4 Section 5. The Illinois Pension Code is amended by changing
5 Section 17-119 as follows:

6 (40 ILCS 5/17-119) (from Ch. 108 1/2, par. 17-119)
7 Sec. 17-119. Automatic annual increase in pension.

8 (a) Each teacher retiring on or after September 1, 1959, is
9 entitled to the annual increase in pension, defined herein,
10 while he is receiving a pension from the Fund.

11 1. The term "base pension" means a service retirement
12 or disability retirement pension in the amount fixed and
13 payable at the date of retirement of a teacher.

14 2. The annual increase in pension shall be at the rate
15 of 1 1/2% of base pension. This increase shall first occur
16 in January of the year next following the first anniversary
17 of retirement. At such time the Fund shall pay the pro rata
18 part of the increase for the period from the first
19 anniversary date to the date of the first increase in
20 pension. Beginning January 1, 1972, the rate of annual
21 increase in pension shall be 2% of the base pension.
22 Beginning January 1, 1979, the rate of annual increase in
23 pension shall be 3% of the base pension. Beginning January

1 1, 1990, all automatic annual increases payable under this
2 Section shall be calculated as a percentage of the total
3 pension payable at the time of the increase, including all
4 increases previously granted under this Article,
5 notwithstanding Section 17-157.

6 3. For a retired teacher who withdraws from service
7 before January 1, 2009, an increase in pension shall be
8 granted only if the retired teacher is age 60 or over. If
9 the teacher attains age 60 after retirement, the increase
10 in pension shall begin in January of the year following the
11 61st birthday. At such time the Fund also shall pay the pro
12 rata part of the increase from the 61st birthday to the
13 date of first increase in pension.

14 For a retired teacher who withdraws from service on or
15 after January 1, 2009, the increase in pension shall begin
16 in the January next following the first anniversary of
17 retirement. At such time the Fund shall also pay the pro
18 rata part of the increase from the first anniversary of
19 retirement to the date of first increase in pension.

20 **(b)** In addition to other increases which may be provided by
21 this Section, on January 1, 1981 any teacher who was receiving
22 a retirement pension on or before January 1, 1971 shall have
23 his retirement pension then being paid increased \$1 per month
24 for each year of creditable service. On January 1, 1982, any
25 teacher whose retirement pension began on or before January 1,
26 1977, shall have his retirement pension then being paid

1 increased \$1 per month for each year of creditable service.

2 On January 1, 1987, any teacher whose retirement pension
3 began on or before January 1, 1977, shall have the monthly
4 retirement pension increased by an amount equal to 8¢ per year
5 of creditable service times the number of years that have
6 elapsed since the retirement pension began.
