25 Sec. 15-113.7. Service for other public employment.

"Service for other public employment": Includes those periods 1 2 not exceeding the lesser of 10 years or 2/3 of the service 3 granted under other Sections of this Article dealing with service credit, during which a person was employed full time by 4 5 the United States government, or by the government of a state, 6 or by a political subdivision of a state, or by an agency or 7 instrumentality of any of the foregoing, if the person (1) 8 cannot qualify for a retirement pension or other benefit based 9 upon employer contributions from another retirement system, 10 exclusive of federal social security, based in whole or in part 11 upon this employment, and (2) pays the lesser of (A) an amount 12 equal to 8% of his or her annual basic compensation on the date 13 of becoming a participating employee subsequent to this service multiplied by the number of years of such service, together 14 15 with compound interest from the date participation begins to 16 the date payment is received by the board at the rate of 6% per 17 annum through August 31, 1982, and at the effective rates after that date, and (B) 50% of the actuarial value of the increase 18 in the retirement annuity provided by this service, and (3) 19 20 contributes for at least 5 years subsequent to this employment to one or more of the following systems: the State Universities 21 22 Retirement System, the Teachers' Retirement System of the State 23 of Illinois, and the Public School Teachers' Pension and 24 Retirement Fund of Chicago. If a function of a governmental 25 unit as defined by Section 20-107 is transferred by law, in 26 whole or in part to an employer, and an employee transfers HB0857 Enrolled - 4 - LRB095 06238 AMC 26332 b

employment from this governmental unit to such employer within 6 months of the transfer of the function, the payment for service authorized under this Section shall not exceed the amount which would have been payable for this service to the retirement system covering the governmental unit from which the function was transferred.

7 The service granted under this Section shall not be 8 considered in determining whether the person has the minimum of 9 8 years of service required to qualify for a retirement annuity 10 at age 55 or the 5 years of service required to qualify for a 11 retirement annuity at age 62, as provided in Section 15-135. 12 The maximum allowable service of 10 years for this governmental employment shall be reduced by the service credit which is 13 14 validated under paragraph (2) of subsection (b) (3) of Section 15 16-127 and paragraph one of Section 17-133.

Except as hereinafter provided, this Section shall not apply to persons who become participants in the system after September 1, 1974.

accumulated survivors insurance contributions on the date of 1 2 death, if a survivors insurance benefit is not payable, (3) an 3 amount equal to the employee's final rate of earnings, but not more than \$5,000, if (i) the beneficiary, under rules of the 4 5 board, was dependent upon the participant, (ii) the participant was a participating employee immediately prior to his or her 6 7 death, and (iii) a survivors insurance benefit is not payable, 8 and (4) \$2,500 if (i) the beneficiary was not dependent upon 9 the participant, (ii) the participant was a participating 10 employee immediately prior to his or her death, and (iii) a 11 survivors insurance benefit is not payable.

12 (b) If the participant has elected to participate in the portable benefit package and has completed the one-year waiting 13 period required under subsection (e) of Section 15-134.5, the 14 15 death benefit shall be equal to the employee's accumulated 16 normal and additional contributions on the date of death plus, 17 if the employee died with 1.5 or more years of service for defined in Section 15-113.1, 18 employment as employer 19 contributions in an amount equal to the sum of the accumulated 20 normal and additional contributions; except that if a 21 pre-retirement survivor annuity is payable under Section 22 15-136.4, the death benefit payable under this paragraph shall 23 be reduced, but to not less than zero, by the actuarial value 24 of the benefit payable to the surviving spouse. If the 25 recipient of a pre-retirement survivor annuity dies before an 26 amount equal to all accumulated normal and additional HB0857 Enrolled - 6 - LRB095 06238 AMC 26332 b

1 contributions as of the date of death have been paid out, the 2 remaining difference shall be paid to the member's beneficiary. 3 The primary beneficiary of the participant must be his or her 4 spouse unless the spouse has consented to the designation of 5 another beneficiary in the manner described in subsection (d) 6 of Section 15-136.4.

7 (c) If payments are made under any State or federal 8 workers' compensation or occupational diseases law because of 9 the death of an employee, the portion of the death benefit 10 payable from employer contributions shall be reduced by the 11 total amount of the payments.

14 (40 ILCS 5/15-158.3)

Sec. 15-158.3. Reports on cost reduction; effect on retirement at any age with 30 years of service.

(a) On or before November 15, 2001 and on or before 17 18 November 15th of each year thereafter, the Board shall have the 19 System's actuary prepare a report showing, on a fiscal year by 20 fiscal year basis, the actual rate of participation in the 21 self-managed plan authorized by Section 15-158.2, (i) by 22 of the System's covered higher educational emplovees institutions who were hired on or after the implementation date 23 24 of the self-managed plan and (ii) by other System participants. 25 The actuary's report must also quantify the extent to which HB0857 Enrolled - 7 - LRB095 06238 AMC 26332 b

1 employee optional retirement plan participation has reduced 2 the State's required contributions to the System, expressed both in dollars and as a percentage of covered payroll, in 3 relation to what the State's contributions to the System would 4 have been (1) if the self managed plan had not 5 -been 6 implemented, and (2) if 45% of employees of the System's 7 covered higher educational institutions who were hired on or 8 after the implementation date of the self managed plan had 9 elected to participate in the self managed plan and 10% of 10 other System participants had transferred to the self managed 11 plan following its implementation.

(b) On or before November 15th of 2001 and on or before 12 13 November 15th of each year thereafter, the Illinois Board of Higher Education, in conjunction with the Bureau of the Budget 14 15 (now Governor's Office of Management and Budget) shall prepare 16 a report showing, on a fiscal year by fiscal year basis, the 17 amount by which the costs associated with compensable sick leave have been reduced as a result of the termination of 18 compensable sick leave accrual on and after January 1, 1998 by 19 20 higher education employees of institutions who are 21 participants in the System.

(c) On or before November 15 of 2001 and on or before November 15th of each year thereafter, the Department of Central Management Services shall prepare a report showing, on a fiscal year by fiscal year basis, the amount by which the State's cost for health insurance coverage under the State HB0857 Enrolled - 8 - LRB095 06238 AMC 26332 b

1 Employees Group Insurance Act of 1971 for retirees of the 2 State's universities and their survivors has declined as a 3 result of requiring some of those retirees and survivors to 4 contribute to the cost of their basic health insurance. These 5 year-by-year reductions in cost must be quantified both in 6 dollars and as a level percentage of payroll covered by the 7 System.

8 (d) The reports required under subsections (a), (b), and 9 (c) shall be disseminated to the Board, the Pension Laws 10 Commission (until it ceases to exist), the Commission on 11 Government Forecasting and Accountability, the Illinois Board 12 of Higher Education, and the Governor.

13 (e) The reports required under subsections  $\frac{(a)_{\tau}}{(b)_{\tau}}$  (b)  $\tau$  and (c) shall be taken into account by the Pension Laws Commission 14 15 (or its successor, the Commission on Government Forecasting and 16 Accountability) in making any recommendation to extend by 17 legislation beyond December 31, 2002 the provision that allows a System participant to retire at any age with 30 or more years 18 of service as authorized in Section 15-135. If that provision 19 is extended beyond December 31, 2002, and if the most recent 20 report under subsection (a) indicates that actual State 21 22 contributions to the System for the period during which the 23 self-managed plan has been in operation have exceeded the projected State contributions under the assumptions in clause 24 25 (2) of subsection (a), then any extension of the provision bevond December 31, 2002 must require that the System's higher 26
