A BILL FOR

1 AN ACT concerning people living in poverty.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 1. Short title. This Act may be cited as the
5 Commission on the Eradication of Poverty Act.

6 Section 5. Legislative Findings. It is the policy of this
7 State to eradicate poverty in Illinois.

8 Freedom from poverty is a human right. The preamble to the
9 Constitution of the State of Illinois states that the
10 elimination of poverty is one of the fundamental goals of our
11 State government. The Illinois Human Rights Act states that the
12 public policy of the State of Illinois is "to promote the
13 public health, welfare and safety by protecting the interest of
14 all people in Illinois in maintaining personal dignity, in
15 realizing their full productive capacities, and in furthering
16 their interests, rights and privileges as citizens of this
17 State". The State of Illinois is a party to all international
18 human rights treaties signed and ratified by the United States.

19 Illinois is one of the wealthiest states in the United
20 States, yet it has one of the highest rates of extreme poverty
21 in the Midwest. People living in extreme poverty have incomes
22 at or below 50% of the Federal Poverty Level or \$10,310 per
23 year or lower for a family of 4 in 2007. In 2006 over 678,000

1 people residing in Illinois were living in extreme poverty.
2 There are people living in extreme poverty in every Illinois
3 county.

4 Full participation in civic life cannot be achieved without
5 those things that protect and preserve human dignity and make
6 for a healthy life, including adequate nutrition and housing,
7 meaningful work, safe communities, health care, and education.

8 Illinois has no comprehensive plan for the elimination of
9 extreme poverty.

10 Section 10. Commission on Poverty Eradication. The
11 Commission on the Eradication of Poverty is created. The
12 purpose of the Commission is to develop a comprehensive poverty
13 eradication strategic plan for Illinois consistent with
14 international human rights standards. The initial goal of the
15 Commission is to reduce extreme poverty in Illinois by 50% or
16 more by 2015. In developing the overall strategic plan, and in
17 working toward the goal of reducing extreme poverty in Illinois
18 by 2015, the Commission shall address, at a minimum, all of the
19 following:

- 20 (1) Access to safe, decent and affordable housing.
- 21 (2) Access to adequate food and nutrition.
- 22 (3) Access to affordable and quality healthcare.
- 23 (4) Equal access to quality education and training.
- 24 (5) Dependable and affordable transportation.
- 25 (6) Access to quality and affordable child care.

1 (7) Opportunities to engage in meaningful and sustainable
2 work that pays a living wage.

3 (8) The availability of adequate income supports.

4 The strategic plan shall include specific policy and fiscal
5 recommendations and a timeline for each stage of implementation
6 for every specific recommendation. For each specific
7 recommendation, the Commission shall identify in measurable
8 terms the actual or potential impact of each recommendation.
9 The Commission may review and may make comments and
10 recommendations on existing or proposed programs, policies,
11 administrative rules, and statutes that have an impact on
12 poverty in Illinois and, in particular, people living in
13 extreme poverty.
