13 (625 ILCS 5/6-106) (from Ch. 95 1/2, par. 6-106)

14 Sec. 6-106. Application for license or instruction permit.

15 (a) Every application for any permit or license authorized  
16 to be issued under this Act shall be made upon a form furnished  
17 by the Secretary of State. Every application shall be  
18 accompanied by the proper fee and payment of such fee shall  
19 entitle the applicant to not more than 3 attempts to pass the  
20 examination within a period of 1 year after the date of  
21 application.

22 (b) Every application shall state the legal name, social  
23 security number, zip code, date of birth, sex, and residence  
24 address of the applicant; briefly describe the applicant; state

1 whether the applicant has theretofore been licensed as a  
2 driver, and, if so, when and by what state or country, and  
3 whether any such license has ever been cancelled, suspended,  
4 revoked or refused, and, if so, the date and reason for such  
5 cancellation, suspension, revocation or refusal; shall include  
6 an affirmation by the applicant that all information set forth  
7 is true and correct; and shall bear the applicant's signature.  
8 The application form may also require the statement of such  
9 additional relevant information as the Secretary of State shall  
10 deem necessary to determine the applicant's competency and  
11 eligibility. The Secretary of State may in his discretion  
12 substitute a federal tax number in lieu of a social security  
13 number, or he may instead assign an additional distinctive  
14 number in lieu thereof, where an applicant is prohibited by  
15 bona fide religious convictions from applying or is exempt from  
16 applying for a social security number. The Secretary of State  
17 shall, however, determine which religious orders or sects have  
18 such bona fide religious convictions. The Secretary of State  
19 may, in his discretion, by rule or regulation, provide that an

22 the Secretary, and he may further provide that each drivers  
23 license shall include a photograph of the driver. The Secretary  
24 of State may utilize a photograph process or system most  
25 suitable to deter alteration or improper reproduction of a  
26 drivers license and to prevent substitution of another photo

1 thereon.

2 (c) The application form shall include a notice to the  
3 applicant of the registration obligations of sex offenders  
4 under the Sex Offender Registration Act. The notice shall be  
5 provided in a form and manner prescribed by the Secretary of  
6 State. For purposes of this subsection (c), "sex offender" has  
7 the meaning ascribed to it in Section 2 of the Sex Offender  
8 Registration Act.

9 (d) Any male United States citizen or immigrant who applies  
10 for any permit or license authorized to be issued under this  
11 Act or for a renewal of any permit or license, and who is at  
12 least 18 years of age but less than 26 years of age, must be  
13 registered in compliance with the requirements of the federal  
14 Military Selective Service Act. The Secretary of State must  
15 forward in an electronic format the necessary personal  
16 information regarding the applicants identified in this  
17 subsection (d) to the Selective Service System. The applicant's  
18 signature on the application serves as an indication that the  
19 applicant either has already registered with the Selective  
20 Service System or that he is authorizing the Secretary to  
21 forward to the Selective Service System the necessary  
22 information for registration. The Secretary must notify the  
23 applicant at the time of application that his signature  
24 constitutes consent to registration with the Selective Service  
25 System, if he is not already registered.

26 (e) In addition to the fees collected under Section 6-118

1 of this Act, the Secretary of State shall ask each person  
2 applying for or renewing a license or instruction permit  
3 whether the person wishes to make a \$1 voluntary contribution  
4 to the Juvenile Diabetes Research and Nutritional Health Trust  
5 Fund established under this Section. All donations collected

9 Trust Fund is created as a special fund in the State treasury.  
10 All moneys in the Juvenile Diabetes Research and Nutritional  
11 Health Trust Fund shall, subject to appropriation by the  
12 General Assembly and approval by the Secretary of State, be  
13 used by the Department of Public Health for the following
