1 AN ACT concerning criminal law.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Tobacco Accessories and Smoking Herbs
5 Control Act is amended by changing Sections 2, 3, and 4 as
6 follows:

7 (720 ILCS 685/2) (from Ch. 23, par. 2358-2)

8 Sec. 2. Purpose.

9 (a) The sale and possession of marijuana, hashish, cocaine,
10 opium and their derivatives, is not only prohibited by Illinois
11 Law, but the use of these substances has been deemed injurious
12 to the health of the user.

13 It has further been determined by the Surgeon General of
14 the United States that the use of tobacco is hazardous to human
15 health.

16 The ready availability of smoking herbs to minors could
17 lead to the use of tobacco and illegal drugs.

18 It is in the best interests of the citizens of the State of
19 Illinois to seek to prohibit the spread of illegal drugs,
20 tobacco or smoking materials to minors. The prohibition of the
21 sale of tobacco and snuff accessories and smoking herbs to
22 minors would help to curb the usage of illegal drugs and
23 tobacco products, among our youth.

1 (b) The General Assembly finds and declares that there has
2 been a proliferation of flavored cigarettes and other tobacco
3 products in recent years. Many of these products have flavors
4 that are particularly attractive to children. These tobacco
5 products have included flavors such as various fruits candy,
6 chocolate, vanilla, honey, other sweeteners, nut, mint, cocoa,
7 desserts, soft drinks, alcoholic beverages, herb and spice
8 flavorings or other flavorings that are attractive to youth.
9 According to survey evidence and public health experts,
10 children are more likely to choose flavored cigarettes and
11 other tobacco products, and thus the existence of these
12 products increases the incidence of tobacco use among children.
13 Moreover, the earlier that an individual begins using tobacco,
14 the more likely he or she will become addicted to tobacco
15 products and will continue to use tobacco products throughout
16 his or her lifetime. Accordingly, flavored tobacco products
17 result in increased tobacco use, increased addiction, a greater
18 incidence of smoking-related illnesses, increased health care
19 costs, and more smoking-related deaths. The General Assembly
20 therefore finds and declares that flavored tobacco products
21 present a significant threat to public health and to our
22 children, and that the sale of flavored tobacco products must
23 be restricted.
