2 AMENDMENT NO. _____. Amend House Bill 2285 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Comprehensive Health Insurance Plan Act is
5 amended by changing Section 8 as follows:

6 (215 ILCS 105/8) (from Ch. 73, par. 1308)

7 Sec. 8. Minimum benefits.

9 renewable policy major medical expense coverage to every
10 eligible person who is not eligible for Medicare. Major medical
11 expense coverage offered by the Plan shall pay an eligible
12 person's covered expenses, subject to limit on the deductible
13 and coinsurance payments authorized under paragraph (4) of
14 subsection d of this Section, up to a lifetime benefit limit of
15 \$1,500,000 per covered individual. The maximum limit under this
16 subsection shall not be altered by the Board, and no actuarial

1 equivalent benefit may be substituted by the Board. Any person
2 who otherwise would qualify for coverage under the Plan, but is
3 excluded because he or she is eligible for Medicare, shall be
4 eligible for any separate Medicare supplement policy or
5 policies which the Board may offer.

18 covered expenses incurred during any calendar year ending
19 on or after December 31, 1999, inpatient hospitalization of

23 illness.

13 (14) Any expense or charge for services, drugs, or

6 (24) Any expense or charge for procedures, treatments,
7 equipment, or services that are provided in special
8 settings for research purposes or in a controlled
9 environment, are being studied for safety, efficiency, and

11 appropriate national medical speciality college for
12 general use within the medical community.

13 d. Deductibles and coinsurance.

14 The Plan coverage defined in Section 6 shall provide for a
15 choice of deductibles per individual as authorized by the
16 Board. If 2 individual members of the same family household,
17 who are both covered persons under the Plan, satisfy the same
18 applicable deductibles, no other member of that family who is
19 also a covered person under the Plan shall be required to meet
20 any deductibles for the balance of that calendar year. The
21 deductibles must be applied first to the authorized amount of
22 covered expenses incurred by the covered person. A mandatory
23 coinsurance requirement shall be imposed at the rate authorized
24 by the Board in excess of the mandatory deductible, the
25 coinsurance in the aggregate not to exceed such amounts as are
26 authorized by the Board per annum. At its discretion the Board

1 may, however, offer catastrophic coverages or other policies
2 that provide for larger deductibles with or without coinsurance
3 requirements. The deductibles and coinsurance factors may be
4 adjusted annually according to the Medical Component of the
5 Consumer Price Index.

6 e. Scope of coverage.

7 (1) In approving any of the benefit plans to be offered
8 by the Plan, the Board shall establish such benefit levels,
9 deductibles, coinsurance factors, exclusions, and
10 limitations as it may deem appropriate and that it believes
11 to be generally reflective of and commensurate with health
12 insurance coverage that is provided in the individual
13 market in this State.

14 (2) The benefit plans approved by the Board may also
15 provide for and employ various cost containment measures
16 and other requirements including, but not limited to,
17 preadmission certification, prior approval, second
18 surgical opinions, concurrent utilization review programs,
19 individual case management, preferred provider
20 organizations, health maintenance organizations, and other
21 cost effective arrangements for paying for covered
22 expenses.

23 f. Preexisting conditions.

24 (1) Except for federally eligible individuals
25 qualifying for Plan coverage under Section 15 of this Act
26 or eligible persons who qualify for the waiver authorized

1 in paragraph (3) of this subsection, plan coverage shall
2 exclude charges or expenses incurred during the first 6
3 months following the effective date of coverage as to any
4 condition for which medical advice, care or treatment was
5 recommended or received during the 6 month period
6 immediately preceding the effective date of coverage.

7 (2) (Blank).

8 (3) Waiver: The preexisting condition exclusions as
9 set forth in paragraph (1) of this subsection shall be
10 waived to the extent to which the eligible person (a) has
11 satisfied similar exclusions under any prior individual
12 health insurance policy that was involuntarily terminated
13 because of the insolvency of the issuer of the policy and
14 (b) has applied for Plan coverage within 90 days following
15 the involuntary termination of that individual health
16 insurance coverage.

17 g. Other sources primary; nonduplication of benefits.

18 (1) The Plan shall be the last payor of benefits
19 whenever any other benefit or source of third party payment
20 is available. Subject to the provisions of subsection e of
21 Section 7, benefits otherwise payable under Plan coverage
22 shall be reduced by all amounts paid or payable by Medicare
23 or any other government program or through any health
24 insurance coverage or group health plan, whether by
25 insurance, reimbursement, or otherwise, or through any
26 third party liability, settlement, judgment, or award,

1 regardless of the date of the settlement, judgment, or
2 award, whether the settlement, judgment, or award is in the
3 form of a contract, agreement, or trust on behalf of a
4 minor or otherwise and whether the settlement, judgment, or
5 award is payable to the covered person, his or her
6 dependent, estate, personal representative, or guardian in
7 a lump sum or over time, and by all hospital or medical
8 expense benefits paid or payable under any worker's
9 compensation coverage, automobile medical payment, or
10 liability insurance, whether provided on the basis of fault
11 or nonfault, and by any hospital or medical benefits paid
12 or payable under or provided pursuant to any State or
13 federal law or program.

14 (2) The Plan shall have a cause of action against any
15 covered person or any other person or entity for the
16 recovery of any amount paid to the extent the amount was
17 for treatment, services, or supplies not covered in this
18 Section or in excess of benefits as set forth in this
19 Section.

20 (3) Whenever benefits are due from the Plan because of
21 sickness or an injury to a covered person resulting from a
22 third party's wrongful act or negligence and the covered
23 person has recovered or may recover damages from a third
24 party or its insurer, the Plan shall have the right to
25 reduce benefits or to refuse to pay benefits that otherwise
26 may be payable by the amount of damages that the covered

1 person has recovered or may recover regardless of the date
2 of the sickness or injury or the date of any settlement,
3 judgment, or award resulting from that sickness or injury.

4 During the pendency of any action or claim that is
5 brought by or on behalf of a covered person against a third
6 party or its insurer, any benefits that would otherwise be
7 payable except for the provisions of this paragraph (3)
8 shall be paid if payment by or for the third party has not
9 yet been made and the covered person or, if incapable, that
10 person's legal representative agrees in writing to pay back
11 promptly the benefits paid as a result of the sickness or
12 injury to the extent of any future payments made by or for
13 the third party for the sickness or injury. This agreement
14 is to apply whether or not liability for the payments is
15 established or admitted by the third party or whether those
16 payments are itemized.

17 Any amounts due the plan to repay benefits may be
18 deducted from other benefits payable by the Plan after
19 payments by or for the third party are made.

20 (4) Benefits due from the Plan may be reduced or
21 refused as an offset against any amount otherwise
22 recoverable under this Section.

23 h. Right of subrogation; recoveries.

24 (1) Whenever the Plan has paid benefits because of
25 sickness or an injury to any covered person resulting from
26 a third party's wrongful act or negligence, or for which an

1 insurer is liable in accordance with the provisions of any
2 policy of insurance, and the covered person has recovered
3 or may recover damages from a third party that is liable
4 for the damages, the Plan shall have the right to recover
5 the benefits it paid from any amounts that the covered
6 person has received or may receive regardless of the date
7 of the sickness or injury or the date of any settlement,
8 judgment, or award resulting from that sickness or injury.
9 The Plan shall be subrogated to any right of recovery the
10 covered person may have under the terms of any private or
11 public health care coverage or liability coverage,
12 including coverage under the Workers' Compensation Act or
13 the Workers' Occupational Diseases Act, without the
14 necessity of assignment of claim or other authorization to
15 secure the right of recovery. To enforce its subrogation
16 right, the Plan may (i) intervene or join in an action or
17 proceeding brought by the covered person or his personal
18 representative, including his guardian, conservator,
19 estate, dependents, or survivors, against any third party
20 or the third party's insurer that may be liable or (ii)
21 institute and prosecute legal proceedings against any
22 third party or the third party's insurer that may be liable
23 for the sickness or injury in an appropriate court either
24 in the name of the Plan or in the name of the covered
25 person or his personal representative, including his
26 guardian, conservator, estate, dependents, or survivors.

1 (2) If any action or claim is brought by or on behalf
2 of a covered person against a third party or the third
3 party's insurer, the covered person or his personal
4 representative, including his guardian, conservator,
5 estate, dependents, or survivors, shall notify the Plan by
6 personal service or registered mail of the action or claim
7 and of the name of the court in which the action or claim
8 is brought, filing proof thereof in the action or claim.
9 The Plan may, at any time thereafter, join in the action or
10 claim upon its motion so that all orders of court after
11 hearing and judgment shall be made for its protection. No
12 release or settlement of a claim for damages and no
13 satisfaction of judgment in the action shall be valid
14 without the written consent of the Plan to the extent of
15 its interest in the settlement or judgment and of the
16 covered person or his personal representative.

17 (3) In the event that the covered person or his
18 personal representative fails to institute a proceeding
19 against any appropriate third party before the fifth month
20 before the action would be barred, the Plan may, in its own
21 name or in the name of the covered person or personal
22 representative, commence a proceeding against any
23 appropriate third party for the recovery of damages on
24 account of any sickness, injury, or death to the covered
25 person. The covered person shall cooperate in doing what is
26 reasonably necessary to assist the Plan in any recovery and

1 shall not take any action that would prejudice the Plan's
2 right to recovery. The Plan shall pay to the covered person
3 or his personal representative all sums collected from any
4 third party by judgment or otherwise in excess of amounts
5 paid in benefits under the Plan and amounts paid or to be
6 paid as costs, attorneys fees, and reasonable expenses
7 incurred by the Plan in making the collection or enforcing
8 the judgment.

9 (4) In the event that a covered person or his personal
10 representative, including his guardian, conservator,
11 estate, dependents, or survivors, recovers damages from a
12 third party for sickness or injury caused to the covered
13 person, the covered person or the personal representative
14 shall pay to the Plan from the damages recovered the amount
15 of benefits paid or to be paid on behalf of the covered
16 person.

17 (5) When the action or claim is brought by the covered
18 person alone and the covered person incurs a personal
19 liability to pay attorney's fees and costs of litigation,
20 the Plan's claim for reimbursement of the benefits provided
21 to the covered person shall be the full amount of benefits
22 paid to or on behalf of the covered person under this Act
23 less a pro rata share that represents the Plan's reasonable
24 share of attorney's fees paid by the covered person and
25 that portion of the cost of litigation expenses determined
26 by multiplying by the ratio of the full amount of the

1 expenditures to the full amount of the judgement, award, or
2 settlement.

3 (6) In the event of judgment or award in a suit or
4 claim against a third party or insurer, the court shall
5 first order paid from any judgement or award the reasonable
6 litigation expenses incurred in preparation and
7 prosecution of the action or claim, together with
8 reasonable attorney's fees. After payment of those
9 expenses and attorney's fees, the court shall apply out of
10 the balance of the judgment or award an amount sufficient
11 to reimburse the Plan the full amount of benefits paid on
12 behalf of the covered person under this Act, provided the
13 court may reduce and apportion the Plan's portion of the
14 judgement proportionate to the recovery of the covered
15 person. The burden of producing evidence sufficient to
16 support the exercise by the court of its discretion to
17 reduce the amount of a proven charge sought to be enforced
18 against the recovery shall rest with the party seeking the
19 reduction. The court may consider the nature and extent of
20 the injury, economic and non-economic loss, settlement
21 offers, comparative negligence as it applies to the case at
22 hand, hospital costs, physician costs, and all other
23 appropriate costs. The Plan shall pay its pro rata share of
24 the attorney fees based on the Plan's recovery as it
25 compares to the total judgment. Any reimbursement rights of
26 the Plan shall take priority over all other liens and

1 charges existing under the laws of this State with the
2 exception of any attorney liens filed under the Attorneys
3 Lien Act.

4 (7) The Plan may compromise or settle and release any
5 claim for benefits provided under this Act or waive any
6 claims for benefits, in whole or in part, for the
7 convenience of the Plan or if the Plan determines that
8 collection would result in undue hardship upon the covered
9 person.
