14 of the Criminal Code of 1961.

15 (g-5) (Blank).

16 (h) The Illinois Department of State Police shall be the
17 State central repository for all genetic marker grouping
18 analysis information obtained pursuant to this Act. The
19 Illinois Department of State Police may promulgate rules for
20 the form and manner of the collection of blood, saliva, or
21 tissue samples and other procedures for the operation of this
22 Act. The provisions of the Administrative Review Law shall
23 apply to all actions taken under the rules so promulgated.

24 (i) (1) A person required to provide a blood, saliva, or
25 tissue specimen shall cooperate with the collection of the
26 specimen and any deliberate act by that person intended to

1 impede, delay or stop the collection of the blood, saliva,
2 or tissue specimen is a Class A misdemeanor.

3 (2) In the event that a person's DNA sample is not
4 adequate for any reason, the person shall provide another

7 cases in which an individual refuses to provide a DNA
8 sample required under this Act.

9 (j) Any person required by subsection (a) to submit
10 specimens of blood, saliva, or tissue to the Illinois
11 Department of State Police for analysis and categorization into
12 genetic marker grouping, in addition to any other disposition,
13 penalty, or fine imposed, shall pay an analysis fee of \$200. If
14 the analysis fee is not paid at the time of sentencing, the
15 court shall establish a fee schedule by which the entire amount
16 of the analysis fee shall be paid in full, such schedule not to
17 exceed 24 months from the time of conviction. The inability to
18 pay this analysis fee shall not be the sole ground to
19 incarcerate the person.

20 (k) All analysis and categorization fees provided for by
21 subsection (j) shall be regulated as follows:

22 (1) The State Offender DNA Identification System Fund
23 is hereby created as a special fund in the State Treasury.

24 (2) All fees shall be collected by the clerk of the
25 court and forwarded to the State Offender DNA
26 Identification System Fund for deposit. The clerk of the

1 circuit court may retain the amount of \$10 from each
2 collected analysis fee to offset administrative costs
3 incurred in carrying out the clerk's responsibilities
4 under this Section.

5 (3) Fees deposited into the State Offender DNA
6 Identification System Fund shall be used by Illinois State
7 Police crime laboratories as designated by the Director of
8 State Police. These funds shall be in addition to any
9 allocations made pursuant to existing laws and shall be
10 designated for the exclusive use of State crime
11 laboratories. These uses may include, but are not limited
12 to, the following:

13 (A) Costs incurred in providing analysis and

21 development of new techniques for analysis and genetic
22 marker categorization.

23 (E) Costs incurred in continuing education,
24 training, and professional development of forensic
25 scientists regularly employed by these laboratories.

26 (1) The failure of a person to provide a specimen, or of

1 any person or agency to collect a specimen, within the 45 day
2 period shall in no way alter the obligation of the person to
3 submit such specimen, or the authority of the Illinois
4 Department of State Police or persons designated by the
5 Department to collect the specimen, or the authority of the
6 Illinois Department of State Police to accept, analyze and
7 maintain the specimen or to maintain or upload results of
8 genetic marker grouping analysis information into a State or
9 national database.

10 (m) If any provision of this amendatory Act of the 93rd
11 General Assembly is held unconstitutional or otherwise
