1 AMENDMENT TO HOUSE BILL 4369

2 AMENDMENT NO. _____. Amend House Bill 4369 by replacing
3 everything after the enacting clause with the following:

4 "Section 1. Short title. This Act may be cited as the
5 Commission on the Elimination of Poverty Act.

6 Section 5. Legislative Findings. It is the goal of the
7 State of Illinois that all people be free from poverty.

8 Freedom from poverty is a human right. The preamble to the
9 Constitution of the State of Illinois states that the
10 elimination of poverty and inequality are among the core goals
11 of our State government. The Illinois Human Rights Act states
12 that the public policy of the State of Illinois is "to promote
13 the public health, welfare and safety by protecting the
14 interest of all people in Illinois in maintaining personal
15 dignity, in realizing their full productive capacities, and in
16 furthering their interests, rights and privileges as citizens

1 of this State". The State of Illinois is a party to all
2 international human rights treaties signed and ratified by the
3 United States.

4 Illinois is one of the wealthiest states in the United
5 States, yet it has one of the highest rates of poverty and
6 extreme poverty in the Midwest. The poverty level in 2007 was
7 \$20,620 or less per year for a family of 4 and \$10,310 or less
8 per year for a family of 4 in extreme poverty. In 2006 just
9 under 1,400,000 people residing in Illinois were living in
10 poverty and over 687,000 people residing in Illinois were
11 living in extreme poverty. There are people living in extreme
12 poverty in every Illinois county.

13 Full participation in civic life cannot be achieved without
14 those things that protect and preserve human dignity and make
15 for a healthy life, including adequate nutrition and housing,
16 meaningful work, safe communities, health care, and education.

17 Illinois has no comprehensive plan for the elimination of
18 extreme poverty.

19 Section 10. Commission on the Elimination of Poverty. The
20 Commission on the Elimination of Poverty is created. The
21 purpose of the Commission is to comprehensively address poverty
22 in Illinois consistent with international human rights
23 standards. The initial goal of the Commission is to develop a
24 poverty elimination strategic plan to reduce extreme poverty in
25 Illinois by 50% or more by 2015. In developing the overall

1 strategic plan, and in working toward the goal of reducing
2 extreme poverty in Illinois by at least 50% by 2015, the
3 Commission shall address, at a minimum, all of the following:

4 (1) Access to safe, decent and affordable housing.

5 (2) Access to adequate food and nutrition.

6 (3) Access to affordable and quality health care.

7 (4) Equal access to quality education and training.

8 (5) Dependable and affordable transportation.

9 (6) Access to quality and affordable child care.

10 (7) Opportunities to engage in meaningful and sustainable
11 work that pays a living wage.

12 (8) The availability of adequate income supports.

13 The strategic plan shall include specific policy and fiscal
14 recommendations and a timeline for each stage of implementation
15 for each recommendation. For each recommendation, the
16 Commission shall identify in measurable terms the actual or
17 potential impact. The Commission may review and may make
18 comments and recommendations on existing or proposed programs,
19 policies, administrative rules, and statutes that have an
20 impact on poverty in Illinois and, in particular, people living
21 in extreme poverty.

22 Section 15. Members; terms. The Commission on the
