10 (a) A group or individual policy of accident and health  
11 insurance or managed care plan amended, delivered, issued, or  
12 renewed after the effective date of this amendatory Act of the  
13 95th General Assembly must provide individuals under 21 years  
14 of age coverage for the diagnosis of autism spectrum disorders  
15 and for the treatment of autism spectrum disorders to the  
16 extent that the diagnosis and treatment of autism spectrum  
17 disorders are not already covered by the policy of accident and  
18 health insurance or managed care plan.

19 (b) Coverage provided under this Section shall be subject  
20 to a maximum benefit of \$36,000 per year, but shall not be  
21 subject to any limits on the number of visits to a service  
22 provider. After December 30, 2009, the Director of the Division  
23 of Insurance shall, on an annual basis, adjust the maximum  
24 benefit for inflation using the Medical Care Component of the

1 United States Department of Labor Consumer Price Index for All  
2 Urban Consumers. Payments made by an insurer on behalf of a  
3 covered individual for any care, treatment, intervention,  
4 service, or item, the provision of which was for the treatment  
5 of a health condition not diagnosed as an autism spectrum  
6 disorder, shall not be applied toward any maximum benefit  
7 established under this subsection.

8 (c) Coverage under this Section shall be subject to  
9 co-payment, deductible, and coinsurance provisions of a policy  
10 of accident and health insurance or managed care plan to the  
11 extent that other medical services covered by the policy of  
12 accident and health insurance or managed care plan are subject  
13 to these provisions.

15 benefits that are otherwise available to an individual under a  
16 policy of accident and health insurance or managed care plan  
17 and benefits provided under this Section may not be subject to  
18 dollar limits, deductibles, copayments, or coinsurance  
19 provisions that are less favorable to the insured than the  
20 dollar limits, deductibles, or coinsurance provisions that  
21 apply to physical illness generally.

22 (e) An insurer may not deny or refuse to provide otherwise  
23 covered services, or refuse to renew, refuse to reissue, or  
24 otherwise terminate or restrict coverage under an individual  
25 contract to provide services to an individual because the  
26 individual or their dependent is diagnosed with an autism

1 spectrum disorder or due to the individual utilizing benefits  
2 in this Section.

4 treatment for autism spectrum disorders shall furnish medical  
5 records, clinical notes, or other necessary data that

7 medically necessary and is resulting in improved clinical  
8 status. When treatment is anticipated to require continued  
9 services to achieve demonstrable progress, the insurer may  
10 request a treatment plan consisting of diagnosis, proposed  
11 treatment by type, frequency, anticipated duration of  
12 treatment, the anticipated outcomes stated as goals, and the  
13 frequency by which the treatment plan will be updated.

15 treatment modality for autism spectrum disorders, an insurer  
16 must make the determination in a manner that is consistent with  
17 the manner used to make that determination with respect to  
18 other diseases or illnesses covered under the policy, including  
19 an appeals process. During the appeals process, any challenge  
20 to medical necessity must be viewed as reasonable only if the  
21 review includes a physician with expertise in the most current  
22 and effective treatment modalities for autism spectrum  
23 disorders.

25 services must be delivered by certified early intervention
