9 Class 1. Life, Accident and Health.

10 (a) Life. Insurance on the lives of persons and every
11 insurance appertaining thereto or connected therewith and
12 granting, purchasing or disposing of annuities. Policies of
13 life or endowment insurance or annuity contracts or contracts
14 supplemental thereto which contain provisions for additional
15 benefits in case of death by accidental means and provisions
16 operating to safeguard such policies or contracts against
17 lapse, to give a special surrender value, or special benefit,
18 or an annuity, in the event, that the insured or annuitant
19 shall become totally and permanently disabled as defined by the
20 policy or contract, or which contain benefits providing
21 acceleration of life or endowment or annuity benefits in
22 advance of the time they would otherwise be payable, as an

1 physician, including but not limited to, professional nursing
2 care, medical care expenses, custodial nursing care,
3 non-nursing custodial care provided in a nursing home or at a
4 residence of the insured, or which contain benefits providing
5 acceleration of life or endowment or annuity benefits in
6 advance of the time they would otherwise be payable, at any
7 time during the insured's lifetime, as an indemnity for a
8 terminal illness shall be deemed to be policies of life or
9 endowment insurance or annuity contracts within the intent of
10 this clause.

11 Also to be deemed as policies of life or endowment
12 insurance or annuity contracts within the intent of this clause
13 shall be those policies or riders that provide for the payment
14 of up to 75% of the face amount of benefits in advance of the
15 time they would otherwise be payable upon a diagnosis by a
16 physician licensed to practice medicine in all of its branches
17 that the insured has incurred a covered condition listed in the
18 policy or rider.

19 "Covered condition", as used in this clause, means: heart
20 attack, stroke, coronary artery surgery, life threatening
21 cancer, renal failure, alzheimer's disease, paraplegia, major
22 organ transplantation, total and permanent disability, and any
23 other medical condition that the Department may approve for any

26 provisions, not otherwise specifically prohibited by law,

1 which in the opinion of the Director are unjust, unfair, or
2 unfairly discriminatory to the policyholder, any person
3 insured under the policy, or beneficiary.

20 benefit of those participants with present financial,
21 physical, or medical needs; nothing in this item (iii)
22 shall prevent the organization from establishing
23 qualifications of participation relating to the health of
24 the prospective participant nor shall it prevent the
25 participants from limiting the financial or medical needs
26 that may be eligible for payment among the participants;

1 (iv) facilitates the payments provided for in item
2 (iii) of this subsection (b) through payments made directly
3 from one participant to another; the requirements of this
4 item (iv) can be satisfied by means of payments between
5 members made in person, through the United States postal
6 service, expedited delivery service, or by wire or other
7 form of electronic transfer;

8 (v) specifies amounts that participants may give with
9 no assumption of risk or promise to pay either among the
10 participants or between the participants and the
11 organization; nothing in this item (v) shall prevent the
12 organization from canceling the membership of a
13 participant when that participant indicates their
14 unwillingness to participate by failing to make a payment
15 to another participant for a period in excess of 60 days;
16 and

17 (vi) provides the following verbatim written
18 disclaimer on all applications for membership or
19 participation:

20 "NOTICE: This organization is not insurance or an insurance
21 policy nor is it offered through an insurance company.
22 Whether anyone chooses to assist you with your medical
23 bills will be totally voluntary, as no other member will be
24 compelled by law to contribute toward your medical bills.
25 As such, this organization should never be considered to be
26 insurance. Whether you receive any payments for medical

1 expenses and whether or not this organization continues to
2 operate, you are always personally responsible for the
3 payment of your own medical bills. This organization is not
4 subject to the regulatory requirements or consumer
5 protections of your State's Insurance Code or Statutes.".

7 assumption of a contractual obligation to reimburse the
8 beneficiary against or pay on behalf of the beneficiary, all or

10 out of services performed by or under the supervision of an
11 attorney licensed to practice in the jurisdiction wherein the
12 services are performed, regardless of whether the payment is
13 made by the beneficiaries individually or by a third person for

15 for legal services incidental to other insurance coverages. The
16 insurance laws of this State, including this Act do not apply
