1

AN ACT concerning education.

2 Be it enacted by the People of the State of Illinois, 3 represented in the General Assembly:

Section 5. The School Code is amended by changing Section
17-1 as follows:

6 (105 ILCS 5/17-1) (from Ch. 122, par. 17-1)

7 Sec. 17-1. Annual Budget. The The board of education of each school district under 500,000 inhabitants shall, within or 8 9 before the first quarter of each fiscal year, adopt and file with the State Board of Education an annual balanced budget 10 which it deems necessary to defray all necessary expenses and 11 liabilities of the district, and in such annual budget shall 12 13 specify the objects and purposes of each item and amount needed 14 for each object or purpose.

The budget shall be entered upon a School District Budget 15 form prepared and provided by the State Board of Education and 16 17 therein shall contain a statement of the cash on hand at the beginning of the fiscal year, an estimate of the cash expected 18 19 to be received during such fiscal year from all sources, an 20 estimate of the expenditures contemplated for such fiscal year, 21 and a statement of the estimated cash expected to be on hand at 22 the end of such year. The estimate of taxes to be received may be based upon the amount of actual cash receipts that may 23

reasonably be expected by the district during such fiscal year, 1 2 estimated from the experience of the district in prior years due regard for other circumstances that 3 and with may substantially affect such receipts. Nothing in this Section 4 5 shall be construed as requiring any district to change or preventing any district from changing from a cash basis of 6 7 financing to a surplus or deficit basis of financing; or as 8 requiring any district to change or preventing any district 9 from changing its system of accounting.

10 To the extent that a school district's budget is not 11 balanced, the district shall also adopt and file with the State 12 Board of Education a deficit reduction plan to balance the 13 district's budget within 3 years. The deficit reduction plan 14 must be filed at the same time as the budget, but the State 15 Superintendent of Education may extend this deadline if the 16 situation warrants.

17 The board of education of each district shall fix a fiscal year therefor. If the beginning of the fiscal year of a 18 19 district is subsequent to the time that the tax levy due to be 20 made in such fiscal year shall be made, then such annual budget shall be adopted prior to the time such tax levy shall be made. 21 22 The failure by a board of education of any district to adopt an 23 annual budget, or to comply in any respect with the provisions of this Section, shall not affect the validity of any tax levy 24 25 of the district otherwise in conformity with the law. With respect to taxes levied either before, on, or after the 26

effective date of this amendatory Act of the 91st General 1 2 Assembly, (i) a tax levy is made for the fiscal year in which 3 the levy is due to be made regardless of which fiscal year the proceeds of the levy are expended or are intended to be 4 5 expended, and (ii) except as otherwise provided by law, a board 6 of education's adoption of an annual budget in conformity with this Section is not a prerequisite to the adoption of a valid 7 8 tax levy and is not a limit on the amount of the levy.

9 Such budget shall be prepared in tentative form by some 10 person or persons designated by the board, and in such 11 tentative form shall be made conveniently available to public 12 inspection for at least 30 days prior to final action thereon. At least 1 public hearing shall be held as to such budget prior 13 to final action thereon. Notice of availability for public 14 inspection and of such public hearing shall be given by 15 16 publication in a newspaper published in such district, at least 17 30 days prior to the time of such hearing. If there is no newspaper published in such district, notice of such public 18 hearing shall be given by posting notices thereof in 5 of the 19 20 most public places in such district. It shall be the duty of the secretary of such board to make such tentative budget 21 22 available to public inspection, and to arrange for such public 23 hearing. The board may from time to time make transfers between 24 the various items in any fund not exceeding in the aggregate 25 10% of the total of such fund as set forth in the budget. The 26 board may from time to time amend such budget by the same

8 The State Board of Education shall exercise powers and 9 duties relating to budgets as provided in Section 2-3.27 of 10 this Code and shall require school districts to submit their 11 annual budgets, deficit reduction plans, and other financial 12 information, including revenue and expenditure reports and 13 borrowing and interfund transfer plans, in such form and within 14 the timelines designated by the State Board of Education.

17 In the case of a school district receiving emergency State 18 financial assistance under Article 1B, the school board shall 19 also be subject to the requirements established under Article 20 1B with respect to the annual budget.
