

1 AN ACT concerning civil procedure.

2 **Be it enacted by the People of the State of Illinois,**  
3 **represented in the General Assembly:**

4 Section 5. The State Treasurer Act is amended by changing  
5 Section 16.5 as follows:

6 (15 ILCS 505/16.5)

7 Sec. 16.5. College Savings Pool. The State Treasurer may  
8 establish and administer a College Savings Pool to supplement  
9 and enhance the investment opportunities otherwise available  
10 to persons seeking to finance the costs of higher education.  
11 The State Treasurer, in administering the College Savings Pool,  
12 may receive moneys paid into the pool by a participant and may  
13 serve as the fiscal agent of that participant for the purpose  
14 of holding and investing those moneys.

15 "Participant", as used in this Section, means any person  
16 who has authority to withdraw funds, change the designated  
17 beneficiary, or otherwise exercise control over an account.

18 "Donor", as used in this Section, means any person who makes  
19 investments in the pool. "Designated beneficiary", as used in  
20 this Section, means any person on whose behalf an account is  
21 established in the College Savings Pool by a participant. Both  
22 in-state and out-of-state persons may be participants, donors,  
23 and designated beneficiaries in the College Savings Pool.

1           New accounts in the College Savings Pool shall be processed  
2 through participating financial institutions. "Participating  
3 financial institution", as used in this Section, means any  
4 financial institution insured by the Federal Deposit Insurance  
5 Corporation and lawfully doing business in the State of  
6 Illinois and any credit union approved by the State Treasurer  
7 and lawfully doing business in the State of Illinois that  
8 agrees to process new accounts in the College Savings Pool.  
9 Participating financial institutions may charge a processing  
10 fee to participants to open an account in the pool that shall  
11 not exceed \$30 until the year 2001. Beginning in 2001 and every  
12 year thereafter, the maximum fee limit shall be adjusted by the  
13 Treasurer based on the Consumer Price Index for the North  
14 Central Region as published by the United States Department of  
15 Labor, Bureau of Labor Statistics for the immediately preceding  
16 calendar year. Every contribution received by a financial  
17 institution for investment in the College Savings Pool shall be  
18 transferred from the financial institution to a location  
19 selected by the State Treasurer within one business day  
20 following the day that the funds must be made available in  
21 accordance with federal law. All communications from the State  
22 Treasurer to participants and donors shall reference the  
23 participating financial institution at which the account was  
24 processed.

25           The Treasurer may invest the moneys in the College Savings  
26 Pool in the same manner, in the same types of investments, and

1 subject to the same limitations provided for the investment of  
2 moneys by the Illinois State Board of Investment. To enhance  
3 the safety and liquidity of the College Savings Pool, to ensure  
4 the diversification of the investment portfolio of the pool,  
5 and in an effort to keep investment dollars in the State of  
6 Illinois, the State Treasurer shall make a percentage of each  
7 account available for investment in participating financial  
8 institutions doing business in the State. The State Treasurer  
9 shall deposit with the participating financial institution at  
10 which the account was processed the following percentage of  
11 each account at a prevailing rate offered by the institution,  
12 provided that the deposit is federally insured or fully  
13 collateralized and the institution accepts the deposit: 10% of  
14 the total amount of each account for which the current age of  
15 the beneficiary is less than 7 years of age, 20% of the total  
16 amount of each account for which the beneficiary is at least 7  
17 years of age and less than 12 years of age, and 50% of the total  
18 amount of each account for which the current age of the  
19 beneficiary is at least 12 years of age. The State Treasurer  
20 shall adjust each account at least annually to ensure  
21 compliance with this Section. The Treasurer shall develop,  
22 publish, and implement an investment policy covering the  
23 investment of the moneys in the College Savings Pool. The  
24 policy shall be published (i) at least once each year in at  
25 least one newspaper of general circulation in both Springfield  
26 and Chicago and (ii) each year as part of the audit of the

1 College Savings Pool by the Auditor General, which shall be  
2 distributed to all participants. The Treasurer shall notify all  
3 participants in writing, and the Treasurer shall publish in a  
4 newspaper of general circulation in both Chicago and  
5 Springfield, any changes to the previously published  
6 investment policy at least 30 calendar days before implementing  
7 the policy. Any investment policy adopted by the Treasurer  
8 shall be reviewed and updated if necessary within 90 days  
9 following the date that the State Treasurer takes office.

10 Participants shall be required to use moneys distributed  
11 from the College Savings Pool for qualified expenses at  
12 eligible educational institutions. "Qualified expenses", as  
13 used in this Section, means the following: (i) tuition, fees,  
14 and the costs of books, supplies, and equipment required for  
15 enrollment or attendance at an eligible educational  
16 institution and (ii) certain room and board expenses incurred  
17 while attending an eligible educational institution at least  
18 half-time. "Eligible educational institutions", as used in  
19 this Section, means public and private colleges, junior  
20 colleges, graduate schools, and certain vocational  
21 institutions that are described in Section 481 of the Higher  
22 Education Act of 1965 (20 U.S.C. 1088) and that are eligible to  
23 participate in Department of Education student aid programs. A  
24 student shall be considered to be enrolled at least half-time  
25 if the student is enrolled for at least half the full-time  
26 academic work load for the course of study the student is

1 pursuing as determined under the standards of the institution  
2 at which the student is enrolled. Distributions made from the  
3 pool for qualified expenses shall be made directly to the  
4 eligible educational institution, directly to a vendor, or in  
5 the form of a check payable to both the beneficiary and the  
6 institution or vendor. Any moneys that are distributed in any  
7 other manner or that are used for expenses other than qualified  
8 expenses at an eligible educational institution shall be  
9 subject to a penalty of 10% of the earnings unless the  
10 beneficiary dies, becomes disabled, or receives a scholarship  
11 that equals or exceeds the distribution. Penalties shall be  
12 withheld at the time the distribution is made.

13 The Treasurer shall limit the contributions that may be  
14 made on behalf of a designated beneficiary based on an  
15 actuarial estimate of what is required to pay tuition, fees,  
16 and room and board for 5 undergraduate years at the highest  
17 cost eligible educational institution. The contributions made  
18 on behalf of a beneficiary who is also a beneficiary under the  
19 Illinois Prepaid Tuition Program shall be further restricted to  
20 ensure that the contributions in both programs combined do not  
21 exceed the limit established for the College Savings Pool. The  
22 Treasurer shall provide the Illinois Student Assistance  
23 Commission each year at a time designated by the Commission, an  
24 electronic report of all participant accounts in the  
25 Treasurer's College Savings Pool, listing total contributions  
26 and disbursements from each individual account during the

1 previous calendar year. As soon thereafter as is possible  
2 following receipt of the Treasurer's report, the Illinois  
3 Student Assistance Commission shall, in turn, provide the  
4 Treasurer with an electronic report listing those College  
5 Savings Pool participants who also participate in the State's  
6 prepaid tuition program, administered by the Commission. The  
7 Commission shall be responsible for filing any combined tax  
8 reports regarding State qualified savings programs required by  
9 the United States Internal Revenue Service. The Treasurer shall  
10 work with the Illinois Student Assistance Commission to  
11 coordinate the marketing of the College Savings Pool and the  
12 Illinois Prepaid Tuition Program when considered beneficial by  
13 the Treasurer and the Director of the Illinois Student  
14 Assistance Commission. The Treasurer's office shall not  
15 publicize or otherwise market the College Savings Pool or  
16 accept any moneys into the College Savings Pool prior to March  
17 1, 2000. The Treasurer shall provide a separate accounting for  
18 each designated beneficiary to each participant, the Illinois  
19 Student Assistance Commission, and the participating financial  
20 institution at which the account was processed. No interest in  
21 the program may be pledged as security for a loan. Moneys held  
22 in an account invested in the Illinois College Savings Pool  
23 shall be exempt from all claims of the creditors of the  
24 participant, donor, or designated beneficiary of that account,  
25 except for the non-exempt College Savings Pool transfers to or  
26 from the account as defined under subsection (j) of Section

1 12-1001 of the Code of Civil Procedure (735 ILCS 5/12-1001(j)).

2 The assets of the College Savings Pool and its income and  
3 operation shall be exempt from all taxation by the State of  
4 Illinois and any of its subdivisions. The accrued earnings on  
5 investments in the Pool once disbursed on behalf of a  
6 designated beneficiary shall be similarly exempt from all  
7 taxation by the State of Illinois and its subdivisions, so long  
8 as they are used for qualified expenses. Contributions to a  
9 College Savings Pool account during the taxable year may be  
10 deducted from adjusted gross income as provided in Section 203  
11 of the Illinois Income Tax Act. The provisions of this  
12 paragraph are exempt from Section 250 of the Illinois Income  
13 Tax Act.

14 The Treasurer shall adopt rules he or she considers  
15 necessary for the efficient administration of the College  
16 Savings Pool. The rules shall provide whatever additional  
17 parameters and restrictions are necessary to ensure that the  
18 College Savings Pool meets all of the requirements for a  
19 qualified state tuition program under Section 529 of the  
20 Internal Revenue Code (26 U.S.C. 529). The rules shall provide  
21 for the administration expenses of the pool to be paid from its  
22 earnings and for the investment earnings in excess of the  
23 expenses and all moneys collected as penalties to be credited  
24 or paid monthly to the several participants in the pool in a  
25 manner which equitably reflects the differing amounts of their  
26 respective investments in the pool and the differing periods of

1 time for which those amounts were in the custody of the pool.  
2 Also, the rules shall require the maintenance of records that  
3 enable the Treasurer's office to produce a report for each  
4 account in the pool at least annually that documents the  
5 account balance and investment earnings. Notice of any proposed  
6 amendments to the rules and regulations shall be provided to  
7 all participants prior to adoption. Amendments to rules and  
8 regulations shall apply only to contributions made after the  
9 adoption of the amendment.

10 Upon creating the College Savings Pool, the State Treasurer  
11 shall give bond with 2 or more sufficient sureties, payable to  
12 and for the benefit of the participants in the College Savings  
13 Pool, in the penal sum of \$1,000,000, conditioned upon the  
14 faithful discharge of his or her duties in relation to the  
15 College Savings Pool.
