23 Section 25. The Illinois Insurance Code is amended by

1 adding Section 356f.1 as follows:

2 (215 ILCS 5/356f.1 new)

3 Sec. 356f.1. External review appeals process.

4 (a) A policy of accident or health insurance or managed
5 care plan shall maintain an external review appeals process for
6 member or member representative requests to reverse or modify
7 adverse determinations made by the insurer or managed care
8 plan. For the purposes of this Section, "adverse determination"
9 means a determination by a health insurer, managed care plan,
10 or its designee utilization review organization that an
11 admission, course of treatment, continued stay, or other health
12 care service that is not excluded explicitly by applicable
13 benefit language, including determinations that a health
14 service is experimental or investigational, does not meet the
15 insurer's or managed care plan's requirements for medical
16 necessity, appropriateness, health care setting, level of
17 care, or effectiveness and the requested payment for the
18 service is therefore denied, reduced, or terminated.

19 (b) An insurer or managed care plan shall comply with
20 subsection (a) of this Section by providing an external review
21 appeals program that meets or exceeds the Health Utilization
22 Management independent review process standards established by
23 URAC, whether or not the appeal relates to adverse
24 determinations related to utilization management review.

25 (c) An insurer or managed care plan may comply with this

1 Section by:

2 (1) registering its utilization review program,
3 including appeals, with the Division of Insurance, as
4 provided in Section 85 of the Managed Care and Patients
5 Rights Act, and certifying compliance with the external
6 review standards of the Health Utilization Management
7 Standards of URAC sufficient to achieve accreditation from
8 URAC, doing business as the American Accreditation
9 Healthcare Commission, Inc.; or

10 (2) submitting evidence of accreditation by the
11 American Accreditation Healthcare Commission (URAC) for
12 its Health Utilization Management Standards.

13 Nothing in this Act shall be construed to require an
14 insurer or managed care plan or its subcontractors to become
15 American Accreditation Healthcare Commission (URAC)
16 accredited.

17 (d) The Director of the Division of Insurance, in
18 consultation with the Director of the Department of Public
19 Health, may certify alternative external review standards of
20 national accreditation organizations or entities in order for
21 insurers or managed care plans to comply with this Section. Any
22 alternative external review standards shall meet or exceed
23 those standards required under subsection (b) of this Section.

24 (e) This Section does not apply to:

25 (1) persons providing utilization review program
26 services only to the federal government;

1 (2) self-insured health plans under the federal
2 Employee Retirement Income Security Act of 1974; however,
3 this Section does apply to persons conducting a utilization
4 review program on behalf of these health plans;

5 (3) hospitals and medical groups performing
6 utilization review activities for internal purposes unless
7 the utilization review program is conducted for another
8 person; or

9 (4) workers' compensation, short-term travel,
10 accident-only, limited, or specific disease policies.

11 Nothing in this Act prohibits an insurer or managed care
12 plan or other entity from contractually requiring an entity
13 designated in item (3) of this subsection (e) to adhere to the
14 utilization review program requirements of this Act.

15 (f) If the Division of Insurance finds that an external
16 review program is not in compliance with this Section, the
17 Director shall issue a corrective action plan and allow a
18 reasonable amount of time for compliance with the insurer or
19 managed care plan. Before issuing a cease and desist order
20 under this Section, the Director shall provide the insurer or
21 managed care plan with a written notice of the reasons for the
22 order and allow a reasonable amount of time to supply
23 additional information demonstrating compliance with
24 requirements of this Section and to request a hearing. The
25 hearing notice shall be sent by certified mail, return receipt
26 requested and the hearing shall be conducted in accordance with

1 the Illinois Administrative Procedure Act.

2 If the insurer's or managed care plan's external review
3 program does not come into compliance with this Section, the
4 Director may issue a cease and desist order.

5 (g) A utilization review program subject to a corrective
6 action may continue to conduct business until a final decision
7 has been issued by the Director.

9 amended by changing Section 4003 as follows:
