13 Sec. 39.6. Illinois State Police Precursor Tracking
14 Program; general provisions.

15 (a) Purposes. The purposes of this Section are: to
16 establish a pilot program based in Adams, Madison, St. Clair,
17 and Vermilion Counties to track purchases of targeted
18 methamphetamine precursors at multiple locations; to identify
19 persons obtaining or distributing targeted methamphetamine
20 precursors for the likely purpose of manufacturing
21 methamphetamine; to starve methamphetamine manufacturers of
22 the methamphetamine precursors they need to make
23 methamphetamine; to locate and shut down methamphetamine
24 laboratories; and ultimately to reduce the harm that
25 methamphetamine manufacturing and manufacturers are inflicting

1 on individuals, families, communities, first responders, the
2 economy, and the environment in Illinois and beyond. In
3 authorizing this pilot program, the General Assembly
4 recognizes that, although this Act has significantly reduced
5 the number of methamphetamine laboratories in Illinois, some
6 persons continue to violate the Act, evade detection, and
7 support the manufacture of methamphetamine by obtaining
8 targeted methamphetamine precursor at multiple locations. The
9 General Assembly further recognizes that putting an end to this
10 practice and others like it will require an effort to track
11 purchases of targeted methamphetamine precursor across
12 multiple locations, and that a pilot program coordinated by the
13 Illinois State Police in Adams, Madison, St. Clair, and
14 Vermilion Counties will advance this important goal.

15 (b) Structure.

16 (1) There is established a pilot program coordinated by
17 the Illinois State Police in Adams, Madison, St. Clair, and
18 Vermilion Counties, known as the Illinois State Police
19 Precursor Tracking Program or Pilot Program, to track
20 purchases of targeted methamphetamine precursor across
21 multiple locations for the purposes stated in subsection
22 (a) of this Section.

23 (2) The Pilot Program known as the Illinois State
24 Police Precursor Tracking Program or the Pilot Program
25 Authority shall be operated by the Illinois State Police in
26 accordance with the provisions of Sections 39.6, 39.7,

1 39.8, and 39.8-5 of this Act.

2 (3) The Pilot Program Authority shall designate a
3 Central Repository for the collection of required
4 information, and the Central Repository shall operate
5 according to the provisions of Sections 39.6, 39.7, 39.8,
6 and 39.8-5 of this Act.

7 (4) Every covered pharmacy shall participate in the
8 Pilot Program, and any non-covered pharmacy may
9 participate on a voluntary basis and be known as a
10 voluntary participant.

11 (c) Transmission of electronic transaction records. Except
12 as provided in Section 39.8:

13 (1) Each time a covered pharmacy distributes a targeted
14 methamphetamine precursor to a recipient under Section 25
15 of this Act, the covered pharmacy shall transmit an
16 electronic transaction record to the Central Repository.

17 (2) Each covered pharmacy shall transmit electronic
18 transaction records through the secure website described
19 in Section 39.7 of this Act.

20 (d) Operation and Timeline for implementation.

21 (1) Except as stated in this subsection, this
22 amendatory Act of the 96th General Assembly shall be
23 operational upon the effective date of this amendatory Act.

24 (2) Covered pharmacies are not required to transmit any
25 electronic transaction records and exempt pharmacies are
26 not required to send any handwritten logs to the Central

1 Repository until the reporting start date set by the Pilot
2 Program Authority.

3 (3) The Pilot Program Authority shall announce the
4 "reporting start date" within 90 days after the date this
5 legislation becomes law.

6 (4) The reporting start date shall be no sooner than 90
7 days after the date on which the Pilot Program Authority
8 announces the reporting start date.

9 (5) Starting on the reporting start date, and
10 continuing for a period of one year thereafter, covered
11 pharmacies shall transmit electronic transaction records
12 as described in Section 39.7 of this Act.

13 (6) Nothing in this Act shall preclude covered
14 pharmacies and exempt pharmacies from voluntarily
15 participating in the Pilot Program before the start date or
16 continuing to participate in the Pilot Program after one
17 year after the reporting start date.

18 (e) Funding. Funding for the Pilot Program shall be
19 provided by the Illinois State Police, drawing upon federal
20 grant money and other available sources. If funding is delayed,
21 curtailed, or otherwise unavailable, the Pilot Program
22 Authority may delay implementation of the Pilot Program, reduce
23 the number of counties covered by the Pilot Program, or end the
24 Pilot Program early. If any such change becomes necessary, the
25 Illinois State Police shall inform every covered pharmacy in
26 writing.

1 (f) Training. The Illinois State Police shall provide, free
2 of charge, training and assistance to any pharmacy playing any
3 role in the Pilot Program.

4 (g) Relationship between the Illinois State Police
5 Precursor Tracking Program and other laws and rules. Nothing in
6 Sections 39.6, 39.7, 39.8, and 39.8-5 of this Act shall
7 supersede, nullify, or diminish the force of any requirement
8 stated in any other Section of this Act or in any other State
9 or federal law or rule.

10 (h) Duration and report to the Governor and General
11 Assembly. The duration of the Illinois State Police Precursor
12 Tracking Program shall be 2 years. The Illinois State Police
13 shall prior to the end of this 2-year period report to the
14 Governor and General Assembly on the implementation and
15 efficacy of the Pilot Program and may recommend to them the
16 continuation, modification, or termination of the Program.

17 (720 ILCS 648/39.7 new)

18 Sec. 39.7. Illinois State Police Precursor Tracking
19 Program; secure website.

20 (a) Transmission of electronic transaction records through
21 a secure website; in general.

22 (1) The Illinois State Police shall establish a secure
23 website for the transmission of electronic transaction
24 records and make it available free of charge to any covered
25 pharmacy that elects to use it.

1 (2) The secure website shall enable any covered
2 pharmacy to transmit to the Central Repository an
3 electronic transaction record each time the pharmacy
4 distributes a targeted methamphetamine precursor to a
5 recipient under Section 25 of this Act.

6 (3) If the secure website becomes unavailable to a
7 covered pharmacy, the covered pharmacy may, during the
8 period in which the secure website is not available,
9 continue to distribute targeted methamphetamine precursor
10 without using the secure website if, during this period,
11 the covered pharmacy maintains and transmits handwritten
12 logs as described in subsection (b) of Section 39.8 of this
13 Act.

14 (b) Assistance to covered pharmacies using the secure
15 website.

16 (1) The purpose of this subsection is to ensure that
17 participation in the Pilot Program does not impose
18 substantial costs on covered pharmacies that elect to
19 transmit electronic transaction records to the Central
20 Repository by means of the secure website.

21 (2) If a covered pharmacy that elects to transmit
22 electronic transaction records by means of the secure
23 website does not have computer hardware or software or
24 related equipment sufficient to make use of the secure
25 website, then the covered pharmacy may obtain and install
26 such hardware or software or related equipment at its own

1 cost, or it may request assistance from the Illinois State
2 Police, or some combination of the two.

3 (3) Nothing in this subsection shall preclude the
4 Illinois State Police from providing additional or other
5 assistance to any pharmacy or retail distributor.

6 (c) Any covered pharmacy that elects to transmit electronic
7 transaction records by means of the secure website described in
8 this Section must use the secure website as its exclusive means
9 of complying with subsections (d) and (f) of Section 25 of this
10 Act. To facilitate this option, the Pilot Program shall do the
11 following:

12 (1) The Illinois State Police shall provide to any
13 covered pharmacy a means to capture a hand written
14 signature.

15 (2) The Illinois State Police shall provide the covered
16 pharmacy with an official letter indicating that:

17 (A) The covered pharmacy in question is
18 participating in the Illinois State Police Precursor
19 Tracking Program for a specified period of time.

20 (B) During the specified period of time, the
21 Illinois State Police has assumed responsibility for
22 maintaining the logs described in subsection (f) of
23 Section 25 of this Act.

24 (C) Any law enforcement officer seeking to inspect
25 or copy the covered pharmacy's logs should direct the
26 request to the Illinois State Police through means

1 described in the letter.

2 (720 ILCS 648/39.8 new)

3 Sec. 39.8. Illinois State Police Precursor Tracking
4 Program; exempt pharmacies.

5 (a) When a covered pharmacy is exempt. A covered pharmacy
6 is exempt from the requirement that it transmit electronic
7 transaction records to the Central Repository through the
8 secure website described in Section 39.7 if all of the
9 following conditions are satisfied:

10 (1) The covered pharmacy:

11 (A) Submits to the Pilot Program Authority a
12 written request for such an exemption;

15 during the 60-day period preceding the date the written
16 request is transmitted;

18 any 7-day period during the 60-day period preceding the
19 date the written request is transmitted; and

20 (D) Provides, along with the written request,
21 copies of handwritten logs covering the 60-day period
22 preceding the written request; and

23 (2) The Pilot Program Authority:

24 (A) Reviews the written request;

25 (B) Verifies that the covered pharmacy has

1 complied with Section 25 of this Act by maintaining
2 handwritten rather than electronic logs during the
3 60-day period preceding the date the written request is
4 transmitted;

5 (C) Verifies that the covered pharmacy has not sold
6 more than 20 targeted packages in any 7-day period
7 during the 60-day period preceding the date the written
8 request is transmitted; and

9 (D) Sends the covered pharmacy a letter stating
10 that the covered pharmacy is exempt from the
11 requirement that it transmit electronic transaction
12 records to the Central Repository.

13 (b) Obligations of an exempt pharmacy.

14 (1) A pharmacy that is exempt from the requirement that
15 it transmit electronic transaction records to the Central
16 Repository shall instead transmit copies, and retain the
17 originals, of handwritten logs on a weekly basis.

18 (2) An exempt covered pharmacy shall transmit copies of
19 handwritten logs to the Central Repository in person, by
20 facsimile, through the United States Postal Service, or by
21 other reasonably reliable and prompt means.

23 Sec. 39.8-5. Illinois State Police Precursor Tracking
24 Program; confidentiality of records.

25 (a) The Central Repository shall delete each electronic

1 transaction record and handwritten log entry 24 months after
2 the date of the transaction it describes.

3 (b) The Illinois State Police and Central Repository shall
4 carry out a program to protect the confidentiality of
5 electronic transaction records and handwritten log entries
6 transmitted pursuant to Sections 39.6, 39.7, and 39.8 of this
7 Act. The Pilot Program Authority and Central Repository shall
8 ensure that this information remains completely confidential
9 except as specifically provided in subsections (c) through (i)
10 of this Section. Except as provided in subsections (c) through
11 (i) of this Section, this information is strictly prohibited
12 from disclosure.

22 precursor, methamphetamine, or any other controlled substance.

23 (e) The Illinois State Police may release electronic

11 electronic transaction records and handwritten log entries
12 solely for the purpose of identifying, investigating, or
13 prosecuting violations of this Act or any other State or
14 federal law or rule involving a methamphetamine precursor,
15 methamphetamine, or any other controlled substance.

16 (4) The qualified outside entity does not have a
17 history known to the Illinois State Police of violating
18 this agreement or similar agreements or of breaching the
19 confidentiality of sensitive information.
