2 nursing, hospital-based diploma in nursing, baccalaureate  
3 degree in nursing, graduate degree in nursing, or certificate  
4 in practical nursing, will enable such individuals to attend  
5 approved institutions of their choice in the State, public or  
6 private.

7 (b) The General Assembly finds that there is a critical  
8 shortage of nursing instructors in this State, and such a  
9 shortage will only worsen the shortage of available nurses in  
10 this State and jeopardize the quality of healthcare citizens of  
11 this State have every right to enjoy. In order to provide for  
12 the health, safety, and welfare of the citizens of this State,  
13 the General Assembly declares that there is a need for an  
14 increase in skilled nurse educators in this State.

11 results from total and permanent disability. The repayment  
12 obligation shall be excused if the failure to fulfill the nurse

15 scholarship. No claim for repayment may be filed against the  
16 estate of such a decedent or incompetent.

17 The Department may allow a nurse educator employment
