward to the Secretary, either on paper or in an 9 electronic format or a computer processible medium as required 10 under paragraph (5) of subsection (a) of this Section, any 11 disposition of court supervision for any traffic violation, 12 excluding those offenses listed in paragraph (2) of subsection 13 (a) of this Section. These reports shall be sent within 5 days 14 after disposition, or, if the driver is referred to a driver 15 remedial or rehabilitative program, within 5 days of the 16 driver's referral to that program. These reports received by 17 the Secretary of State, including those required to be forwarded under paragraph (a) (4), shall be 18 privileged 19 information, available only (i) to the affected driver, (ii) to 20 the parent or guardian of a person under the age of 18 years holding an instruction permit or a graduated driver's license, 21 22 and (iii) (iii) for use by the courts, police officers, 23 prosecuting authorities, and the Secretary of State. In accordance with 49 C.F.R. Part 384, all reports of court 24 25 supervision, except violations related to parking, shall be

forwarded to the Secretary of State for all holders of a CDL or

- 1 any driver who commits an offense while driving a commercial
- 2 motor vehicle. These reports shall be recorded to the driver's
- 3 record as a conviction for use in the disqualification of the
- 4 driver's commercial motor vehicle privileges and shall not be
- 5 privileged information.

purposes of this Section, an Illinois law enforcement officer of this State who is investigating the person for any offense defined in Section 11-501 may travel into an adjoining state, where the person has been transported for medical care, to complete an investigation and to request that the person submit to the test or tests set forth in this Section. requirements of this Section that the person be arrested are inapplicable, but the officer shall issue the person a Uniform Traffic Ticket for an offense as defined in Section 11-501 or a similar provision of a local ordinance prior to requesting that the person submit to the test or tests. The issuance of the Uniform Traffic Ticket shall not constitute an arrest, but shall be for the purpose of notifying the person that he or she is subject to the provisions of this Section and of the officer's belief of the existence of probable cause to arrest. Upon returning to this State, the officer shall file the Uniform Traffic Ticket with the Circuit Clerk of the county where the offense was committed, and shall seek the issuance of an arrest warrant or a summons for the person.

above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test will result in the statutory summary suspension of the person's privilege to operate a motor vehicle as provided in Section 6-208.1 of this Code. The person shall also be warned by the law enforcement officer that if the person submits to the test or tests provided in paragraph (a) of this Section and the alcohol concentration in the person's blood or breath is 0.08 or greater, or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis as covered by the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, or an intoxicating compound listed in the Use of Intoxicating Compounds Act is detected in the person's blood or urine, a statutory summary suspension of the person's privilege to operate a motor vehicle, as provided in Sections 6-208.1 and 11-501.1 of this Code, will be imposed.

A person who is under the age of 21 at the time the person is requested to submit to a test as provided above shall, in addition to the warnings provided for in this Section, be further warned by the law enforcement officer requesting the test that if the person submits to the test or tests provided in paragraph (a) of this Section and the alcohol concentration in the person's blood or breath is greater than 0.00 and less than 0.08, a suspension of the person's privilege to operate a motor vehicle, as provided under Sections 6-208.2 and 11-501.8

of this Code, will be imposed. The results of this test shall be admissible in a civil or criminal action or proceeding arising from an arrest for an offense as defined in Section 11-501 of this Code or a similar provision of a local ordinance or pursuant to Section 11-501.4 in prosecutions for reckless homicide brought under the Criminal Code of 1961. These test results, however, shall be admissible only in actions or proceedings directly related to the incident upon which the test request was made.

- (d) If the person refuses testing or submits to a test that discloses an alcohol concentration of 0.08 or more, or any amount of a drug, substance, or intoxicating compound in the person's breath, blood, or urine resulting from the unlawful use or consumption of cannabis listed in the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, or an intoxicating compound listed in the Use of Intoxicating Compounds Act, the law enforcement officer shall immediately submit a sworn report to the circuit court of venue and the Secretary of State, certifying that the test or tests was or were requested under paragraph (a) and the person refused to submit to a test, or tests, or submitted to testing that disclosed an alcohol concentration of 0.08 or more.
- (e) Upon receipt of the sworn report of a law enforcement officer submitted under paragraph (d), the Secretary of State shall enter the statutory summary suspension for the periods specified in Section 6-208.1, and effective as provided in

1 paragraph (g).

If the person is a first offender as defined in Section 11-500 of this Code, and is not convicted of a violation of Section 11-501 of this Code or a similar provision of a local ordinance, then reports received by the Secretary of State under this Section shall, except during the actual time the Statutory Summary Suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities or the Secretary of State. Reports received by the Secretary of State under this Section shall also be made available to the parent or guardian of a person under the age of 18 years that holds an instruction permit or a graduated driver's license, regardless of whether the statutory summary suspension is in effect.

(f) The law enforcement officer submitting the sworn report under paragraph (d) shall serve immediate notice of the statutory summary suspension on the person and the suspension shall be effective as provided in paragraph (g). In cases where the blood alcohol concentration of 0.08 or greater or any amount of a drug, substance, or compound resulting from the unlawful use or consumption of cannabis as covered by the Cannabis Control Act, a controlled substance listed in the Illinois Controlled Substances Act, or an intoxicating compound listed in the Use of Intoxicating Compounds Act is established by a subsequent analysis of blood or urine collected at the time of arrest, the arresting officer or

arresting agency shall give notice as provided in this Section or by deposit in the United States mail of the notice in an envelope with postage prepaid and addressed to the person at his address as shown on the Uniform Traffic Ticket and the statutory summary suspension shall begin as provided in paragraph (q). The officer shall confiscate any Illinois driver's license or permit on the person at the time of arrest. If the person has a valid driver's license or permit, the officer shall issue the person a receipt, in a form prescribed by the Secretary of State, that will allow that person to drive during the periods provided for in paragraph (g). - (h) The following procedure shall apply whenever a person is arrested for any offense as defined in Section 11-501 or a similar provision of a local ordinance:

Upon receipt of the sworn report from the law enforcement officer, the Secretary of State shall confirm the statutory summary suspension by mailing a notice of the effective date of the suspension to the person and the court of venue. However, should the sworn report be defective by not containing

- 1 sufficient information or be completed in error, the

- 10 (a) A person who is less than 21 years of age and who 11 drives or is in actual physical control of a motor vehicle upon 12 the public highways of this State shall be deemed to have given consent to a chemical test or tests of blood, breath, or urine 1.3 14 for the purpose of determining the alcohol content of the 15 person's blood if arrested, as evidenced by the issuance of a 16 Uniform Traffic Ticket for any violation of the Illinois Vehicle Code or a similar provision of a local ordinance, if a 17 police officer has probable cause to believe that the driver 18 has consumed any amount of an alcoholic beverage based upon 19 20 evidence of the driver's physical condition or other first hand 21 knowledge of the police officer. The test or tests shall be 22 administered at the direction of the arresting officer. The law enforcement agency employing the officer shall designate which 23 24 of the aforesaid tests shall be administered. A urine test may be administered even after a blood or breath test or both has 25

1 been administered.

- (b) A person who is dead, unconscious, or who is otherwise in a condition rendering that person incapable of refusal, shall be deemed not to have withdrawn the consent provided by paragraph (a) of this Section and the test or tests may be administered subject to the following provisions:
  - (i) Chemical analysis of the person's blood, urine, breath, or other bodily substance, to be considered valid under the provisions of this Section, shall have been performed according to standards promulgated by the Department of State Police by an individual possessing a valid permit issued by that Department for this purpose. The Director of State Police is authorized to approve satisfactory techniques or methods, to ascertain the qualifications and competence of individuals to conduct analyses, to issue permits that shall be subject to termination or revocation at the direction of that Department, and to certify the accuracy of breath testing equipment. The Department of State Police shall prescribe regulations as necessary.
  - (ii) When a person submits to a blood test at the request of a law enforcement officer under the provisions of this Section, only a physician authorized to practice medicine, a registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician may withdraw blood for the purpose of

determining the alcohol content therein. This limitation does not apply to the taking of breath or urine specimens.

- (iii) The person tested may have a physician, qualified technician, chemist, registered nurse, or other qualified person of his or her own choosing administer a chemical test or tests in addition to any test or tests administered at the direction of a law enforcement officer. The failure or inability to obtain an additional test by a person shall not preclude the consideration of the previously performed chemical test.
- (iv) Upon a request of the person who submits to a chemical test or tests at the request of a law enforcement officer, full information concerning the test or tests shall be made available to the person or that person's attorney.
- (v) Alcohol concentration means either grams of alcohol per 100 milliliters of blood or grams of alcohol per 210 liters of breath.
- (vi) If a driver is receiving medical treatment as a result of a motor vehicle accident, a physician licensed to practice medicine, registered nurse, or other qualified person trained in venipuncture and acting under the direction of a licensed physician shall withdraw blood for testing purposes to ascertain the presence of alcohol upon the specific request of a law enforcement officer. However, that testing shall not be performed until, in the opinion

of the medical personnel on scene, the withdrawal can be made without interfering with or endangering the well-being of the patient.

- (c) A person requested to submit to a test as provided above shall be warned by the law enforcement officer requesting the test that a refusal to submit to the test, or submission to the test resulting in an alcohol concentration of more than 0.00, may result in the loss of that person's privilege to operate a motor vehicle. The loss of driving privileges shall be imposed in accordance with Section 6-208.2 of this Code.
- (d) If the person refuses testing or submits to a test that discloses an alcohol concentration of more than 0.00, the law enforcement officer shall immediately submit a sworn report to the Secretary of State on a form prescribed by the Secretary of State, certifying that the test or tests were requested under subsection (a) and the person refused to submit to a test or tests or submitted to testing which disclosed an alcohol concentration of more than 0.00. The law enforcement officer shall submit the same sworn report when a person under the age of 21 submits to testing under Section 11-501.1 of this Code and the testing discloses an alcohol concentration of more than 0.00 and less than 0.08.

Upon receipt of the sworn report of a law enforcement officer, the Secretary of State shall enter the driver's license sanction on the individual's driving record and the sanctions shall be effective on the 46th day following the date

notice of the sanction was given to the person. If this sanction is the individual's first driver's license suspension under this Section, reports received by the Secretary of State under this Section shall, except during the time the suspension is in effect, be privileged information and for use only by the courts, police officers, prosecuting authorities, the Secretary of State, or the individual personally. Reports received by the Secretary of State under this Section shall also be made available to the parent or quardian of a person under the age of 18 years that holds an instruction permit or a graduated driver's license, regardless of whether the suspension is in effect.

The law enforcement officer submitting the sworn report shall serve immediate notice of this driver's license sanction on the person and the sanction shall be effective on the 46th day following the date notice was given.

In cases where the blood alcohol concentration of more than 0.00 is established by a subsequent analysis of blood or urine, the police officer or arresting agency shall give notice as provided in this Section or by deposit in the United States mail of that notice in an envelope with postage prepaid and addressed to that person at his last known address and the loss of driving privileges shall be effective on the 46th day following the date notice was given.

An individual whose blood alcohol concentration is shown to be more than 0.00 shall not be subject to this Section if the individual's blood alcohol concentration resulted only from ingestion of the prescribed or recommended dosage of medicine that contained alcohol. Provided that the petitioner may subpoena the officer, the hearing may be conducted upon a review of the law enforcement officer's own official reports. Failure of the officer to answer the subpoena shall be grounds for a continuance if, in hearing officer's discretion, the continuance appropriate. At the conclusion of the hearing held under Section 2-118 of this Code, the Secretary of State may rescind, continue, or modify the driver's license sanction. If the Secretary of State does not rescind the sanction, a restricted driving permit may be granted by the Secretary of State upon application being made and good cause shown. A restricted driving permit may be granted to relieve undue hardship by allowing driving for employment, educational, and medical purposes as outlined in item (3) of part (c) of Section 6-206 of this Code. However, the results of the 7 testing may not be used to impose driver's license sanctions under Section 11-501.1 of this Code. A law enforcement officer 8 9 may, however, pursue a statutory summary suspension of driving privileges under Section 11-501.1 of this Code if other 10 11 physical evidence or first hand knowledge forms the basis of 12 that suspension.
