8 (70 ILCS 2605/9.6a) (from Ch. 42, par. 328.6a)

9 Sec. 9.6a. The corporate authorities of a sanitary  
10 district, in order to provide funds required for the replacing,  
11 remodeling, completing, altering, constructing and enlarging  
12 of sewage treatment works, water quality improvement projects,  
13 or flood control facilities, and additions therefor, pumping

15 sewers, together with the equipment, including air pollution  
16 equipment, and appurtenances thereto, to acquire property,  
17 real, personal or mixed, necessary for said purposes, for costs  
18 and expenses for the acquisition of the sites and rights-of-way  
19 necessary thereto, and for engineering expenses for designing  
20 and supervising the construction of such works, may issue on or  
21 before December 31, 2016, in addition to all other obligations  
22 heretofore or herein authorized, bonds, notes or other  
23 evidences of indebtedness for such purposes in an aggregate  
24 amount at any one time outstanding not to exceed 3.35% of the  
25 equalized assessed valuation of all taxable property within the

1 sanitary district, to be ascertained by the last assessment for  
2 State and local taxes previous to the issuance of any such  
3 obligations. Such obligations shall be issued without  
4 submitting the question of such issuance to the legal voters of  
5 such sanitary district for approval.

6 The corporate authorities may sell such obligations at  
7 private or public sale and enter into any contract or agreement  
8 necessary, appropriate or incidental to the exercise of the  
9 powers granted by this Act, including, without limitation,  
10 contracts or agreements for the sale and purchase of such

21 to the issuance of obligations to refund bonds, notes or other  
22 evidences of indebtedness, nor to obligations issued to provide  
23 for the repayment of money received from the Water Pollution  
24 Control Revolving Fund for the construction or repair of  
25 wastewater treatment works. Each ordinance authorizing the  
26 issuance of the obligations shall state the general purpose or

1 purposes for which they are to be issued, and the corporate  
2 authorities may at any time thereafter pass supplemental  
3 appropriations ordinances appropriating the proceeds from the  
4 sale of such obligations for such purposes.

5 The corporate authorities may issue bonds, notes or other  
6 evidences of indebtedness in an amount necessary to provide  
7 funds to refund outstanding obligations issued pursuant to this  
8 Section, including interest accrued or to accrue thereon.
