1 AMENDMENT TO HOUSE BILL 814

2 AMENDMENT NO. _____. Amend House Bill 814 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Public Utilities Act is amended by adding
5 Section 9-247 as follows:

6 (220 ILCS 5/9-247 new)

7 Sec. 9-247. Submission of diversified power procurement
8 pricing strategy.

9 (a) An electric utility shall, prior to filing a tariff for
10 the approval of electric rates pursuant to an auction, issue
11 requests for proposals seeking bids:

12 (1) to supply base load electricity for more than 3
13 years but no longer than 30 years;

14 (2) to supply base load electricity for more than one
15 year and up to 3 years;

16 (3) to supply peak load electricity for one year or

1 less; and

2 (4) for the supply of electricity from energy efficient
3 sources including, but not limited to, renewable energy
4 sources.

5 An electric utility shall receive bids for each type of
6 contract from at least 3 sources. These bids shall be submitted
7 by the electric utility as part of any tariff for the approval
8 of electric rates pursuant to an auction.

9 (b) The Commission shall approve rates for electricity that
10 are part of the diversified power procurement pricing strategy
11 provided for in subsection (a) of this Section and that provide
12 the lowest possible cost to consumers for each consumer class.

13 Section 99. Effective date. This Act takes effect upon
14 becoming law.".
