A BILL FOR

1 AN ACT concerning regulation.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Public Utilities Act is amended by changing
5 Section 16-124 as follows:

6 (220 ILCS 5/16-124)

7 Sec. 16-124. Metering for residential and small commercial
8 retail customers. An ~~An~~ electric utility shall not require a
9 residential or small commercial retail customer to take
10 additional metering or metering capability as a condition of
11 taking delivery services unless the Commission finds, after
12 notice and hearing, that additional metering or metering
13 capability is required to meet reliability requirements.
14 Alternative retail electric suppliers serving such customers
15 may provide such additional metering or metering capability at
16 their own expense or take such additional metering or metering
17 capability from the utility as a tariffed service. Any
18 additional metering requirements shall be imposed in a
19 nondiscriminatory manner. Nothing in this subsection shall be
20 construed to prevent the normal maintenance, replacement or
21 upgrade of meters as required to comply with Commission rules.
