AN ACT creating the Southwest Suburban Railroad
 Redevelopment Authority.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

5 Section 1. Short title. This Act may be cited as the
6 Southwest Suburban Railroad Redevelopment Authority Act.

7 Section 5. Legislative declaration. The General Assembly 8 declares that the welfare, health, prosperity, and moral and 9 general well-being of the people of the State are, in large measure, dependent upon the sound and orderly development of 10 municipal areas. The Southwest Suburban area, by reason of the 11 location therein of vital roadways and their use for vehicular 12 13 travel in access to the entire southwest metropolitan Chicago 14 area, as well as commercial and industrial growth patterns and accessibility to manufacturing and freight-related facilities, 15 16 has become and will increasingly be the hub of transportation 17 from all parts of the region and throughout the southwest metropolitan area. Motor vehicle traffic, pedestrian travel, 18 19 and the safety of both motorists and pedestrians are 20 substantially aggravated by the location of railroad grade 21 crossings. Additionally, certain development opportunities may 22 exist in the project area that would stabilize and enhance the tax base of existing communities, maintain and revitalize 23

existing commerce and industry, and promote comprehensive 1 2 planning within and between communities. The presence of the 3 railroad grade crossings are detrimental to the orderly expansion of industry and commerce and to progress of the 4 5 region. To alleviate this situation it is necessary to relocate 6 the railroad tracks, to separate the grades at crossing, to 7 acquire property for relocation or submergence of the railroad 8 or highways, to create an agency to facilitate and accomplish 9 that relocation, and to direct infrastructure and development improvements in the Southwest Suburban area. 10

11 Section 10. Creation; duration. There is created a body 12 politic and corporate, a unit of local government, named the 13 Southwest Suburban Railroad Redevelopment Authority, embracing the townships of Bloom, Thornton, Calumet, Bremen, Orland, 14 15 Worth, Rich, and Palos. The Authority shall continue in 16 existence until the accomplishment of its objective, the relocation of railroad tracks and roadways and the grade 17 18 separation of railroads from the right-of-way and at-grade 19 crossing closures within the Southwest Suburban area, or until 20 the Authority officially resolves that it is impossible or 21 economically unfeasible to fulfill that objective.

22 Section 15. Acquisition of property. The Authority has the 23 power to acquire by gift, purchase, or legacy the fee simple 24 title to real property located within the boundaries of the HB0566 Engrossed - 3 - LRB095 06863 HLH 26981 b

9 Section 20. Sale or exchange of property. The Authority 10 has the power to sell, transfer, exchange, vacate, or assign 11 property acquired for the purposes of this Act as it deems 12 appropriate.

13 Section 25. Acceptance of grants, loans, and 14 appropriations. The Authority has the power to apply for and 15 accept grants, loans, advances, and appropriations from the federal government and from the State of Illinois or any agency 16 17 or instrumentality thereof to be used for the purposes of the 18 Authority, and to enter into any agreement in relation to the grants, loans, advances, and appropriations. The Authority may 19 20 also accept from the State, any State agency, department, or 21 commission, any county or other political subdivision, any 22 municipal corporation, any railroad, any school authority, or 23 jointly therefrom, grants of funds or services for any of the 24 purposes of this Act. The Authority shall be treated as a rail HB0566 Engrossed - 4 - LRB095 06863 HLH 26981 b
