A BILL FOR

1 AN ACT concerning safety.

2 **Be it enacted by the People of the State of Illinois,**
3 **represented in the General Assembly:**

4 Section 5. The Radon Industry Licensing Act is amended by
5 changing Section 25 and by adding Section 27 as follows:

6 (420 ILCS 44/25)

7 Sec. 25. License requirement. Beginning January 1, 1998, no
8 person shall sell a device or perform a service for
9 compensation to detect the presence of radon or radon progeny
10 in the indoor atmosphere, perform laboratory analysis, or
11 perform a service to reduce the presence of radon or radon
12 progeny in the indoor atmosphere unless the person has been
13 licensed by the Agency. The application procedures for a
14 license shall be established by rule of the Agency. This
15 Section does not apply to retail stores that only sell or
16 distribute radon sampling devices but are not engaged in the
17 manufacture of radon sampling devices or a relationship with
18 the client for other services such as home inspection or
19 representation as in a real estate transaction ~~and that do not~~
20 ~~perform laboratory analysis, measurement, or mitigation~~
21 ~~services.~~

2 Sec. 27. Approval of radon sampling and measurement
3 devices. No person shall sell a device in this State to detect
4 the presence of radon or radon progeny in the indoor atmosphere
5 without prior approval of the device from the Agency. All
6 electronic radon detection devices sold in this State must be
7 calibrated to ensure the accuracy and precision of their
8 measurements of radon and radon progeny.

9 Section 99. Effective date. This Act takes effect upon
10 becoming law.
