4 Section 5. The Department of Central Management Services
5 Law of the Civil Administrative Code of Illinois is amended by
6 adding Section 405-216 as follows:

7 (20 ILCS 405/405-216 new)

8 Sec. 405-216. Green cleaning policy. To require every
9 State-owned building to establish a green cleaning policy
10 whereby the building purchases and uses only
11 environmentally-sensitive cleaning products, in compliance
12 with the guidelines and specifications established by the
13 Illinois Green Government Coordinating Council pursuant to
14 Section 15 of the Green Cleaning Schools Act. The Department
15 shall allow a State-owned building to deplete its existing
16 cleaning and maintenance supply stocks and implement the new
17 requirements in the procurement cycle for the following year
18 and shall exempt a State-owned building from the green cleaning
19 policy requirement if adhering to the requirement would not be
20 economically feasible for the building.

21 For the purposes of this Section, adopting a green cleaning
22 policy is not economically feasible if such adoption would
23 result in an increase in the cleaning costs of the building.

1 Section 10. The Green Cleaning Schools Act is amended by

4 Sec. 5. Legislative findings. Both children and adults
