7 Sec. 27-22.10. Course credit for high school diploma.

8 (a) Notwithstanding any other provision of this Code, the
9 school board of a school district that maintains any of grades

3 (c) A school board must award high school course credit to
4 a student transferring to its school district for any course
5 that the student successfully completed pursuant to subsection

10 that credit shall satisfy the requirements of Section 27-22 of
11 this Code for that course.

12 (d) A student's grade in any course successfully completed
