A BILL FOR

1 AN ACT concerning community revitalization.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be cited as the
5 Community Self-Revitalization Act.

6 Section 5. Findings and purpose.

7 (a) The General Assembly finds that:

8 (1) There is a great need for economic revitalization
9 in many communities throughout this State.

10 (2) Each community has valuable resources at its
11 fingertips that can be tapped in the revitalization
12 process.

13 (3) With adequate support and assistance from the State
14 and other resources, each community can participate in and
15 shepherd its own economic renewal.

16 (4) Successful redevelopment plans are based on policy
17 that is responsive to the existing composition and
18 character of the economically distressed community and
19 that allows and compels the community to participate in the
20 redevelopment planning process.

21 (5) A successful redevelopment initiative creates and
22 maintains a capable and adaptable workforce, has access to
23 capital, has a sound fiscal base, has adequate

1 infrastructure, has well-managed natural resources, and
2 has an attractive quality of life.

3 (b) It is the purpose of this legislation to provide a
4 mechanism for an economically distressed community to use in
5 its efforts to revitalize the community.

6 Section 10. Definitions. As used in this Section:

7 "Community" means a municipality or a county with respect
8 to the unincorporated areas of a county.

9 "Department" means the Department of Commerce and Economic
10 Opportunity.

2 (a) In order to receive the assistance as provided in this
3 Act, a community shall first, by ordinance passed by its
4 corporate authorities, request that the Department certify
5 that it is an economically distressed community. The community
6 must submit a certified copy of the ordinance to the
7 Department. After review of the ordinance, if the Department
8 determines that the community meets the requirements for
9 certification, the Department shall certify the community as an
10 economically distressed community.

11 (b) A community that is certified by the Department as an
12 economically distressed community may appoint a Board of
13 Economic Advisors to create and implement a revitalization plan
14 for the community. The Board shall consist of 18 members of the
15 community, appointed by the mayor or the presiding officer of
16 the county or jointly by the presiding officers of each

8 appointment, shall select one member as chairperson at its
9 initial meeting, and shall thereafter meet at the call of the
10 chairperson. Members of the Board shall serve without
11 compensation.

12 (c) The Board shall create a 3-year to 5-year
13 revitalization plan for the community. The plan shall contain
14 distinct, measurable objectives for revitalization. The
15 objectives shall be used to guide ongoing implementation of the
16 plan and to measure progress during the 3-year to 5-year
17 period. The Board shall work in a dynamic manner defining goals
18 for the community based on the strengths and weaknesses of the
19 individual sectors of the community as presented by each member
20 of the Board. The Board shall meet periodically and revise the
21 plan in light of the input from each member of the Board
22 concerning his or her respective sector of expertise. The
23 process shall be a community driven revitalization process,
24 with community-specific data determining the direction and
25 scope of the revitalization.

1 Section 20. Action by the Board.

2 (a) Organize. The Board shall first assess the needs and
3 the resources of the community operating from the basic premise
4 that the family unit is the primary unit of community and that
5 the demand for goods and services from this residential sector
6 is the main source of recovery and growth for the redevelopment
7 of a community. The Board shall inventory community assets,
8 including the condition of the family with respect to the role
9 of the family as workers, consumers, and investors. The Board
10 shall inventory the type and viability of businesses and
11 industries currently in the community. In compiling the
12 inventory, the Board shall rely on the input of each Board
13 member with respect to his or her expertise in a given sector
14 of the revitalization plan.

15 (b) Revitalize. In implementing the revitalization plan,
16 the Board shall focus on and build from existing resources in
17 the community, growing existing businesses rather than luring
18 business into the community from the outside. The Board shall
19 also focus on the residents themselves rather than jobs. The
20 Board shall promote investment in training residents in areas
21 that will lead to employment and in turn will bring revenue
22 into the community.

23 (c) Mobilize. The Board shall engage in the dynamic process
24 of community self-revitalization through a continuous
25 reassessment of the needs of the community in the
26 revitalization process. As each goal of the 3-year to 5-year

1 plan is achieved, the Board shall draw from the resources of
2 its members to establish new goals and implement new strategies
3 employing the lessons learned in the earlier stages of
4 revitalization.

5 (d) Advise. The Board shall Act as the liaison between the
6 community and the local, county, and State Government. The
7 Board shall make use of the resources of these governmental
8 entities and shall provide counsel to each of these bodies with
9 respect to economic development.

10 The Board shall also act as a liaison between private
11 business entities located in the community and the community
12 itself. The Board shall offer advice and assistance to these
13 entities when requested and provide incentives and support,
14 both economic and otherwise, to facilitate expansion and
15 further investment in the community by the businesses.

16 The Board shall annually submit a report to the General
17 Assembly and the Governor summarizing the accomplishments of
18 the community concerning revitalization and the goals of the
19 community for future revitalization.

20 Section 25. Funding sources. Subject to appropriation, the
21 Department may make grants to communities that are certified as
22 economically distressed communities under this Act and that
23 create a Board of Economic Advisors under this Act for the
24 operational expenses of the Board. The procedures for grant
25 application shall be established by the Department by rule.

1 Section 99. Effective date. This Act takes effect upon
2 becoming law.
