

1 AN ACT concerning local government.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Illinois Municipal Code is amended by
5 changing Sections 11-10-1 and 11-10-2 as follows:

6 (65 ILCS 5/11-10-1) (from Ch. 24, par. 11-10-1)

7 Sec. 11-10-1. In each municipality or fire protection
8 district, whether incorporated under a general or special law,
9 which has a fire department established and maintained by
10 municipal or fire protection district ordinances, every
11 corporation, company, and association which is not
12 incorporated under the laws of this state and which is engaged
13 in effecting fire insurance in the municipality or fire
14 protection district, shall pay to the foreign fire insurance
15 board ~~treasurer of the municipality~~ or to the secretary of the
16 fire protection district for the maintenance, use, and benefit
17 of the fire department thereof, a sum not exceeding 2% of the
18 gross receipts received from fire insurance upon property
19 situated within the municipality or district.

20 Each municipality and fire protection district may
21 prescribe by ordinance the rate of the tax or license fee to be
22 paid, but this rate shall not exceed the rate specified in this
23 section. Each designated corporation, company, and association

1 shall pay at the rate so prescribed, upon the amount of all
2 premiums which have been received during the year ending on
3 every first day of July for all fire insurance effected or
4 agreed to be effected on property situated within the
5 municipality or fire protection district, by that corporation,
6 company, or association respectively.

7 Every person who acts in any specified municipality or fire
8 protection district as agent, or otherwise, on behalf of a
9 designated corporation, company, or association, shall render
10 to the treasurer of the foreign fire insurance board ~~municipal~~
11 ~~comptroller, if there is one, or if not to the municipal clerk~~
12 or secretary of the fire protection district, on or before the
13 fifteenth day of July of each year, a full and true account,
14 verified by his oath, of all of the premiums which, during the
15 year ending on the first day of July preceding the report, were
16 received by him, or by any other person for him on behalf of
17 that corporation, company, or association. He shall specify in
18 this report the amounts received for fire insurance, and he
19 shall pay to the treasurer of the foreign fire insurance board
20 ~~municipality~~, or to the secretary of the fire protection
21 district, at the time of rendering this report, the amount as
22 determined by the rate fixed by the ordinance of the
23 municipality or fire protection district for which his
24 corporation, company, or association is accountable under this
25 section and the ordinance.

26 If this account is not rendered on or before the fifteenth

1 day of July of each year, or if the sum due remains unpaid
2 after that day, it shall be unlawful for any corporation,
3 company, or association, so in default, to transact any
4 business in the municipality or fire protection district until
5 the sum due has been fully paid. But this provision shall not
6 relieve any corporation, company, or association from the
7 payment of any loss upon any risk that may be taken in
8 violation of this requirement.

9 The amount of this tax or license fee may be recovered from
10 the corporation, company, or association which owes it, or from
11 its agent, by an action in the name and for the use of the
12 municipality or fire protection district as for money had and
13 received.

14 The municipal comptroller, if any, and if not, then the
15 municipal clerk or the secretary of the fire protection
16 district, may examine the books, records, and other papers and
17 documents of a designated agent, corporation, company, or
18 association for the purpose of verifying the correctness of the
19 report of the amounts received for fire insurance.

20 This section shall not be applicable to receipts from
21 contracts of marine insurance, even though they include
22 insurance against fire, where the premium for the fire
23 insurance is not separately specified.

5 foreign fire insurance board by the members of the department.
6 All members of the department shall be eligible to be elected
7 as officers of the department foreign fire insurance board.
8 These officers shall include a treasurer, and they shall make

23 under the ordinance and the rules and regulations provided for
24 in this section. The treasurer of the department foreign fire
25 insurance board shall receive the appropriated money and shall
26 pay out the money upon the order of the department foreign fire

1 insurance board for the maintenance, use, and benefit of the
2 department. As part of the annual municipal audit, these funds
3 shall be audited to verify that these purchases are for the
