A BILL FOR

AN ACT concerning revenue.

Be it enacted by the People of the State of Illinois, represented in the General Assembly:

Section 5. The Illinois Income Tax Act is amended by changing Section 204 as follows:

(35 ILCS 5/204) (from Ch. 120, par. 2-204)

Sec. 204. Standard Exemption.

(a) Allowance of exemption. In computing net income under this Act, there shall be allowed as an exemption the sum of the amounts determined under subsections (b), (c) and (d), multiplied by a fraction the numerator of which is the amount of the taxpayer's base income allocable to this State for the taxable year and the denominator of which is the taxpayer's total base income for the taxable year.

(b) Basic amount. For the purpose of subsection (a) of this Section, except as provided by subsection (a) of Section 205 and in this subsection, each taxpayer shall be allowed a basic amount of $1000, except that for corporations the basic amount shall be zero for tax years ending on or after December 31, 2003, and for individuals the basic amount shall be:

(1) for taxable years ending on or after December 31, 1998 and prior to December 31, 1999, $1,300;

(2) for taxable years ending on or after December 31,

1999 and prior to December 31, 2000, $1,650;

(3) for taxable years ending on or after December 31, 2000 and prior to December 31, 2007, $2,000; and

(4) for taxable years ending on or after December 31, 2007, the basic amount of the previous taxable year increased by the annual rate of increase, for the previous calendar year, of the Consumer Price Index for All Urban Consumers for all items, published by the United States Bureau of Labor Statistics.

For taxable years ending on or after December 31, 1992, a taxpayer whose Illinois base income exceeds the basic amount and who is claimed as a dependent on another person's tax return under the Internal Revenue Code of 1986 shall not be allowed any basic amount under this subsection.

(c) Additional amount for individuals. In the case of an individual taxpayer, there shall be allowed for the purpose of subsection (a), in addition to the basic amount provided by subsection (b), an additional exemption equal to the basic amount for each exemption in excess of one allowable to such individual taxpayer for the taxable year under Section 151 of the Internal Revenue Code.

(d) Additional exemptions for an individual taxpayer and his or her spouse. In the case of an individual taxpayer and his or her spouse, he or she shall each be allowed additional exemptions as follows:

(1) Additional exemption for taxpayer or spouse 65

years of age or older.

(A) For taxpayer. An additional exemption of $1,000 for the taxpayer if he or she has attained the age of 65 before the end of the taxable year.

(B) For spouse when a joint return is not filed. An additional exemption of $1,000 for the spouse of the taxpayer if a joint return is not made by the taxpayer and his spouse, and if the spouse has attained the age of 65 before the end of such taxable year, and, for the calendar year in which the taxable year of the taxpayer begins, has no gross income and is not the dependent of another taxpayer.

(2) Additional exemption for blindness of taxpayer or spouse.

(A) For taxpayer. An additional exemption of $1,000 for the taxpayer if he or she is blind at the end of the taxable year.

(B) For spouse when a joint return is not filed. An additional exemption of $1,000 for the spouse of the taxpayer if a separate return is made by the taxpayer, and if the spouse is blind and, for the calendar year in which the taxable year of the taxpayer begins, has no gross income and is not the dependent of another taxpayer. For purposes of this paragraph, the determination of whether the spouse is blind shall be made as of the end of the taxable year of the taxpayer;

except that if the spouse dies during such taxable year such determination shall be made as of the time of such death.

(C) Blindness defined. For purposes of this subsection, an individual is blind only if his or her central visual acuity does not exceed 20/200 in the better eye with correcting lenses, or if his or her visual acuity is greater than 20/200 but is accompanied by a limitation in the fields of vision such that the widest diameter of the visual fields subtends an angle no greater than 20 degrees.

(e) Cross reference. See Article 3 for the manner of determining base income allocable to this State.

(f) Application of Section 250. Section 250 does not apply to the amendments to this Section made by Public Act 90-613.
