1 AMENDMENT TO HOUSE BILL 629

2 AMENDMENT NO. _____. Amend House Bill 629 by replacing
3 everything after the enacting clause with the following:

4 "Section 5. The Environmental Protection Act is amended by
5 changing Section 12.5 as follows:

6 (415 ILCS 5/12.5)

7 Sec. 12.5. NPDES discharge fees; sludge permit fees.

8 (a) Beginning July 1, 2003, the Agency shall assess and
9 collect annual fees (i) in the amounts set forth in subsection
10 (e) for all discharges that require an NPDES permit under
11 subsection (f) of Section 12, from each person holding an NPDES
12 permit authorizing those discharges (including a person who
13 continues to discharge under an expired permit pending
14 renewal), and (ii) in the amounts set forth in subsection (f)
15 of this Section for all activities that require a permit under
16 subsection (b) of Section 12, from each person holding a

1 domestic sewage sludge generator or user permit.

2 Each person subject to this Section must remit the
3 applicable annual fee to the Agency in accordance with the
4 requirements set forth in this Section and any rules adopted
5 pursuant to this Section.

6 (b) Within 30 days after the effective date of this
7 Section, and each year thereafter, except when a fee is not due
8 because of the operation of subsection (c), the Agency shall
9 send a fee notice by mail to each existing permittee subject to
10 a fee under this Section at his or her address of record. The
11 notice shall state the amount of the applicable annual fee and
12 the date by which payment is required.

13 Except as provided in subsection (c) with respect to
14 initial fees under new permits and certain modifications of
15 existing permits, fees payable under this Section are due by
16 the date specified in the fee notice, which shall be no less
17 than 30 days after the date the fee notice is mailed by the
18 Agency.

19 (c) The initial annual fee for discharges under a new NPDES
20 permit or for activity under a new sludge generator or sludge
21 user permit must be remitted to the Agency prior to the
22 issuance of the permit. The Agency shall provide notice of the
23 amount of the fee to the applicant during its review of the
24 application. In the case of a new NPDES or sludge permit issued
25 during the months of January through June, the Agency may
26 prorate the initial annual fee payable under this Section.

1 The initial annual fee for discharges or other activity
2 under a general NPDES permit must be remitted to the Agency as
3 part of the application for coverage under that general permit.

4 ~~Beginning January 1, 2010, in ~~the~~ the case of construction~~
5 site ~~storm water~~ ~~stormwater~~ discharges for which a ~~coverage~~
6 ~~letter under a general~~ ~~new~~ NPDES permit ~~or individual NPDES~~
7 ~~permit has been~~ ~~is~~ issued ~~or for which the application for~~
8 ~~coverage under an NPDES permit has been filed with the Agency~~
9 ~~during the months of January through June,~~ no annual fee shall
10 be due ~~after payment of an initial annual fee in the amount~~
11 ~~provided in subsection (e)(10) of this Section.~~ ~~for the 12~~
12 ~~months beginning July 1 that immediately follow the period for~~
13 ~~which the initial annual fee was due.~~

14 If a requested modification to an existing NPDES permit
15 causes a change in the applicable fee categories under
16 subsection (e) that results in an increase in the required fee,
17 the permittee must pay to the Agency the amount of the
18 increase, prorated for the number of months remaining before
19 the next July 1, before the modification is granted.

20 (d) Failure to submit the fee required under this Section
21 by the due date constitutes a violation of this Section. Late
22 payments shall incur an interest penalty, calculated at the
23 rate in effect from time to time for tax delinquencies under
24 subsection (a) of Section 1003 of the Illinois Income Tax Act,
25 from the date the fee is due until the date the fee payment is
26 received by the Agency.

2 permits are as follows:
